Requirement for Service on Board and/or Commission:

The Rutherford County Board of Commissioners passed a resolution January 8, 2007 stating that no person serving on any board appointed by the Rutherford County Board of Commissioners, or any potential appointee to such a board, can serve or continue to serve, if there is a final judgment against such person wherein they owe the County, any of its agencies, or the Rutherford County Board of Education a sum of money and that debt remains outstanding after demand for payment by the Board of Commissioners for 30 days after written demand.

The resolution also states that no person serving on any board appointed by the Rutherford County Board of Commissioners, or any potential appointee to such a board, can serve or continue to serve, if there is a tax obligation owed to the County or any other taxing authority within the County and the obligation has been reduced to final judgment, or the statute of limitations to contest such tax assessment has run, and that debt remains outstanding after demand for payment by the Board of Commissioners for 30 days after written demand.

I understand that I will not be considered for appointment to any Rutherford County board and/or commission if there is a final judgment against me wherein I owe the County, any of its agencies, or the Rutherford County Board of Education a sum of money and that debt remains outstanding after demand for payment by the Board of Commissioners for 30 days after written demand or if there is a tax obligation owed by me to the County or any other taxing authority within the County and the obligation has been reduced to final judgment, or the statute of limitations to contest such tax assessment has run, and that debt remains outstanding after demand for payment by the Board of Commissioners for 30 days after written demand
