- b. is disposed of in a manner that results in the City being reimbursed in the amount of the current fair market value of the property less any portion of the value attributable to expenditures on non-CDBG funds for acquisition of, or improvement to, the property. Reimbursement is not required after five years.

11. Subcontracting

None of the services covered by this AGREEMENT shall be subcontracted without the prior written approval of the City.

In the event that the City is named as a codefendant in any action relating to activities to be performed by the Subrecipient under this Contract, the Subrecipient will notify the City of the action and will represent the City in the action unless the City undertakes to represent itself as a codefendant, in which case the City will bear its own litigation costs, expenses, and attorneys' fees.

17. Maintenance and Availability of Records

In connection with the AGREEMENT, the Subrecipient shall maintain all accounting and client records and documents, papers, maps, photographs, other documentary materials and any evidence pertaining to costs incurred for five (5) years. Subrecipients may follow their own practices as long as they provide for retention for five (5) years and access for audit and public examination. If any litigation, claim or audit is started, the records shall be retained beyond five (5) years.

Such records shall be furnished and available for inspection by the Department of Housing and Urban Development (HUD), the Comptroller General of the United States, or any authorized representative, and the City. Such records shall be available at the Subrecipient's office at all reasonable times during the contract period. 18. **Contract Amendment**

- (a) Changes in the contract may be requested by either the City or the Subrecipient and shall be incorporated in written amendments to the AGREEMENT.
- (b) However, the City will allow an amendment by the Subrecipient only if the Subrecipient clearly demonstrates that the modification is justified and will enhance the overall impact of the original project. The City will consider each request to determine whether the modification is substantial enough to necessitate reevaluating the AGREEMENT.
- (c) If the City determines that the proposed amendment represents a budgetary item of 30% or more and/or a change within the programmatic/service scope of the plan, the City will enact a public comment period of thirty (30) days and a public hearing convened at a location convenient and accessible to citizens for final approval.
- (d) If the City determines that the proposed amendment represents a budgetary item change of less than 30% which does not change the programmatic / service scope of the plan, the Community Development Manager will have the authority to approve or deny the proposed amendment to the AGREEMENT.

19. **Termination and Suspension**

The City may terminate this AGREEMENT as follows:

- a. **Termination Due to Noncompliance with Agreement Terms.** If the City determines that the Subrecipient has failed to comply with the general terms and conditions of this AGREEMENT, the project schedule, or any special conditions, and if upon notification of the defect the Subrecipient does not remedy the deficiency within a reasonable period to be specified in the notice, the City may terminate this Agreement in whole or in part at any time before the date of completion, or temporarily withholding cash payments pending correction of the deficiency; disallow all or part of the cost of the activity and/or action not in compliance; withhold further awards; and/or take other remedies that may be legally available.
- b. The City will promptly notify the Subrecipient in writing of the decision to terminate, the reasons for the termination, and the effective date of the termination; or

- d. Violates any applicable regulations or terms and conditions of approval of the applications which the Secretary of HUD has issued or shall subsequently issue during the period of the AGREEMENT; or
- e. **Termination and Modification Due to Loss of Funding.** If, for any reason, the federal financial resources required by the City to fund the Subrecipient's project are withdrawn from the City, the City may unilaterally terminate or modify the terms of this Contract to reflect the loss of funding. If a termination or modification is required, the City will, to the extent permitted by available CDBG funds, compensate the Subrecipient for eligible work elements the Subrecipient has completed and for actual, necessary and eligible expenses incurred by the Subrecipient as of the revised termination date. The City will give the Subrecipient written notice of the effective date of the modification or termination of this AGREEMENT and, if a reduction in funding is required, will provide the Subrecipient with a modified project budget.

- f. **Effect of Termination.** In the event of termination due to the Subrecipient's failure to comply with the terms of this AGREEMENT, any costs incurred will be the responsibility of the Subrecipient. However, at its discretion, the City may approve requests by the Subrecipient for reimbursement of expenses incurred. The City's decision to authorize payment of these costs or to recover expended CDBG funds will be based on a consideration of the Subrecipient's extent to which the expenditure of those funds represented a good faith effort of the to comply with the terms of this AGREEMENT and on whether any failure to comply with the terms of this AGREEMENT was the result of circumstances beyond the Subrecipient's control.

20. Audit

The Subrecipient is encouraged to comply with the audit requirements set forth in OMB Circular A-133 (www.whitehouse.gov/omb/circulars/a133_compliance_supplement_2014). If the audit requirements of A-133 are not followed by the Subrecipient, the audit requirements of OMB Circular A-110 (www.whitehouse.gov/omb/circulars/a110/) must be followed.

CONFLICT OF INTEREST**

Please read the following Conflict of Interest Statements excerpted from the Code of Federal Regulations at 24 CFR 570.611 and indicate your acceptance on the proceeding signature page.

- (a) Applicability.
- (1) In the procurement of supplies, equipment, construction, and services by recipients and by subrecipients, the conflict of interest provisions in 24 CFR 85.36 and 24 CFR 84.42, respectively, shall apply.
- (2) In all cases not governed by 24 CFR 85.36 and 24 CFR 84.42, the provisions of this section shall apply. Such cases include the acquisition and disposition of real property and the provision of assistance by the recipient or by its subrecipients to individuals, businesses, and other private entities under eligible activities that authorize such assistance (e.g., rehabilitation, preservation, and other improvements of private properties or facilities pursuant to § 570.202; or grants, loans, and other assistance to businesses, individuals, and other private entities pursuant to §§ 570.203, 570.204, 570.455, or 570.703(i)).
- (b) Conflicts prohibited. The general rule is that no persons described in paragraph (c) of this section who exercise or have exercised any functions or responsibilities with respect to CDBG activities assisted under this part, or who are in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a CDBG-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a CDBG-assisted activity, or with respect to the proceeds of the CDBG-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter.
- (c) Persons covered. The conflict of interest provisions of paragraph (b) of this section apply to any person who is an employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of subrecipients that are receiving funds under this part.
- (d) Exceptions. Upon the written request of the recipient, HUD may grant an exception to the provisions of paragraph (b) of this section on a case-by-case basis when it has satisfactorily met the threshold requirement of paragraph (d)(1) of this section, taking into account the cumulative effects of paragraph (d)(2) of this section.
- (1) Threshold requirements. HUD will consider an exception only after the recipient has provided the following documentation:
- (i) A disclosure of the nature of the conflict, accompanied by an assurance that there has been public disclosure of the conflict and a description of how the public disclosure was made; and
- (ii) An opinion of the recipient's attorney that the interest for which the exception is sought would not violate State or local law.
- (2) Factors to be considered for exceptions. In determining whether to grant a requested exception after the recipient has satisfactorily met the requirements of paragraph (d) (1) of this section, HUD shall conclude that such an exception will serve to further the purposes of the Act and the effective and efficient administration of the recipient's program or project, taking into account the cumulative effect of the following factors, as applicable:
- (i) Whether the exception would provide a significant cost benefit or an essential degree of expertise to the program or project that would otherwise not be available;

- (ii) Whether an opportunity was provided for open competitive bidding or negotiation;
- (iii) Whether the person affected is a member of a group or class of low- or moderate-income persons intended to be the beneficiaries of the assisted activity, and the exception will permit such person to receive generally the same interests or benefits as are being made available or provided to the group or class;
- (iv) Whether the affected person has withdrawn from his or her functions or responsibilities, or the decision making process with respect to the specific assisted activity in question;
- (v) Whether the interest or benefit was present before the affected person was in a position as described in paragraph (b) of this section;
- (vi) Whether undue hardship will result either to the recipient or the person affected when weighed against the public interest served by avoiding the prohibited conflict; and
- (vii) Any other relevant considerations.

I have read the attached Conflict of Interest Statements excerpted from the Code of Federal Regulations at 24 CFR 570.611, and I agree to abide by the principles embodied therein.
