ANNUAL REPORT

OF THE OFFICERS OF THE

TOWN OF SANDWICH

FOR THE FISCAL YEAR ENDING DECEMBER 31 2010

ANNUAL REPORTS OF THE OFFICERS OF THE

TOWN OF SANDWICH NEW HAMPSHIRE

FOR THE YEAR ENDING DECEMBER 31, 2010

This is to certify that the information contained in this report was taken from official records and is complete to the best of our knowledge and belief.

Leo D. Dwyer, Chairman Willard G. Martin Gerard J. Gingras

Board of Selectmen

^{*} The cover is reminiscent of the 1926-1940 Annual Town Report covers.

SCHEDULE OF MEETINGS

BOARD OF SELECTMEN: Town Hall, Monday, 7:30 P.M.

BOARD OF ADJUSTMENT: Town Hall, Second Thursday of each month, 7:00 P.M.

CEMETERY TRUSTEES: As required, 284-6402

CONSERVATION COMMISSION: Town Hall, Fourth Wednesday of each month, 7:00 P.M.

HISTORIC DISTRICT COMMISSION: Town Hall, Third Tuesday of each month, 7:30 P.M.

LIBRARY TRUSTEES: Library, Third Monday of each month, 5:30 P.M.

PARKS & RECREATION COMMISSION: Town Hall, Second Tuesday of each month,

7:00 P.M.

PLANNING BOARD: Town Hall, First Thursday of each month, 7:00 P.M.

SEWER COMMISSIONERS: Town Hall, Third Thursday of each month, 4:00 P.M.

TRUSTEES OF TRUST FUNDS: Town Hall, Second Wednesday of each month, 8:30 A.M.

TOWN HOLIDAYS

New Year's Day
Martin Luther King Day

DEDICATION

MORTON ("GIL") RODGERS

Born in Campton, New Hampshire on May 25, 1930, Gil grew up not too far from Sandwich. Following an honorable discharge from the Army and having served in the Korean War, Gil drove through the Sandwich Notch to court one of the five Taylor girls...none other than Eileen. Born on her grandfather's farm on Diamond Ledge Road in 1937, she is one of the true Sandwich "natives". They married on September 25, 1956 and have lived in the same home Gil built from scratch a mere few hundred yards from where Eileen was born.

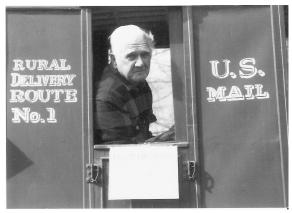

One friend said of Gil – "It is rare when you meet an individual who is a one man talent show" – that is the best way to describe him. Gil's industrious nature began when he was young. He helped to build the Kancamagus Highway, a scenic 34 mile highway from Lincoln, NH to Conway, NH. He moved a ton of rocks on the section of the oxbox curve and has been playing with rocks ever since! Working with brick and stone is just one of his true passions. His amazing skills as a stone mason and carpenter have kept him busy in Sandwich restoring colonial homes for over fifty years. In the case of brick, he is a master at reconstructing replicas of center chimneys equipped with baking ovens. When it comes stone, Gil is famous for taking a huge boulder, analyzing the grain, then splitting it into multiple pieces using a feather and wedges to split the stone. Like an artist, he then takes the pieces and fits them like a glove to construct either a dry or mortared stone wall. He has lost count of the number of chimneys he has built and the thousands of tons of stone he has converted into walls and fireplaces. Walk into almost any old house in town and you will find evidence of his craftsmanship.

In addition to being an excellent craftsman, Gil is an experienced woodsman and outdoorsman. For the last fifty year, his love of nature has inspired him to explore every square inch of Sandwich. Once an avid hunter, Gil still enjoys wandering in the Sandwich Notch in search of the best trout fishing with his son, John, who resides in Massachusetts.

Gil is one of the few old-timers who still carves and whittles wooden chains and trinkets from solid blocks of wood. Consider yourself very fortunate if you own one his works of art. After he "retired", he bought a small sawmill and has been cutting lumber ever since at a site on Mt. Israel Road. He usually has to hide his van if he wants to get any work done as many visitors love to stop in to say hello or ask his advice. He probably would not want it any other way!

~ One of the many faces of Gil ~ Seen here portraying Elmer Thompson in the 2010 SHS's Winning Float in the Sandwich Fair's Grand Street Parade Photo courtesy: Ray Elliott

Gil and Eileen, his wife of 54 years, have two sons and five granddaughters. Most of us when we reach the age of 80 would think about devoting most of our waking hours to pursuing hobbies or relaxing. For Gil, work is a major hobby. He continues to help with construction projects, splitting rocks, building stone walls, and chimneys. He also enjoys helping his son, David, with various projects. He has been active with the Sandwich Historical Society over the years helping to build beautiful floats and many enjoy watching him pitch horseshoes like no one can! ...And the list goes on!

Extremely generous with his time, advice, and talents, Gil has helped numerous individuals and organizations with projects. Almost any project which has to do with the restoration of an old building, Gil is involved in one way or another. He built the retaining wall at the Library. With the able assistance of Peter Pohl, he restored the

stone walls by the Parks and Recreation building and at the Frost Lot adjacent to Town Hall. He helped with the restoration of the Lower Corner Schoolhouse, the Grange, and a variety of other Sandwich Historical Society These and many more will projects. remain a legacy to his skill and talents for generations to come. Of course, there is no more humble a person than dismissing praise the compliments he receives with a smile or a word or two of appreciation.

~ **Gil Rodgers and Peter Pohl** ~ Rebuilding the Frost Lot wall – a project sponsored by the Alfred Quimby Fund Photo courtesy: D.L. Plimmer

Gil is one of those very special people who is admired and respected for his many talents and for his contributions in helping to make Sandwich the beautiful Town it is. His legacy is assured, and we hope to witness his handiwork for many years to come! The Town of Sandwich extends its sincerest appreciation and gratitude to Gil; affectionately know to many as "Gilby", for his dedicated and generous service for the betterment of the Town. We extend our best wishes to Gil and Eileen for many happy and healthy years ahead!

Sincerely,

Board of Selectmen

SELECTMEN'S REPORT

2010 will be remembered as the second year in a row in which the general economy remained sluggish. Despite this turmoil in the world around us, life in Sandwich continued to carry on - roads were plowed, grass was cut and the children grew as they have for some 247 years, which means in three years we will be 250 years old! We should be planning a celebration!

Biggest news this year - Single Stream Recycling. This allows property owners to bring all of their recyclables to the Transfer Station – glass, aluminum, metal, plastics, paper, cardboard.... in a single container. Not only did this eliminate the messy chore of sorting, it also resulted in a lower overall cost to the town for disposal. Sorting is now done off site in a MURF (Materials Recycling Facility) where it is sorted by a machine that would make Rube Goldberg proud.

The Master Plan Subcommittee of the Planning Board, which by year's end had been working diligently for almost three years, published a final draft Master Plan document for public comment and review. It is anticipated that the document will be considered by the Planning Board for adoption in 2011. Special thanks are due to these dedicated volunteers for their hard work and extraordinary effort.

DuBois and King Inc. conducted a bridge investigation and provided the Town with their findings and recommendations on the repair of Quaker Whiteface Bridge, which was red listed by the state in 2009. The good news is the repair work is only a fraction of what was originally estimated by the state. The bad news is it is still approximately \$250,000. We have budgeted funds to complete the engineering design work in 2011 with an eye towards construction in 2012. It is important to keep in mind that the town owns 18 bridges; most of which were built in the 1950's – the same period as Quaker Whiteface. It is likely the Quaker Whiteface repair will be the first in a number of expensive repairs that the town will need to confront in the coming years.

The Town Hall Building Committee made progress in charting the future for our historic town hall. The committee organized a structural engineering audit of the building which indicated the need for structural reinforcement of the second floor and roof trusses. Implementation of the engineer's recommendations will be incorporated into the committee's improvement plan. An energy audit highlighted desirable upgrades including a reconfiguration of some ducting for more efficient air distribution and the addition of removable interior "storm windows" in the upstairs auditorium. Both projects have been completed. Meetings are a bit brighter (and consume less energy) with the installation of high efficiency lamps and ballasts accomplished with assistance from the Sandwich Energy Committee and a grant from NH Electric Cooperative. A review was completed by the State Fire Marshall, which provided direction for safety upgrades. The front of Town Hall was repainted, so it again puts

forth a face for the town that we can all be proud. Finally, modifications were completed which allowed voting to return to Town Hall where it belongs.

During the year, the Town established a part-time contract position for performance of general building maintenance. We believe the action has greatly improved our general level of housekeeping and preventative maintenance. We also believe this will pay longer term dividends in terms of increasing the life of our real estate assets.

After a long search with much assistance from the members of the Parks & Recreation Committee, the Town hired a new Director for the Parks & Recreation Department. We are happy to say that not only did we get the best person for the job, but also someone who grew up right here in town. Leo Greene's first six months on the job have been a great success, and we look forward to some surprises as he develops inventive new programs to engage young, middle age and old alike. Thank you to the Alfred Quimby Fund, which at its own expense, is doing a complete rebuild of the Parks & Recreation building located between the tennis courts. Renovations should be complete in early 2011.

The Town also completed a number of improvement / upgrade projects in 2010:

- Central Fire Station furnace was upgraded to a more efficient unit with the assistance of the Sandwich Energy Committee who secured a grant of \$5,000 for the project from the New Hampshire Electric Cooperative, which partially funded the project.
- You can leave a phone message for the Town offices now that we have completed the installation of a new phone system, which also features a speaker phone in the conference room
- Registering your motor vehicle at the Town Clerk's office is now faster with the installation of new software that allows the office to more efficiently communicate with the State computer registration system
- The Police Department now has a new storage shed to securely store equipment thanks to a generous contribution from the Alfred Quimby Fund
- Police Chief Doug Wyman can be seen around town in a new Police cruiser. This
 sport utility model replaced a sedan model. We anticipate the move to a sturdier
 vehicle will lower maintenance costs and increase the useful time between tradeins by at least one year
- Fire Chief Brunelle managed the renovation of two fire ponds Whiteface Road and Maple Ridge Road as part of a multiyear plan to upgrade the reliability of the emergency water supply system
- Road Agent Colin Weeks managed the rebuilding of a portion of Maple Ridge Road from Rouner's to the top of "Pohl's Hill". The contractor did an exceptional job, and the project was completed well under budget
- The Highway Department acquired a new heavy duty dump truck plow, wing and sander. The model purchased was a heavier duty vehicle than has been the

standard in recent years. It is our expectation that the sturdier vehicle will provide a longer life on our country roads which tend to be tough on vehicles.

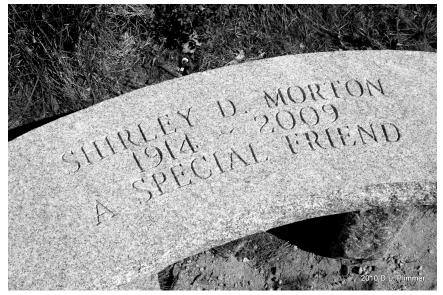

The Carroll County Transit project got its start late in 2010. Currently, they are providing door to door services (dial a ride) for residents. They are anxiously awaiting the arrival of the next fleet of vehicles, so they can implement the transit routes between Conway, Wolfeboro and Laconia, which will pass through Sandwich. It is their hope that they may implement this part of the project in the spring. See http://www.carrollcountytransit.info for more information.

During the year, the Town formed a new commission, the Agricultural Commission and a new committee, the Technology Committee. These new groups of volunteers are working through their formative stages, and we have high hopes for the progress they will make in the coming years in terms of fostering agriculture in the town and exploring new ways in which technology can be used to improve town government and the community. These two groups are really emblematic of what makes our town function. Individuals identified a need, and then stepped up to try and fill it. If we look at all of the various committees, commissions, trustees, boards that make up town government there are over 120 volunteers committing at minimum a few hours per month and for some, many more. We could not have a functioning town government or a vibrant community without them! Thanks to all with a special thanks to the Planning Board for putting in the hours and burning the midnight oil on a few difficult applications.

And finally, we are reminded that life is fleeting, and we need to appreciate the time we have together. We will greatly miss those residents, family, and friends who have gone before us.

Respectfully submitted,

Leo D. Dwyer, Chairman Willard G. Martin Gerard J. Gingras

<u>Please note</u>: In the 2009 Annual Report, we inadvertently provided incorrect credit information. The beautiful granite bench near the Bearcamp Beach area was made possible through the wonderful generosity of Shirley Morton's friend, Marjorie W. Wheeler.

Majorie, please accept our sincerest apologies.

TRUSTEES OF TRUST FUNDS

Trustees of Trust Funds (Trustees) are elected by the voters of Sandwich and are charged as fiduciaries to manage the Trust Funds and Capital Reserve Funds of Sandwich. Each year one Trustee is elected for a three year term. The Trustees manage two distinct types of funds. Trust Funds are those given to the Town, usually through bequests, with the income dedicated to specific purposes by the donor. Payments are requested by the Selectmen or by application at the Selectmen's Office. Payments are made once the Trustees confirm that the request conforms to the terms of the Trust. Capital Reserve Funds are those Town Funds appropriated by warrant approval.

The past three years have been especially challenging for the Trustees. The volatile investment market has resulted in reviewing funds to adjust to dramatic market fluctuations. In October, Carroll Bewley resigned as Trustee and moved to Florida. Fred Bickford has taken Carroll's position for the remainder of the term, ending in 2011. Fred has been a Selectman, among other town activities, and is a valuable asset to the board.

The Trustees have an Investment Policy for Trust Funds for an asset allocation of up to 60% in equities. For Capital Reserve Funds, which are usually shorter-term investments, the Investment Policy provides for preservation of capital with growth in income and a high degree of liquidity.

As of December 31, 2010, the Trustees were responsible for managing \$ 2,575,315. These funds are under the professional investment management of Merrill Lynch in Manchester, NH. The Trustees meet at least four times each year with the manager to review investments and oversee investment performance. Investment performance and associated fees for past five years are shown below.

December 31	Market Value (\$)	Average Total Return (%)	Investment Ma (\$)	nagement Fees (%)
2010	2,575,315	9.3 *	10,281	0.40
2009	2,374,100	10.8	10,096	0.41
2008	1,986,024	(11.9)	14,463	0.73
2007	2,450,994	7.8	10,922	0.46
2006	2,321,007	10.2	10,922	0.46

^{*} Equities in the funds had an average total return of 16.95% compared to S&P 500 at 12.78% and Dow Jones at 11.02%

Respectfully submitted,

Richard C. Papen Julie E. Deak Fred Bickford, Trustees of the Trust Funds

Albert C. Blanchard Child dental expense	1,977.50
Child medical expenses	500.00
Subtotal	2,477.50
TOTAL Paid out from TRUST FUNDS	51,374.40

FUNDS PAID OUT BY TRUSTEES OF TRUST FUNDS IN 2010

Capital Reserves & Expendable Trusts	Amount
Library Expendable Trust	
Furnace repair	645.00
Energy upgrades	1,312.32
Energy upgrades	1,523.00
Subtotal	3,480.32
Highway Equipment Capital Reserve	
Dump truck	70,000.00
Subtotal	70,000.00
Highway and Bridge Capital Reserve (Formerly "Paved Road Capital Reserve")	
Maple Ridge Road repaying	80,000.00
Subtotal	80,000.00
Equipment Repair	
Snowmobile repair	837.96
Subtotal	837.96
Fire Ponds Repair	
Fire ponds repairs	8,785.00
Subtotal	8,785.00
Police Equipment Capital Resereve	
Police vehicle	20,000.00
Subtotal	20,000.00
Office Equipment	
Town Office computers	1,648.75
Microphones for sound system	368.90
Subtotal	2,017.65
Landfill Maintenance Annual Landfill Testing	1,433.13
Subtotal	1,433.13
	1,155.15
Parks & Recreation Expendable Trust Baseball equipment	104.96
Subtotal	104.96
Winter Trails network	
Repair bridge on ski trail	464.15
Subtotal	464.15
Town Hall Expansion Capital Reserve	
Town Hall energy audit	1,200.00
Town Hall structural study	8,435.34
Town Hall energy upgrades	5,001.49
Lighting upgrades	1,476.95
Update heating System	1,380.00
Subtotal	17,493.78
Town Buildings Expendable Trust	
Police Building Carpet	1,523.88
Painting front of Town Hall	1,300.00
Adding oultets to Clerk's office Town hall storage cabinets	213.50 470.00
Fire house furnace replacement	6,416.00
Subtotal	9,923.38
TOTAL Paid out from Capital Reserve Funds	214,540.33

Total of All Funds Paid Out in 2010

265,914.73

TAX CREDITS/EXEMPTIONS

<u>TAX CREDITS</u>: Applications for the following permanent property tax credits must be filed by April 15 (credits are deducted directly from the tax bill):

- \$2000 credit for service-connected total and permanent disability
- \$2000 credit for widow of veteran killed or died on active duty
- Total tax credit for double amputee or paraplegic
- \$500 credit for veteran/veteran's spouse (Service connected credits may also be claimed by those who served on active duty in the armed forces of our allies if they were citizens of the United States at the time of their entry into these armed forces and are presently residents of New Hampshire)

<u>TAX EXEMPTIONS</u>: Applications for the following permanent exemptions must be filed by April 15 (exemptions are deductions from the assessed valuation):

- Solar Energy System
- Wood Heating Energy System
- Wind Powered Energy System
- Persons who are legally blind
- Elderly property owners subject to age, income and asset restrictions
- Owner/resident of property modified for the physically handicapped
- Current Use and Conservation Easements

Applications and information are available in the Selectmen's Office.

Respectfully submitted,

Sharon Teel Town Clerk

TOWN CLERK/TAX COLLECTOR

I want to give a special "Thank You" to everyone who supported my successful bid for re-election. It is my pleasure and privilege to serve you. The office continues to be very busy meeting the needs of our citizens. I attended training, workshops, and conferences held throughout the year for updates on new and changing laws and procedures. Presentations were offered by the Secretary of State's Office, Division of Vital Records Administration, NHDES Wetlands Bureau, Department of Revenue Administration, Department of Safety-Motor Vehicle Division, and the State Veterinarian as well as the New Hampshire Tax Collectors' and City and Town Clerks' Associations.

<u>DOG LICENSES</u>: License tags are available each year beginning in January. A valid rabies certificate is required to obtain a license and all licenses are due for renewal by April 30. New dogs and puppies (4 – 7 months) should be licensed ASAP. It is not necessary to wait until your puppy is altered as the fee is the same as the altered dog fee. Senior citizens 65 and older may register one dog for the companion fee of \$2.00.

MOTOR VEHICLES: Our new motor vehicle software is very user-friendly, and all town fees now print on registrations to reflect the total amount charged. Each year is busier with motor vehicles because the State DMV allows you to complete transactions here that formerly had to be completed at the State level. Please keep in mind that laws and rules are dictated by the State, and there are times when we have to say "sorry" we cannot proceed with some transactions without certain documentation. We are required by DMV to call Concord for permission on some transactions, which may cause a slight delay. The number of vehicle transactions, including titles processed and decals issued, was higher than last year but revenues were lower. Beginning February 2011 DMV will allow midstream plate changes. Check with the office for more information.

<u>VITAL RECORDS</u>: Due to legislative changes incorporated in the state budget and signed by the Governor, fees for Marriage Licenses and Vital Record Certified Copies were increased effective July 1, 2010 as follows:

Marriage License Fee	\$50.00	(Town retains \$7.00)
Vital Record Certified Copy Fee	\$15.00	(Town retains \$4.00)
Subsequent Copies Fee	\$10.00	(Town retains \$3.00)

This office provides certified copies of births from 1985, marriages from 1989, and deaths and divorces from 1990 forward that occurred anywhere in New Hampshire. Prior to these dates, records must be issued from the Town or City where the event occurred. Old volumes of genealogical records may be viewed during regular office hours or by appointment, and a microfilm reader is available by appointment as well.

<u>ELECTIONS</u>: Much planning and preparation went into holding three elections this year. We accept filings for Town office, prepare town ballots to be printed, accept new voter applications for the supervisor's of the checklist, process absentee ballot applications, and mail and track the absentee ballots. The ElectioNet Statewide Voter Database is maintained by this office in compliance with requirements set by the Secretary of State. Oaths of Office are administered to newly elected town officers and officials throughout the year. Our polling place was returned to Town Hall this year through the combined efforts of the Town Hall Building Committee and permission from the Secretary of State's Office. Some alterations were made to the meeting room and voters seemed pleased with the change. The elections held in 2010 were:

Town Election	March 9	623 votes cast	58% participation
State Primary	Sept. 14	387 votes cast	36% participation
State General	Nov. 2	837 votes cast	76% participation

There should be just one election in 2011—Town Election, March 8. I have, however, budgeted for a Presidential Primary in the event that the Secretary of State moves the election ahead to December to maintain New Hampshire's first-in-the-nation primary status. Grateful thanks go to our dedicated election workers, new and old, who put in long hours to assure that the election process flows smoothly and that votes are tallied correctly.

<u>2010 TAX AND CLERK COLLECTIONS</u>: Total collections were \$5,075,578.97. In addition to the \$4,749,397.67 collected in taxes, interest and penalties, and \$241,017.17 collected for Clerk transactions, \$85,164.13 was collected for the State of NH Division of Motor Vehicles and deposited directly into their account.

<u>TAXES</u>: Liens were placed on 26 properties on May 6, 2010 for unpaid 2009 taxes. By year's end 10 of those liens had been redeemed (paid) and 94% of the 2010 property taxes had been paid. No properties were deeded to the Town. Pre-payments are accepted at any time in any amount during the year. If your taxes are overdue, please don't feel that you have to wait until you are able to pay the whole amount. Partial payments will help to lower interest. Again this year the State of NH Department of Revenue Administration will be offering Low and Moderate Income Homeowners Property Tax Relief. Please contact the office for more information to see if you may qualify to receive a refund on a portion of the State Education Property Tax. Forms should be available by April.

Respectfully submitted,

Sharon Teel
Certified Town Clerk/Tax Collector

TOWN REPORT NARRATIVE

In this section, we provide a brief overview of the proposed Town Budget followed by narrative explanations of each Article listed in the Warrant. Our intent is to help you make an informed vote by adding to your understanding of the requested appropriations. Articles 1 and 2, which are written in the Town Warrant, will be decided by ballot on Tuesday, March 8 at Town Hall. Voting hours are 10 A.M. to 7 P.M. All other Articles contained in the Warrant will be considered at the Deliberative Session on Wednesday, March 9, at the Sandwich Central School at 7:00 P.M.

The proposed 2011 total budgeted expenditure is in line with 2010 and in fact slightly down if adjusted to remove a photovoltaic project that is proposed to be fully funded with non-tax sources. We have maintained capital spending at 2010 levels and in line with the long term improvement schedule prepared by the CIP committee. On the wage front, we propose a five percent wage increase for employees but have instituted a policy of employees contributing to their increasingly expensive health insurance premiums resulting in a net wage increase on the order of three percent. This increase, results in a cumulative wage increase since 2008 of approximately 4.5%.

Based on the diligence of our Department Heads with their operating budgets, lower than budgeted cost for capital items, unanticipated revenue, and a relatively mild winter, we managed to create on the order of \$ 445,000 in surplus in 2010. This surplus will be used to offset some of our capital items within the 2011 budget and lower the tax rate when it is set in October.

ARTICLE 3. The General Government portion of the budget is down \$ 3,400 compared to last year. While the Town Office's operating budgets show an increase due to higher wages and an anticipated increase of 13.9% to the health insurance premiums, a few line items within this general category are significantly lower: Revaluation, Property Appraisal, Legal Expenses, and Election. The second year of data verification towards the 2014 Revaluation is not as cumbersome for our Assessors, nor is there as much to do with our general assessing due to fewer building permit applications. We've managed to keep our legal expenses down due to fewer tax abatement issues and will continue to actively manage this line item in 2011. An increase to the Town Hall Building budget is due to more hours expected by the contract maintenance man.

ARTICLE 4. Several years ago the Town decided to approach our state-mandated Property Revaluation by spreading the data verification process and cost out over five years. No longer having to pay a lump sum payment for our Revaluation eliminates the need for a Capital Reserve to help offset its costs. The funds left in the Property Revaluation Capital Reserve will be used to offset the data verifications costs in 2011 (see Article 3), and then this fund will be dissolved.

ARTICLE 5. Our Town Archivist will continue to organize, record, and file our important Town records in 2011. The Alfred Quimby Fund Trustees have generously agreed to fund this project.

ARTICLE 6. Both the Selectmen's Office and the Town Clerk/Tax Collector's office are in need of new office chairs and furniture. The furniture chosen is made in the USA with recycled materials, and is priced low enough to receive State bid consideration. The new furniture layout will also provide more efficient space within these two offices. A portion of the cost of this purchase is funded by the Doris L. Benz Trust.

ARTICLE 7. The Technology Committee spent several months researching the best options for GIS computer software to better display town maps and relevant Land Use information. Because some local Land Use organizations already utilize GIS technology and are willing to share their maps, the committee recommends as a necessary first step that we replace the Meeting Room computer with a desktop system that is capable of running the free version of ArcViewer. The purchase of this new desktop computer will be fully funded by the White Sylvania Trust (from deferred revenue) and the Office Equipment Expendable Trust.

ARTICLE 8. The Town Hall Building Committee (THBC) initiated both an energy audit and State Fire Marshall inspection on the Town Hall in 2010. Based on the information contained in these reports, the THBC has compiled a list of improvements that are necessary before any interior building upgrade takes place. In 2011 this committee will finalize a schematic design for the interior upgrade of the building making better use of its space, and making it handicapped accessible throughout. This design will then be reviewed by licensed professionals to cost out the final project.

ARTICLE 9. The Police Department worked hard at keeping their proposed operating budget down for 2011, even with a request for more coverage by Special Officers. Line items reduced for 2011 include Training, Uniforms, and the hours of the Beach Enforcement Officer.

ARTICLE 10. The Town's Hazard Mitigation Plan specifically states the need for the Town to establish an emergency shelter location. The Sandwich Central School is the best choice for a shelter: however, it needs a back-up generator. The Town has applied for a FY10 Homeland Security Grant to fund the cost of a new back-up generator. If the Town is denied this grant and fails to secure other grant funding, this Article is null and void. Both the White Sylvania Trust and Alfred Quimby Fund have offered to help offset the cost of this purchase.

ARTICLE 11. The cost of this appropriation is based on a contractual agreement with Stewart's Ambulance Service.

- **ARTICLE 12**. The Fire Department's budget is comparable to their budget last year, with the exception of a request to increase the volunteer reimbursement line by \$10,000. The volunteer's reimbursement amount has not increased since 2006.
- **ARTICLE 13**. The Fire Ponds will continue to be repaired in 2011, paid for with funds from the Fire Pond Capital Reserve.
- **ARTICLE 14**. The roof at the Central Fire Station is in need of replacement. A replacement in 2011 is especially timely due to the potential installation of a photovoltaic array on the roof as described below.
- ARTICLE 15. The Energy Committee has worked hard in their research and application for the funding of this solar photovoltaic system at the Central Fire Station. The 11kw array will offset approximately 91% of the annual electricity use at the station, a \$ 2,200 per year value. The Town has already been awarded an \$8,075 rebate from the Public Utilities Commission towards the materials for this project, the Alfred Quimby Fund will donate \$5,000, private donors will contribute \$1,500 and the Community Development Finance Authority (CDFA) granted the Town a low interest 10 year loan for the balance of the cost. All equipment will be provided at cost, thanks to Frase Electric, and all labor for the installation of the project will be donated by members of the Energy Committee.
- **ARTICLE 16**. This Article was submitted as an alternative to Article 15 if a 10-year loan with CDFA is unacceptable. The loan amount of \$27,425 would instead be raised by general taxation.
- **ARTICLE 17**. The Highway Department's operating budget only increased by \$26,000 in 2011. \$13,000 of that is attributed to the wage increase and the other \$13,000 is attributed to the health insurance premium increase.
- **ARTICLE 18**. The paved road project in 2011 will be the repair of Palmer Hill Road and a portion of Mountain Road. The balance of Mountain Road will be repaired in 2012.
- **ARTICLE 19**. The repair of Maple Ridge Road is near complete; it requires a finish coat of pavement to maximize its expected life. A topcoat of pavement could extend the life about 20 years.
- **ARTICLE 20**. The box culvert on Woodland Road is in need of replacement. In 2011 the Town will hire a specialist to complete the NH Department of Environmental Services Wetlands Permit so this culvert can be replaced in 2012.

ARTICLE 21. The Transfer Station's operating budget is one of the few that went down from last year. Based on the switch to Single Stream Recycling, the hauling amount in the budget was reduced. We are required to continue monitoring our closed Landfill on water quality and conditions of the cap. The cost for this monitoring is offset by our Landfill Monitoring Capital Reserve.

ARTICLE 22. The concrete pad in front of the compactors at the Transfer Station needs to be repaired and extended so Waste Management can better switch-out the containers for hauling. Foul weather seasons currently pose a dilemma.

ARTICLE 23-24. The Trustees of the Trust Funds studied the purpose and frequency of use of some of our current Capital Reserves in order to pare down the number of funds they manage. Two funds that have not been used recently, or that no longer seem to serve a purpose, are the Landfill Expansion Capital Reserve and the Dump Fund Capital Reserve. The switch to Single Stream Recycling greatly reduces the need for more space at our Transfer Station. The funds left in the Dump Fund will be used to offset the concrete pad extension.

ARTICLE 25. The Concord Regional Resource Recovery Cooperative (the "Coop") is a non-profit voluntary corporation which already consists of 32 municipalities located in central New Hampshire. The Coop is pursuing the construction of a single stream recycling facility located off of I-93 (Exit 17) in Concord. By joining this Coop, Sandwich will be part of this municipally owned facility and will be part of the revenue/cost sharing. No capital outlay is required, and we are guaranteed acceptance of our recyclables for 15 years. The facility will be state-of-the-art "green", LEED certified.

ARTICLE 26. This article is by petition from the Sewer Commissioners and covers their operating expenses and deposits to the Capital Reserve, which will be used for the reconstruction of the leachfield and other system components.

ARTICLE 27. The Center Sandwich Sewer system was completed in 1987. Now some 24 years later we believe it is time to do an engineering assessment of our Central Sewer System to ensure it can continue to meet the needs of the town well into the future. The study will address capacity, infiltration and usage and determine if there are any problems about which we should be aware. In response to a Request for Proposals, NH engineering firms have provided us with cost estimates and suggested the scope for this study.

ARTICLE 28. This is our annual article allowing a few residents of Albany living in Wonalancet to use our Transfer Station because of its proximity. Albany is billed each year for their use.

ARTICLE 29. The Parks & Recreation Department had a reduced budget in 2010 because at the time the budget was prepared it was clear we would be short staffed for the first few months of the year. For 2011 we have budgeted on being fully staffed for the entire year. Year on year increase in the budget is primarily due to increased staffing and increases in health insurance premiums. Our new Director is excited about offering new programs for young and old alike, making improvements to Sunshine Park, offering more music and crafts, and getting down to basics with a focus on coaching skills. The Lifeguards will man our town beach seven days a week this summer so there will be coverage on busy weekends. We truly appreciate the Alfred Quimby Fund continuing to support this department by contributing \$30,000 to offset operating expenses. This budget now covers the groundskeeping of Quimby field which was budgeted elsewhere in previous years.

ARTICLE 30. There are three components to this Groundskeeping article which keep our downtown area maintained: General groundskeeping, winter sidewalk maintenance, and roadside snow removal to provide downtown parking along Main and Maple Streets. The Parks and Recreation Director has volunteered to mow Quimby Field during the summer which saves the Town approximately \$5,000 from this budget last year.

ARTICLE 31. The Alfred Quimby Fund is once again funding the ongoing repair and maintenance of Quimby Field. After meeting with a Field professional, our Parks and Recreation Director is more knowledgeable about just what it takes to keep the field in good shape and for less money.

ARTICLE 32. The swim raft nearly fell apart once it was removed from Squam Lake this past fall. Our Parks and Recreation Director has priced out rebuilding this raft, and part of the cost will be funded by the Bicentennial Trust.

ARTICLE 33. A few minor repairs and new extensions are required for the backstop at Quimby Field. The safety of the players and spectators is our key motivation, as well as those Post Office windows which seem to be magnets for those unintended stray balls.

ARTICLE 34. Our Tid-Tech cross-country ski trail groomer is in need of replacement. Parks and Recreation donations collected in 2010 will fund most of this purchase, as well as (deferred) revenue from the Alfred Quimby Fund.

ARTICLE 35. The Winter Trails Network Expendable Trust has not been used in many years. We used the remaining funds in 2010 (\$454) to offset some trail work at Sunshine Park.

ARTICLE 36. The Conservation Commission has general expenses for maintaining and monitoring town easements and watersheds. They also fund the Five Days of Sandwich, a three week program during the summer for children ages 10-14. After studying the history of expenditures over the last few years, the Conservation Commission budgeted less for the operating expenses of the Five Days of Sandwich program.

ARTICLE 37. Based on the recommendations of the CIP Committee and their 20 year capital plan, the Selectmen decided once again to invest in future capital projects by depositing funds into our Capital Reserves.

ARTICLE 38. The Marjorie Thompson Trust may be used to assist children of Sandwich with the costs of their education. This is an annual article.

ARTICLES 39 - 48: These are petitioned articles requiring the signatures of at least twenty-three registered voters in Sandwich in order to be placed on the Warrant. Brief descriptions are as follows:

Samuel H. Wentworth Library: The Library Trustees once again submitted a petition for their 2011 budget of \$64,329 with the breakdown as follows:

Operating Budget: \$56,829 Trust Fund Management: \$7,500

Starting Point: A non-profit organization serving victims of domestic and sexual assault in Carroll County. Services include a 24-hour hotline, emergency shelter, court and hospital advocacy, support groups and education. All services are at no charge.

Tri-County Community Action: Community contact program which provides necessary services to Sandwich residents if they are financially unable to do so. They provide fuel and electric bill assistance, emergency shelter, and support several food pantries.

Community Food Bank – St. Andrews: Furnishes food to Sandwich and other neighboring communities as needed every other week. They also provide needy families with both Thanksgiving and Christmas food baskets.

Northern Human Services: This organization provides services to Sandwich residents who are unable to pay the full cost of their mental health care. They also provide a 24-hour emergency service as a public safety function to the community.

Moultonboro/Sandwich Senior Meals: This Sandwich Senior Meals program (Meals on Wheels) is run under Ossipee Concerned Citizens and provides homedelivered meals to area residents as well as hot meals served at the Benz Center and Moultonboro Lions Club.

Winnipesaukee Wellness Center: A health and fitness center providing necessary monitoring, testing, and training for improved health.

Doris L. Benz Community Center: Our local community center that provides a gathering place for private parties, meetings of clubs, social groups, Town government, charitable organizations, exercise and musical groups, and more.

VNA Hospice of Southern Carroll County and Vicinity, Inc.: Visiting Nurse and Hospice organization which provides home health care to those who are in need.

Loon Preservation Committee: A non-profit whose goal is to protect and nurture the loon population.

SANDWICH

TOWN

WARRANT

2011

2011 SANDWICH TOWN WARRANT

State of New Hampshire

Carroll County, S.S.

To the inhabitants of the Town of Sandwich qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 8th day of March 2011 from 10:00 A.M. until 7:00 P.M., to elect Town and Cooperative School District Officers by official ballot and vote by official ballot on the proposed amendments to the Town Zoning Ordinance, then on Wednesday, the 9th day of March 2011 at 7:00 P.M. at the Sandwich Central School to consider all other Town business; and if this meeting is reconvened, the date will be the 10th day of March 2011, at 7:00 P.M. at the Sandwich Central School to act upon the following articles:

ARTICLE 1. To elect by official ballot all necessary Town and Cooperative School District Officers for the ensuing year. On the ballot for the Town of Sandwich are the following positions:

Selectman for three years
Cemetery Trustee for three years
Trustee of Trust Funds for two years
Trustee of Trust Funds for three years
Sewer Commissioner for three years
Library Trustee for three years

ARTICLE 2. To see how the Town will vote by official ballot on the proposed amendments to the Town Zoning Ordinance as follows:

- 1. <u>Amend</u> ARTICLE IX Wetland Protection § 150-48 Permitted Uses. <u>Replace B. "Such uses might include the following:" with **B. "Regardless of the criteria set forth in paragraph A, the following uses are specifically permitted:", in order to help eliminate ambiguity by clarifying permitted uses in jurisdictional wetlands.</u>**
- 2. <u>Amend</u> ARTICLE XV Variances and Special Exceptions § 150-102 Special Exceptions.

Replace 150-102 A in it's entirety in order to clarify the differences between the Special Exception process administered by the Zoning Board of Adjustment, and the Site Plan Review process administered by the Planning Board. Also to clarify the order of the applications.

3. <u>Amend</u> ARTICLE XIII Personal Wireless Service Facilities § 150-76 Applicability

In order to clarify the application process for a Personal Wireless Service Facility, by adding the following final sentence:

"Common carrier wireless exchange access facilities are only permitted in the Rural/Residential District pursuant to issuance of a special exception prior to site plan review approval."

- 4. <u>Adopt</u> ARTICLE XVII Groundwater Protection § 150-111 through § 150-124 The purpose of this ordinance is to preserve, maintain, and protect from contamination existing and potential groundwater supply areas.
- 5. <u>Amend</u> ARTICLE XIII Personal Wireless Service Facilities § 150-80 Dimensional Requirements

The purpose of this amendment is to increase setback requirements for a Ground-mounted PWSF tower from a single-family residence.

Proposed by Petition. Not Recommended by Planning Board.

6. <u>Amend</u> ARTICLE XIII Personal Wireless Service Facilities § 150-80 Dimensional Requirements

The purpose of this amendment is to establish setback requirements for a Ground-mounted PWSF tower from historic structures and/or structures in historic districts.

Proposed by Petition. Not Recommended by Planning Board.

7. <u>Amend</u> ARTICLE XIII Personal Wireless Service Facilities The purpose of this amendment is to require the Planning Board to engage consultants to provide services to the Board for every PWSF application submitted.

Proposed by Petition. Not Recommended by Planning Board.

8. <u>Amend</u> ARTICLE XIII Personal Wireless Service Facilities § 150-78 Ground-mounted facilities: policy

The purpose of this amendment is to require applicants to provide more information regarding co-location options for the proposed tower.

Proposed by Petition. Not Recommended by Planning Board.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$401,637 for the following purposes:

General Government	\$ 356,307
Revaluation	\$ 15,000
Welfare	\$ 15,000
Debt Service	\$ 15,330

And to help fund this appropriation by withdrawing \$ 3,400 from the Property Revaluation Capital Reserve, and the balance to be raised by general taxation. The breakdown of the major categories is listed in the budget.

ARTICLE 4. To see if the Town will vote to discontinue the Property Revaluation Capital Reserve. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's General Fund.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$ 2,000 for the continuation of work by the Town Archivist and to fund this appropriation with a donation of \$ 2,000 from the Alfred Quimby Fund.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$ 10,500 for new office furniture for both the Selectmen's Office and Town Clerk/Tax Collector's office and to fund this appropriation with a withdrawal of \$ 4,000 from the Doris L. Benz Trust and the balance to be raised by general taxation.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$1,200 for the purchase of a new computer and monitor for the Town Hall Meeting Room to better display GIS maps and information, and to fund this appropriation with a transfer of \$1,000 from the unexpended fund balance of 12/31/10 which equals the use of (deferred) revenue from the White Sylvania Trust (\$1,000), and a withdrawal of \$200 from the Office Equipment Expendable Trust.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$ 22,000 for energy and fire code improvements to Town Hall, and for architect and engineering review of improvements as proposed by the Town Hall Building Committee; and to fund this appropriation with a withdrawal of \$ 22,000 from the Town Hall Building Expansion Capital Reserve.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$ 227,957 for the Police Department for the following purposes:

Police Department \$ 227,432 DARE Program \$ 525

The DARE program will be funded by withdrawing \$ 525 from the Robert Ramirez Trust Fund and the balance to be raised by general taxation.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$ 76,000 for the purchase of an emergency back-up generator for the Sandwich Central School establishing it as the Town's emergency shelter; and to fund this appropriation with a donation of \$ 1,000 from the White Sylvania Trust, a donation of \$ 5,000 from the Alfred Quimby Fund, and a FY10 Homeland Security Grant, or equivalent grant, of \$ 70,000. If the FY10 Homeland Security Grant is not awarded to the Town, and alternate funding is not available, this Article is null and void.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$ 57,986 for ambulance service.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$145,186 for Fire Protection.

Fire Department \$ 143,136 Forest Fires/Red Hill Tower \$ 2,050

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$20,000 for the purpose of Fire Pond repair and to fund this appropriation by a withdrawal of \$20,000 from the Fire Pond Capital Reserve.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$28,000 for the purpose of replacing the roof at the Central Fire Station.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$42,000 for the purchase and installation of an eleven kilowatt (KW) solar photovoltaic system at the Central Fire Station and to fund this appropriation with a rebate of \$8,075 from the NH Public Utilities Commission, a donation of \$5,000 from the Alfred Quimby Fund, donations of \$1,500 from private donors, and by authorizing a 10-year loan of \$27,425 from the Community Development Finance Authority; and to authorize the Selectmen to accept additional donations or grants for this project. (2/3 majority ballot vote required.) The Selectmen recommend passage of this Article.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$42,000 for the purchase and installation of an eleven kilowatt (KW) solar photovoltaic system at the Central Fire Station and to fund this appropriation with a rebate of \$8,075 from the NH Public Utilities Commission, a donation of \$5,000 from the Alfred Quimby Fund, donations of \$1,500 from private donors, and the balance to be raised by general taxation; and to authorize the Selectmen to accept additional donations or grants for this project. This Article to be passed over if Article 15 is approved.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$ 672,934 to pay for expenditures for Highways, Streets and Bridges.

Highway, Streets and Bridges	\$ 672	2,093
Notch/Dale Road State Payment	\$	841

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$200,000 for the repair of Palmer Hill Road and a portion of Mountain Road and to fund this appropriation by the withdrawal of \$65,000 from the Highway, Streets and Bridges Capital Reserve Fund, a transfer of \$75,000 from the unexpended fund balance (surplus) as of 12/31/10, and the balance to be raised by general taxation.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$ 100,000 for the purpose of applying a finish coat of pavement to Maple Ridge Road, and to fund this appropriation by a transfer of \$75,000 from the unexpended fund balance (surplus) as of 12/31/10, and the balance to be raised by general taxation.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$5,000 to cover the costs of the application process for the State Wetlands Permit in order to replace the box culvert on Woodland Road.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$ 123,595 for expenditures on Sanitation.

Transfer Station	\$1	18,963
Landfill Monitoring	\$	3,000
Household Hazardous Waste	\$	1,632

The Landfill Monitoring cost of \$3,000 will be funded by a withdrawal from the Landfill Monitoring Capital Reserve Fund and the balance to be raised by general taxation.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$12,000 for an extension of the concrete pad in front of the compactors at the Transfer Station, and to fund this appropriation with a withdrawal of \$1,073 from the Dump Fund Capital Reserve and a transfer of \$10,927 from the unexpended fund balance (surplus) as of 12/31/10.

ARTICLE 23. To see if the Town will vote to discontinue the Landfill Expansion Capital Reserve. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's General Fund.

ARTICLE 24. To see if the Town will vote to discontinue the Dump Fund Capital Reserve. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's General Fund.

ARTICLE 25. To see if the Town will vote to authorize the Board of Selectmen to negotiate and enter into a 15-year contract with the Concord Regional Resource Recovery Cooperative (the "Coop") for the purpose of single-stream recycling. (2/3 majority vote required.) The Selectmen recommend passage of this Article.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$22,700 for expenses related to the Central Sewer System, the breakdown as follows: 1. \$17,200 for the operation and maintenance of the Central Sewer System, and 2. \$5,500 for deposit into the Sewer Capital Reserve Fund for the purpose of reconstruction of the leach field and other system components. These monies to be derived from sewer user fees. This article by request of the Sewer Commissioners. The Selectmen recommend passage of this Article.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$ 11,000 for the purpose of an engineering study of the Central Sewer System.

ARTICLE 28. To see if the Town will approve the use of the Sandwich Recycling Center by residents of the Wonalancet section of Albany. The Town of Albany to furnish a list of approved residences for which they will pay the Town an annual fee of \$125 for a year-round residence and \$100 for a seasonal residence. The revenues to be deposited to the General Fund.

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$131,429 for Culture and Recreation.

Parks and Recreation	\$ 1	110,529
Old Home Week	\$	2,500
Patriotic Purposes	\$	6,400
Independent Program	\$	12,000

And to help fund this appropriation with the donations of \$30,000 from the Alfred Quimby Fund, \$500 from the Lena Nelson Trust, \$12,000 to be funded by the fees generated by the Independent Program, monies generated by program fees and donations, and the balance to be raised by general taxation.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$ 29,520 for the purpose of Groundskeeping, plowing for roadside parking, and winter sidewalk maintenance.

Groundskeeping \$15,520 Snowblowing for Roadside Parking \$2,000 Winter Sidewalk Maintenance \$12,000

And to help fund this appropriation with a donation of \$ 3,420 from the Alfred Quimby Fund, and the balance to be raised by general taxation.

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$ 2,000 for the repair and maintenance of Quimby Field, with said funds for the project to come from a donation from the Alfred Quimby Fund.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$ 3,500 for the materials and labor to build a new swim raft for Squam Beach, and to help fund this project with a withdrawal of \$1,800 from the Bicentennial Trust and the balance to be raised by general taxation.

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of \$ 3,700 for the repair and addition to the backstop on Quimby Field.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of \$ 5,395 for the purchase of a ski trail groomer and to fund this appropriation with a transfer of \$ 5,395 from the unexpended fund balance of 12/31/10 which equals the accumulated donations to the Parks and Recreation Department in 2010 and the use of (deferred) revenue from the Alfred Quimby Fund, and to authorize the Selectmen to sell or trade the Tid-Tech groomer and use the proceeds toward this appropriation.

ARTICLE 35. To see if the Town will vote to discontinue the Sandwich Winter Trails Network Trust Fund. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's General Fund.

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of \$ 7,018 for the following purposes for Conservation:

Conservation Commission Operating Expenses \$ 1,650 5 Days of Sandwich Conservation Camp \$ 5,368

The 5 Days of Sandwich Conservation Camp to be partially funded by a withdrawal of \$3,000 from the Coolidge Trust, and from approximately \$1,000 in camper fees, and the balance to be raised by general taxation.

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of \$ 219,887 to be added to existing Capital Reserve Funds as follows:

Highway Equipment Capital Reserve	\$ 50,000
Highway, Streets & Bridges Capital Reserve	\$100,000
Police Equipment Capital Reserve	\$ 20,000
Fire Equipment Capital Reserve	\$ 25,000
Rescue Vehicle Capital Reserve	\$ 5,000
Town Buildings Expendable Trust	\$ 17,500
Office Equipment Expendable Trust	\$ 2,387

The Selectmen recommend passage of this Article.

ARTICLE 38. To see if the Town will vote to authorize the Selectmen to expend income from the Marjorie Thompson Fund as they see fit, for the benefit of children of Sandwich residents.

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of \$64,329 for the support of the S.H. Wentworth Library

Operating Budget \$56,829 Trust Fund Management \$7,500

This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of \$ 625 in support of Starting Point, which provides crisis services to the victims of domestic and sexual violence and their children. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 41. To see if the Town will vote to raise and appropriate the sum of \$4,000 for Tri-County Community Action for the purpose of continuing services of the Fuel Assistance Program for the residents of Sandwich. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 42. To see if the Town will vote to raise and appropriate the sum of \$1,000 for the Community Food Center at St. Andrew's. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 43. To see if the Town will vote to raise and appropriate the sum of \$ 716 to assist the Northern Human Services, The Mental Health Center (formerly Carroll County Mental Health). This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 44. To see if the Town will vote to raise and appropriate the sum of \$7,000 for Moultonboro-Sandwich Senior Meals Program (formerly Meals on Wheels and Sandwich Congregate Meals). This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 45. To see if the Town will vote to raise and appropriate the sum of \$ 3,000 for the Winnipesaukee Wellness Center. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 46. To see if the Town will vote to raise and appropriate the sum of \$ 2,000 for the Doris L. Benz Center. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 47. To see if the Town of Sandwich will vote to raise and appropriate the sum of \$2,834 for the annual support of services provided to the citizens of this community by the Visiting Nurse Association and Hospice of Southern Carroll County and Vicinity, Inc. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 48. To see if the Town will vote to raise and appropriate the sum of \$1,000 for the Loon Preservation Committee. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 49. To transact any other business that may legally come before said meeting.

Given under our hands and the Seal of the Town of Sandwich this 17th day of February 2011.

Respectfully submitted,

Leo D. Dwyer, Chairman Willard G. Martin Gerard J. Gingras

Board of Selectmen

NOTES PAGE

2010 TOWN OF SANDWICH MEETING MINUTES

The first session of the 247th Sandwich Town Meeting was held on March 9, 2010 at the Sandwich Town Hall. At 10:00 A.M., Moderator Lee Quimby called the meeting to order and announced there would be no smoking, loitering or politicking in the building. He read the notarized attestation signed by Russell S. Johnson, Leo D. Dwyer, and Willard G. Martin, Sandwich Board of Selectmen, certifying that on February 22, 2010 an attested copy of the within Warrant was posted at five public places in said Town. He stated that the meeting would be held in two sessions with Articles One and Two, as well as the Inter-Lakes School Ballot, being voted on today, and the second session to be held tomorrow evening to consider and vote on articles 3 to 51. Mr. Quimby began reading the 2010 Warrant and at the conclusion of Article Two, Willard Martin moved to suspend the reading of the remainder of the Warrant until tomorrow evening. Nina Eaton seconded and the motion was voted affirmative. Leo Dwyer moved to vote on Articles 3 through 51 at the second session to be held Wednesday night, March 10, 2010 at 7:00 P.M. at the Sandwich Central School. Janet Brown seconded and the motion was voted affirmative. The Moderator announced that absentee ballots would be processed at 1:00 pm this afternoon. Police Chief Douglas Wyman came forward to inspect the ballot boxes, found them empty and they were locked. The Moderator declared the polls open until 7:00 P.M. and the first voters were accepted at 10:05 A.M.

ARTICLE 1. To elect by official ballot all necessary Town and Cooperative School District Officers for the ensuing year.

569

Roger Merriman

Sandwich Results Cooperative School District Officers:

MODERATOR for 1 year

Lee W. Quimby 595

SCHOOL BOARD MEMBER/RESIDENT OF MEREDITH for 3 years

John R. Carty 154 Christopher A. Mega

SCHOOL BOARD MEMBER/RESIDENT OF CENTER HARBOR for 3 years

Rebecca A. Alosa 311 Sally Smith (write-in) 210

ARTICLE 2. To see how the Town will vote by official ballot on the proposed amendments to the Town Zoning Ordinance, as recommended by the Planning Board, as follows:

387

Are you in favor of the adoption of the following Amendments to the Town Zoning Ordinance proposed by the Planning Board as follows:

1. Adopt ARTICLE XVI: Small Wind Energy Systems. § 150-103 through §150-110. Creates an ordinance to address Small Wind Energy Systems to comply with current NH RSA's.

YES 483 NO 78

2. Amend ARTICLE V: Multiple Unit Structures § 150-31. Special Provisions E. Units per building. No multiple-unit building will contain more than five units. *Increase allowable number of units in a Multiple Unit Structure from 4 to 5, in order to conform to NH RSA 674:58 relative to Workforce Housing provisions.*

YES 396 NO 160

On March 10, 2010 at 7:00 P.M. Moderator Lee Quimby welcomed everyone to Sandwich Central School Grades K-6 for the second session of the 247th Sandwich Town Meeting. The prayer offered by Reverend Dr. Lee Rouner at the 2003 Town Meeting was read by Mr. Quimby for the invocation. Mr. Quimby asked the meeting to remember citizens who are no longer with us as he read the list from the Annual Town Report. Police Chief Douglas Wyman led the Pledge of Allegiance and Mr. Quimby led in the singing of the National Anthem. Mr. Quimby noted that registered voters must check in with the ballot clerks to receive a voter's card and then proceeded to introduce the Ballot Inspectors, Supervisor's of the Checklist, Town Clerk/Tax Collector, Deputy Town Clerk/Tax Collector, Administrative Assistant, Selectmen's Assistant, Assistant Moderator, Treasurer, Assistant Treasurer, Police Chief, Fire Chief, Interim Parks & Recreation Director, Road Agent, Selectmen, PA Operator, Microphone Runners, Budget Committee Members, and thanked all volunteers. Mr. Quimby made general announcements regarding use of the building and noted that 911 House Numbers crafted and donated by Sam Glenday were available in the lobby. Mr. Quimby noted that the New England Grassroots Environmental Fund had a display in the lobby and that sample insulation and light bulbs were being offered by the Sandwich Energy Committee. Mr. Quimby thanked the members of the Town Hall Building Committee

for their work to return voting to Town Hall and thanked Jim Mykland for taking down all the voting booths last night after polls closed. Mr. Quimby read the results of yesterday's voting of Town Officers, School District Officers and Proposed Amendments to the Zoning Ordinances. Voter turnout March 9 was 578 with 45 absentee ballots returned for a total of 623 votes cast, representing a 58% turnout. Mr. Quimby then read the total results of the Inter-Lakes School District ballot as follows:

Total Results Cooperative School District Officers:

MODERATOR for 1 year

Lee W. Quimby 1,690

SCHOOL BOARD MEMBER/RESIDENT OF MEREDITH for 3 years

John R. Carty 917 Christopher A. Mega 823

SCHOOL BOARD MEMBER/RESIDENT OF CENTER HARBOR for 3 years

Rebecca A. Alosa 1,208 Sally Smith (write-in) 292

ARTICLE 3. To see if the Town will determine by vote the compensation to the following officers and agents at the following rates:

Supervisors of the Checklist \$150/Town Meeting & Election

All other salaries and/or compensation of Town Officers to remain at last year's rates. Reimbursement for mileage to decrease to the IRS approved 2010 rate of 50 cents per mile or federal rate as adjusted during the year.

Motion by Carroll Bewley, second by H. Benjamin Bullard, voted affirmative.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$407,707 for the following purposes:

General Government \$ 374,707 Welfare \$ 15,000 Debt Service \$ 18,000

The breakdown of the major categories is listed in the budget.

Motion by Louis Brunelle, second by Walter Johnson, voted affirmative.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$ 17,500 for the following purposes: a structural engineering study of Town Hall and to upgrade the energy efficiency of that building; and to fund this appropriation with a withdrawal of \$ 17,500 from the Town Hall Building Capital Reserve, and to allow the Selectmen to accept any gifts and grants for this purpose and expend these toward the appropriation. **Motion by Richard Papen, second by James Gaisser, voted affirmative.**

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the purchase of two computers designated for the Selectmen's Office and for the Town Clerk/Tax Collector's Office; and to fund this appropriation with a withdrawal from the Town Office Equipment Expendable Trust.

Motion by Benjamin Shambaugh, second by Roger Plimmer, voted affirmative.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$6,100 for a new phone system for the Town Hall and to fund this appropriation with a donation from the Alfred Quimby Fund.

Motion by Betty Alcock, second by Susan Mitchel. Motion by Russell Johnson to amend the article to read [To see if the Town will vote to raise and appropriate the sum of \$ 3,800 for a new phone system for the Town Hall and to fund this appropriation with a donation from the Alfred Quimby Fund.] Second on amendment by Willard Martin. Amendment voted affirmative. Article 7 as amended voted affirmative.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$4,000 for the purchase of Avitar Motor Vehicle Software for the Town Clerk/Tax Collector's office.

Motion by Benjamin Shambaugh, second by C. Mary Cullen, voted affirmative.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$ 218,043 for the Police Department for the following purposes:

Police Department \$ 217,643 DARE Program \$ 400

The DARE program will be funded by withdrawing \$ 400 from the Robert Ramirez Trust Fund and the balance to be raised by general taxation.

Motion by Louis Brunelle, second by Roger Plimmer, voted affirmative.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$ 3,000 for a storage shed for the Police Department and to fund this appropriation with a donation from the Alfred Quimby Fund.

Motion by Deborah Plimmer, second by Nina Eaton, voted affirmative.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the purchase of new carpet for the Police Station and to fund this appropriation with a withdrawal from the Town Buildings Expendable Trust.

Motion by Walter Johnson, second by Susan Mitchel, voted affirmative.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$39,723 for a fully equipped 2010 Ford Expedition Police Cruiser and to fund this appropriation by the withdrawal of \$20,000 from the Police Equipment Capital Reserve, and to authorize the Selectmen to sell or trade the 2006 Chevy Impala and use the proceeds toward this appropriation, to transfer \$10,000 from the unexpended fund balance (surplus) as of 12/31/09, and the balance to be raised by general taxation.

Motion by John Davies, second by Nina Eaton, voted affirmative.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$62,465 for ambulance service.

Motion by Robert Miner, second by T. Guthrie Speers, voted affirmative.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$ 135,306 for Fire Protection.

Fire Department \$ 133,256 Forest Fires/Red Hill Tower \$ 2,050

Motion by Louis Brunelle, second by Abigail Hambrook, voted affirmative.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$ 19,525 for the purpose of Fire Pond repair and to fund this appropriation by a withdrawal of \$ 15,000 from the Fire Pond Capital Reserve and the balance to be raised by general taxation.

Motion by H. Benjamin Bullard, second by James Mykland, voted affirmative.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$ 647,892 to pay for expenditures for Highways, Streets and Bridges.

Highway, Streets and Bridges \$ 647,051 Notch/Dale Road State Payment \$ 841

Motion by Louis Brunelle, second by John Davies, voted affirmative.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$ 192,000 for the repair of Maple Ridge Road and to fund this appropriation by the withdrawal of \$ 80,000 from the Paved Roads Capital Reserve Fund, a transfer of \$ 40,000 from the unexpended fund balance (surplus) as of 12/31/09, and the balance to be raised by general taxation.

Motion by Margaret Merritt, second by C. Mary Cullen, after lengthy discussion voted affirmative.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$4,000 for the purchase of a Sander for the F350 Ford pick-up truck of the Highway Department.

Motion by Peter VanWinkle, second by Louis Brunelle, voted affirmative.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$ 143,000 for a Dump Truck with Plow and to fund this appropriation by the withdrawal of \$ 70,000 from the Highway Equipment Capital Reserve, the transfer of \$ 50,000 from the unexpended fund balance (surplus) as of 12/31/09, and the balance to be raised by general taxation.

Motion by C. Mary Cullen, second by Roger Plimmer. Motion by Leo Dwyer to amend the article to read [To see if the Town will vote to raise and appropriate the sum of \$ 143,000 for a Dump Truck with Plow and to fund this appropriation by the withdrawal of \$ 70,000 from the Highway Equipment Capital Reserve, the transfer of \$ 50,000 from the unexpended fund balance (surplus) as of 12/31/09, and to authorize the Selectmen to sell, trade, or surplus the Sterling 6-wheel Dump Truck and to apply those funds to the purchase of the new truck, and the balance to be raised by general taxation.] Second by Peter VanWinkle. Amendment voted affirmative. Article 19 as amended voted affirmative.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$ 125,544 for expenditures on Sanitation.

Transfer Station \$ 121,606 Landfill Monitoring \$ 2,400 Household Hazardous Waste \$ 1,538

The Landfill Monitoring cost of \$ 2,400 will be funded by a withdrawal from the Landfill Monitoring Capital Reserve Fund and the balance to be raised by general taxation.

Motion by Richard Papen, second by H. Benjamin Bullard, voted affirmative.

ARTICLE 21. To see if the Town will vote to expand the purposes of the existing Paved Roads Capital Reserve Fund by renaming it the Highway, Streets and Bridges (HSB) Capital Reserve Fund, to be used for the repair and construction of our roads and bridges. 2/3 majority vote required for approval.

Motion by H. Benjamin Bullard, second by Howard Cunningham, voted affirmative by 2/3 majority.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$62,000 for the purpose of bridge engineering studies.

Motion by Roger Plimmer, second by H. Boone Porter, voted affirmative.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$ 23,400 for expenses related to the Central Sewer System, the breakdown as follows: 1) \$ 17,900 for the operation and maintenance of the Central Sewer System; and 2) \$ 5,500 for deposit into the Sewer Capital Reserve Fund for the purpose of reconstruction of the leach field and other system components. These monies to be derived from sewer user fees. This article by request of the Sewer Commissioners. The Selectmen recommend passage of this Article.

Motion by Willard Martin, second by Carroll Bewley. Motion by Willard Martin to amend the article to read [To see if the Town will vote to raise and appropriate the sum of \$ 23,900 for expenses related to the Central Sewer System, the breakdown as follows: 1. \$ 18,400 for the operation and maintenance of the Central Sewer System, and 2. \$ 5,500 for deposit into the Sewer Capital Reserve Fund for the purpose of reconstruction of the leach field and other system components. These monies to be derived from sewer user fees. This article by request of the Sewer Commissioners.] Second by Duncan Porter-Zuckerman. Amendment voted affirmative. Article 23 as amended voted affirmative.

ARTICLE 24. To see if the Town will approve the use of the Sandwich Recycling Center by residents of the Wonalancet section of Albany. The Town of Albany to furnish a list of approved residences for which they will pay the Town an annual fee of \$ 125 for a year-round residence and \$ 100 for a seasonal residence. The revenues to be deposited to the General Fund.

Motion by James Twaddle, second by Frank Bates, voted affirmative.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$ 110,262 for Culture and Recreation.

Parks and Recreation	\$ 84,182
Old Home Week	\$ 2,700
Patriotic Purposes	\$ 7,380
Independent Program	\$ 16,000

And to help fund this appropriation with the donations of \$ 30,000 from the Alfred Quimby Fund, \$ 500 from the Lena Nelson Trust, \$ 16,000 to be funded by the fees generated by the Independent Program, monies generated by program fees, and the balance to be raised by general taxation.

Motion by Elizabeth Bates, second by H. Benjamin Bullard. Motion by Dale Mayer to amend the article to read [To see if the Town will vote to raise and appropriate the sum of \$ 110,262 for Culture and Recreation.

Parks and Recreation	\$ 84,182
Old Home Week	\$ 2,700
Patriotic Purposes	\$ 7,380
Independent Program	\$ 16,000

And to help fund this appropriation with the donations of \$ 30,000 from the Alfred Quimby Fund,

\$ 500 from the Lena Nelson Trust, \$ 16,000 to be funded by the fees generated by the Independent Program, monies generated by program fees, and to further help the funding of this article: \$ 2,890 (from surplus, the unexpended balance in the 2009 Culture and Recreation appropriation) to be used to reduce Town program fees charged to children of Sandwich residents, and the balance to be raised by general taxation.] Kathleen Green seconded and amendment voted affirmative. Article 25 as amended voted affirmative.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$ 34,595 for the purpose of Groundskeeping, plowing for roadside parking, and winter sidewalk maintenance.

Groundskeeping	\$ 20,595
Snowblowing for Roadside Parking	\$ 2,000
Winter Sidewalk Maintenance	\$ 12,000

And to help fund this appropriation with a withdrawal of \$ 500 from the Remick Park Trust, a donation of \$ 3,030 from the Alfred Quimby Trust, and the balance to be raised by general taxation.

Motion by Louis Brunelle, second by H. Benjamin Bullard. Motion by Julia Deak to amend the article to read [To see if the Town will vote to raise and appropriate the sum of \$ 34,595 for the purpose of Groundskeeping, plowing for roadside parking, and winter sidewalk maintenance.

Groundskeeping	\$ 20,595
Snowblowing for Roadside Parking	\$ 2,000
Winter Sidewalk Maintenance	\$ 12,000

And to help fund this appropriation with a withdrawal of \$ 400 from the Remick Park Trust, a donation of \$ 3,030 from the Alfred Quimby Trust, and the balance to be raised by general taxation.]

Leslie Johnson seconded and amendment voted affirmative. Article 26 as amended voted affirmative.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$1,715 to be added to the Parks and Recreation Expendable Trust Fund previously established. This sum to come from the unexpended fund balance (surplus) as of 12/31/09 and no amount to be raised from taxation. This amount is the equivalent of donations collected for this purpose in 2009. The Selectmen recommend passage of this Article.

Motion by C. Mary Cullen, second by Walter Johnson, voted affirmative.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$5,000 for the repair and maintenance of Quimby Field, with said funds for the project to come from a donation from the Alfred Quimby Fund.

Motion by James Mykland, second by Ashley Bullard. After lengthy discussion article voted affirmative.

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$ 2,000 for the purchase of a new ice rink liner and to fund this appropriation with a donation from the Alfred Quimby Trust.

Motion by Susan Speers, second by Louis Brunelle, voted affirmative.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$ 1,200 for the purchase of a snowblower for the Parks and Recreation Department.

Motion by Frank Bates, second by Elizabeth Bates, voted affirmative.

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$6,000 for the purpose of an Energy Upgrade at the S.H. Wentworth Library and to fund this appropriation with a withdrawal from the Library Expendable Trust.

Motion by Ronald Lawler, second by Howard Cunningham, voted affirmative.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$8,802 for the following purposes for Conservation:

Conservation Commission Operating Expenses \$ 1,950 5 Days of Sandwich Conservation Camp \$ 6,852

The 5 Days of Sandwich Conservation Camp to be partially funded by a withdrawal of \$3,000 from the Coolidge Trust, and from approximately \$1,000 in camper fees, and the balance to be raised by general taxation.

Motion by Benjamin Shambaugh, second by Donna Johnson, voted affirmative.

ARTICLE 33. Shall the Town vote to adopt the provisions of RSA 36-A:4-a, 1(b) to authorize the Conservation Commission to expend funds for contributions to 'qualified organizations' for the purchase of property interests, or facilitating transactions related thereto, where the property interest is to be held by the qualified organization and the

Town will retain no interest in the property. The Selectmen recommend passage of this Article.

Motion by Margaret Merritt, second by Lisa Scott, voted affirmative.

ARTICLE 34. To see if the Town will vote to raise and appropriate \$ 22,000 to complete the Master Plan update that was begun in 2009, and to allow the Selectmen to accept a donation of \$ 10,000 from the Alfred Quimby Fund for this purpose, and to further accept any other gifts and grants for this purpose and expend these toward the appropriation. The balance of this appropriation to be raised by general taxation.

Motion by H. Boone Porter, second by Deborah Plimmer, voted affirmative.

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of \$7,000 for the purpose of rebuilding the sidewalk in front of the Masonic Lodge and Mocha Rizing on Main Street, and to fund this appropriation with a donation from the Alfred Quimby Trust.

Motion by Janet Goldman, second by Ashley Bullard, voted affirmative.

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of \$ 246,000 to be added to existing Capital Reserve Funds as follows:

Fire Pond Capital Reserve	\$ 15,000
Highway Equipment Capital Reserve	\$ 100,000
Paved Roads Capital Reserve	\$ 60,000
(HSB Capital Reserve if Article 21 is approved)	
Police Equipment Capital Reserve	\$ 20,000
Fire Equipment Capital Reserve	\$ 25,000
Rescue Vehicle Capital Reserve	\$ 5,000
Town Hall Expansion Capital Reserve	\$ 20,000
Office Equipment Expendable Trust	\$ 1,000

The Selectmen recommend passage of this Article.

Motion by Peter VanWinkle, second by H. Benjamin Bullard, voted affirmative.

ARTICLE 37. To see if the Town will vote to rescind Article 18 from the 1982 Town Warrant which requires the Town to pay the full cost of Medical Insurance Premiums for its employees and eligible dependents.

Motion by Raymond Chappuis, second by Joanne Haight. After lengthy discussion Leslie Johnson moved the question, seconded by Wendy Chappuis. Article 37 voted affirmative.

ARTICLE 38. To see if the Town will vote to authorize the Selectmen to expend income from the Marjorie Thompson Fund as they see fit, for the benefit of children of Sandwich residents.

Motion by Elizabeth Bates, second by Howard Cunningham, voted affirmative.

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of \$ 52,844 for the support of the S.H. Wentworth Library.

Operating Budget \$45,344 Trust Fund Management \$7,500

This article by petition. The Selectmen recommend passage of this Article.

Motion by Lucinda Glenday, second by Rebecca Sinkler, voted affirmative.

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of \$857 in support of Starting Point, which provides crisis services to the victims of domestic and sexual violence and their children. This article by petition. The Selectmen recommend passage of this Article.

Motion by Leslie Jose, second by Betty Webster, voted affirmative.

ARTICLE 41. To see if the Town will vote to raise and appropriate the sum of \$4,000 for Tri-County Community Action for the purpose of continuing services of the Fuel Assistance Program for the residents of Sandwich. This article by petition. The Selectmen recommend passage of this Article.

Motion by Howard Cunningham, second by Walter Johnson, voted affirmative.

ARTICLE 42. To see if the Town will vote to raise and appropriate the sum of \$ 1,000 for the Community Food Center at St. Andrew's. This article by petition. The Selectmen recommend passage of this Article.

Motion by Ronald Lawler, second by John Davies, voted affirmative.

ARTICLE 43. To see if the Town will vote to raise and appropriate the sum of \$ 716 to assist the Northern Human Services, The Mental Health Center (formerly Carroll County Mental Health). This article by petition. The Selectmen recommend passage of this Article.

Motion by Leo Goldman, second by Richard Benton, Jr., voted affirmative.

ARTICLE 44. To see if the Town will vote to raise and appropriate the sum of \$7,000 for Moultonboro-Sandwich Senior Meals Program (formerly Meals on Wheels and Sandwich Congregate Meals). This article by petition. The Selectmen recommend passage of this Article.

Motion by Louis Brunelle, second by Howard Cunningham, voted affirmative.

ARTICLE 45. To see if the Town will vote to raise and appropriate the sum of \$3,000 for the Winnipesaukee Wellness Center. This article by petition. The Selectmen recommend passage of this Article.

Motion by Richard Papen, second by T. Guthrie Speers, voted affirmative.

ARTICLE 46. To see if the Town will vote to raise and appropriate the sum of \$1,000 for the Doris L. Benz Center. This article by petition. The Selectmen recommend passage of this Article.

Motion by Janet Goldman, second by Frank Bates, voted affirmative.

ARTICLE 47. To see if the Town of Sandwich will vote to raise and appropriate the sum of \$ 2,662 for the annual support of services provided to the citizens of this community by the Visiting Nurse Association and Hospice of Southern Carroll County and Vicinity, Inc. This article by petition. The Selectmen recommend passage of this Article.

Motion by Susan Speers, second by John Davies, voted affirmative.

ARTICLE 48. To see if the Town of Sandwich will vote to raise and appropriate the sum of \$2,000 for Community Wood Share to help in their efforts to provide wood to those Sandwich residents in need. This article by petition. The Selectmen's vote on recommending passage of this Article is 2 yes and 1 no.

Motion by Shawn Papp, second by Carroll Bewley, voted affirmative.

ARTICLE 49. To see if the Town of Sandwich will vote to raise and appropriate the sum of \$3,000 for the Carroll County Transit Project to support their initiative to bring public transportation into Carroll County. This article by petition. The Selectmen's vote on recommending passage of this Article is 2 yes and 1 no.

Motion by Ronald Lawler, second by Howard Cunningham. Motion by Howard Cunningham to amend the article to read [To see if the Town of Sandwich will vote to raise and appropriate the sum of \$3,000 for the Carroll County Transit Project to support their initiative to bring public transportation into Carroll County. That the disbursement of this money not occur prior to July 2, 2010, and be conditional based on the success of Winnipesaukee Transit's application to operate in the Laconia area for the year beginning July 1, 2010. This article by petition. It was verified that the Selectmen's vote on recommending passage of this Article remained at 2 yes and 1 no.] Second by Margaret Merritt. After lengthy discussion the vote was determined by division of the house and Article 49 as amended was voted affirmative.

ARTICLE 50. To see if the voters of the Town of Sandwich will vote to request that the Board of Selectmen form an Agricultural Commission, by the authority granted in RSA 674:44-e; and in accordance with RSA 673:4-b. The purpose of said Agricultural Commission shall be to protect agricultural lands, preserve rural character, provide a voice for farmers, and encourage agriculture-based businesses and activities. This article by petition. The Selectmen's vote on recommending passage of this Article is 2 yes and 1 no.

Motion by Robert E. Wright, second by Ashley Bullard, voted affirmative.

ARTICLE 51. To transact any other business that may legally come before said meeting. Howard Cunningham noted that staffing issues prevented the Loon Preservation Committee from getting their signed petitions to the Town and moved to raise \$1,000 for the Committee, representing the same amount funded in last year's warrant article. Mr. Quimby ruled that it would be illegal to vote on funding that was not included in the warrant. Mr. Quimby asked for an advisory vote on continuing to offer an invocation at future Town Meetings and the response was positive. Dan Cunningham, a Sandwich representative to the Inter-Lakes School Board, voiced his

concerns over their recent contentious budget session hearings. He felt that while most community members expressed their views with respect, a few went too far in their personal attacks against he and fellow board members who have served the community with pride as elected public servants. Retiring Supervisor of the Checklist, Nina Eaton, was thanked for her service and was presented with a gift at the polls yesterday. Retiring Selectman Russell Johnson was thanked for his years of service and was credited with being responsible for bringing single-stream recycling to the transfer station beginning May 15, 2010. Mr. Johnson was presented with gifts and received a standing ovation. There being no further business, the meeting adjourned at 10:23 P.M. A total of 172 registered voters attended the second session.

Respectfully submitted,

Sharon Teel, Town Clerk

~ The White Church ~

Built in 1825, the "White Meetinghouse" was built on the corner of Whiteface and Wing Roads. For well over eighty years, the Church was filled on Sundays, and in its heyday, the Sunday School had 150 children enrolled. In 1940, townsfolk and interested friends generously made necessary repairs to the 114 year old building. The building saw use only in the summer for a memorial service; once again, time and neglect took their toll. In 1961 the building was declared unsafe for use, and it was dismantled not too long after by Bob Peaslee.

SANDWICH FIRE DEPARTMENT

The Sandwich Fire/Rescue responded to 160 calls for service this year. Several medical aids and fires are the usual incidents with medical aids being the most frequent calls. Several fires we responded to were caused by carelessness, improper installation of heating equipment, or use of wood stoves. If you have questions about installations, please call the department and someone will advise you as to what you should do.

The ongoing training program the department has is continually keeping the members sharp on their skills. Firefighter Greene has finished his Firefighter II certification - congratulations to him for a job well done.

Remember, safety is always the first thing one should consider in the household. If you have any questions concerning any safety issues in your home or apartment you rent, please call the Fire Department, and we will try to help you the best we can. Remember, check the batteries in your smoke detectors and test your system frequently. Every home should have a carbon monoxide detector installed. Every year there are people that find themselves victims of carbon monoxide poisoning. It is needless and should not occur.

I would like to thank all the members of the department for their dedication and support. The Town of Sandwich should be very proud of its Sandwich Fire Department members as I am.

I would like to thank the Police Department - Chief Wyman and the other members of the department for their support during the year; the Highway Department for their ongoing support, and the area Fire Departments that provide mutual aid to the town; and the Selectmen as well as Cathy and Jennifer for their help during the year. Last, but not least, the people of the Town of Sandwich. Without your support there would be no Fire Department.

Respectfully submitted,

Louis G. Brunelle, Fire Chief

FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at www.nhdfl.org.

This past fire season had a slightly lower number of fires, as well as lower number of acres burned then the five (5) year average. What made this fire season somewhat unusual was that is lasted most of the summer. New Hampshire typically has a fairly active spring fire season and then the summer rains tend to dampen fire activity later in the season. As has been the case over the last few years, state budget constraints have limited the staffing of our statewide system of 16 fire lookout towers to Class III or higher fire dangers days. Despite the reduction in the number of days staffed, our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting was supplemented by contracted aircraft and the NH Civil Air Patrol when the fire was especially high. The largest fire for the season was 10.3 acre fire in Charlestown. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2010 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

2010 FIRE STATISTICS

All fires reported as of November 2010

Figures do not include fires under the jurisdiction of the White Mountain National Forest

CAUSES OF FIRES REPORTED

[~] ONLY YOU CAN PREVENT WILDLAND FIRE ~

SANDWICH POLICE DEPARTMENT

Police Chief: Douglas F. Wyman, Jr.

Sergeant: **Shawn J. Varney**

Special Officers: **Peter W. Beede, Jr.**

Joseph T. Canfield Thomas T. Riley

Prosecutor: **Dennis M. Davey**

Parking Enforcement Officer: Carrie M. Fair Administrative Assistant: Jennifer L. Wright

"Police should work in cooperation with the people they serve and members of that office should protect the rights, serve the needs, and earn the trust of the population they police."

Photo courtesy: DEA Special Agent Lisa Remick

~ Sir Robert Peel

I would like to start off this Town Report by thanking all of the residents of Sandwich for the support you show your police department everyday. The officers and I really appreciate it, and it makes a sometimes difficult job just that much easier. The quote cited above hangs on the wall at the Police Department. This is what we at your police department strive to do every day. By some of the e-mails and letters we have received at the Police Department and comments we have received from people on the street, I think we are accomplishing this goal.

2010 was a very busy and innovative year for the Police Department. If it seemed like you saw your officers out more this past year...it's because you did. The Police Department applied for and received three Patrol Grants totaling \$9,220, and they paid for the overtime patrols. The cost to you was \$ 0. The first grant, the School Zone Enforcement Grant, was received from the NH Highway Safety Agency. The second, the Enforcing Underage Drinking Laws Grant, was received from the NH Attorney General's Office, and the third was the Cooperative Law Enforcement Agreement with the U.S. Forest Service.

In our continuing effort to try and bring you the best law enforcement service possible, the department was able to provide the following services at minimal cost to the Town. In February, the Police Department became a participant in the A Child Is Missing Alert Program. This free service can call up to 1,000 phone numbers in under one minute notifying the public that the police department is requesting your help in finding a lost child. The Department utilized this service in June, and we had a successful outcome. The child was reunited with her family. The second is the New England State Police Information Network (NESPIN), which the department became a member of in March. This service, provided to law Enforcement at a cost of \$50.00 per year, provides equipment and technical assistance when requested. NESPIN also maintains a New England wide Pawn Shop Database.

The Officers of the department attended several training courses over the year, which included the following topics: Felony DWI investigation, NH Traffic Safety Conference, Responding To An Active Shooter, Tactical Pistol Course, Firearms Instructor, Special Education Laws, Responding to Crime Victims With Disabilities, Mass Antibiotic Dispensing: Public Information Officer, and Command Training School: Mid-Management.

The Police Department continues its public outreach programs, which include: Project Good Morning, D.A.R.E, Annual Holiday Toy Drive in cooperation with the North Sandwich Store, Winter Coat Program in cooperation with the Red Mountain Lodge, working with the Boy and Cub Scouts, Ice Cream Ticket and Safety Helmet Programs, and new this year - teaching flag etiquette to the 6th grade class!

The Police Department had a busy year, and the Department saw an increase in calls for service and call-outs. The downturn in the economy saw us responding to more property crimes, culminating in a 21% increase over 2009. This was evidenced in the series of burglaries our community faced in December. We did, however, see a decrease in crimes against persons and a slight decrease in motor vehicle crashes.

In closing, I would like to thank the New Hampshire State Police, the Carroll County Sheriff's Office, and the Moultonborough Police Department for their continued support and assistance, as well as the other law enforcement agencies that assisted us. Additionally, I would like to the Sandwich Fire Department for their continued support. Finally I would like to thank the Board of Selectmen, Cathy Graham, Jennifer Wright, Sharon Teel and Deb Brogley for their support and assistance throughout the year. **Remember:** See it, Hear it, Report it!

Respectfully submitted,

Douglas F. Wyman, Jr. Chief of Police

PARKS AND RECREATION DEPARTMENT

2010 was an excellent year for Parks and Recreation in the Town of Sandwich. The summer season was very busy with a packed tennis program and welcoming beaches. Beautiful sunny weather certainly played a significant role in making Old Home Week a well attended event, and Sandwich had its first ever reggae concert on the Fairground's stage.

Youth Sports: Providing learning experiences through sport is an important part of the recreational program in Sandwich. Youth are presently offered baseball, softball, tennis, golf, disc golf, basketball, soccer, Nordic and alpine skiing, snowshoeing, swimming lessons, and volleyball. It is the aim of this department to create a positive and competitive experience for all children while encouraging fun through mastery of various sports.

Parks: With Quimby Field as the focal point, a facelift for the town center is underway - the ball house is being renovated, an aggressive program to improve the soccer and baseball field playing surfaces has been started, and the future looks very bright for this well used space in the center of town.

and Coach Greene
L-R Front: Alice Quinn, Georgie Ducsai, Alyssa Floyd
Photo courtesy: Leo Greene Jr.

Future Initiatives: Looking forward, the Parks and Recreation Department is committed to maintaining the strong programs of the past and present, while creating more opportunities for residents. Theatre and the arts will be introduced in the coming year along with trips of all types. An effort to rebuild and organize many of the walking/cross country ski trails throughout town will be started making Sandwich an even more appealing place to spend time.

Volunteers: In a town like this, we are able to offer so much because of a wonderful hardworking volunteer base. Coaches, trail groomers, brush cutters, chaperones, and donors allow Sandwich to offer more for everyone than many towns twice the size. As Director, I offer a heartfelt thank you to all of those who have helped with Triathlons, Field Day, the skating rink, Quimby Field, and all of the other parts, which make up this vibrant department.

Respectfully submitted,

Leo Greene Jr. Parks and Recreation Director

HIGHWAY DEPARTMENT

The Highway Department was busy this year. A mild winter as far as snow; however, the damage from high winds certainly kept us occupied. There were a tremendous amount of downed trees for us to clean up this spring. Thankfully, "mud season" was also mild, and we were able to gravel and grade the roads before Memorial Day. The crew was kept busy replacing culverts cleaning ditches and culvert ends as well as clearing brush and hazardous trees.

In late summer, 3500 ft of Maple Ridge Road was redone: pavement reclaimed, culverts replaced, geotextile fabric installed, ditchlines cleaned and stabilized, and the roadbed was graded and repaved. If you have not taken a ride up in that neighborhood – check it out! The crew also completed the roadside mowing and replenishing our firewood supply.

A new addition to the Town's Highway Fleet arrived in the fall – a 2010 International Workstar (IHC). The new truck is equipped with a plow, a wing, and a sander. In order to make room for the new addition to the fleet, we said goodbye to the 1999 Sterling Truck, which was sold this summer.

My crew has had a couple of changes. We said goodbye to Mr. Doug LeBlanc and welcomed Mr. Robert Streeter to the team. My heartfelt thanks to my crew for all their hard work: Bill Quinn, Doug LeBlanc, Bob Goddard, Steve Dow, John Ames, and Robert Streeter. I would also like to thank the Board of Selectmen, the Town Office Staff, and the Transfer Station crew. Most of all, I would like to thank the residents and taxpayers of Sandwich for their continued support.

Respectfully submitted,

Colin E. Weeks, Road Agent

TRANSFER STATION

It has been an exciting year at the Transfer Station especially with the introduction of our Single Stream Recycling Program. Word around town is everyone likes it. No more sorting and more items can be recycled! If you do not have a copy of the expanded list of what can be recycled, stop by the Selectmen's Office or ask for one during your next visit to the Transfer Station. For those of you who love facts: Since the start of our Single Stream Program in May 2010, you have recycled 116 tons of recycled material opposed to 210 tons of municipal waste (a.k.a. trash). Although it is not an apples-to-apples comparison, especially since we recycle more types of material, in 2009 we reported 272 tons of municipal waste. Bottom-line, recycling is better for our environment as well as our pocketbooks. The more we recycle the less municipal waste we have to haul; on average in 2010, we spent about \$3120 per month in municipal waste fees (per ton charge, container fee, and hauling charge). Mike, John and I would like to express our thanks to everyone who has made this work and to keep up your recycling efforts! A special thank you to Russ Johnson, the former Selectman who got this whole program started.

We extend our thanks the Board of Selectmen, Colin Weeks, and Cathy and Jennifer for all their help and support this year.

Respectfully submitted,

Marilyn Read Transfer Station Supervisor

SANDWICH CEMETERY TRUSTEES

Private associations with their own organization, fees and rules govern the following cemeteries: Rural Cemetery (Baptist Church), Vittum Hill Cemetery, Little's Pond Cemetery, and the two Quaker cemeteries. All other cemeteries are the responsibility of the Town Cemetery Trustees.

By-Laws for Town Cemeteries:

- 1. The right to burial is reserved for Sandwich legal residents, taxpayers, and former residents. Borderline cases will be left up to the discretion of the Cemetery Trustees.
- 2. Cemetery lots may be purchased from the Trustees in accordance with the price schedule adopted by the Trustees.
- 3. Fees for both body and cremation burials shall be set by the Trustees. Lots that are not used by the purchaser of record or their family are to be returned to the Trustees and the Town of Sandwich, as a re-purchase per the original purchase price, per RSA 289:18.
- 4. Town cemeteries are open for burials, weather conditions permitting, from April 1 through November 15.
- 5. Trustees shall be notified before any and all burial plans are finalized.
- 6. Trustees will approve the gravedigger.
- 7. Trustees will provide a person to prepare the grave for a cremation lot.

In 2010, the Trustees welcomed volunteers from many sources in assisting us in general lot maintenance and repair. We continue to rely on and thank Jeffrey Brown for the general maintenance of the Mason Cemetery, and Jere Burrows for all other Town cemeteries. In addition, we would like to thank the Brown Family, and Ted and Beverly Stanier for their hours spent raking and stone cleaning, respectively, in the Mason Cemetery. We recognize and thank Terry Fifield, Heritage Program Leader of the White Mountain National Forest, who brought volunteers to work in the Quaker Cemeteries. Susan Wiley and her crew, in conjunction with the Red Mountain Lodge, helped to clean the Quaker Cemetery located on Wentworth Hill. Sandwich resident, Arthur George, continues to donate his masonry skills in stone repair. We thank him for his fine work. As in past years, we appreciate the help extended by Colin Weeks, Road Agent, and members of the Sandwich Highway Department.

Respectfully submitted,

Geoffrey A. Burrows Roger Merriman Suzanne Shevenell

CONSERVATION COMMISSION

The Conservation Commission continued to fulfill its mission, protecting the Town's natural resources, reviewing wetlands concerns, overseeing and maintaining the Bearcamp River Trail, supporting the 5 Days of Sandwich Day Camp, organizing and overseeing the first stage of the Beede Falls Park Restoration Project, and monitoring conservation easements to include the nine easements that are part of the New Hampshire Land Conservation Investment Program (LCIP).

We thank Selectman Leo Dwyer for serving as ex-officio member of the commission as well as all members and volunteers for their active participation in our major tasks. As of December, members included Bruce Burrows, Bob Coulter (Alternate), Helen Gingras (Secretary), Jocelyn Gutchess (Vice-Chair), Jon Jakubos (Alternate), Fred Lavigne, Peggy Merritt, Peg Ridgely, Priscilla Smith (Alternate), and Caroline Snyder (Chair). On November 6, three of our newer members attended all-day workshops at the Annual Meeting of the NH Association of Conservation Commissions.

We thank Dan Reidy for again directing another successful 5 Days of Sandwich Day Camp for youngsters 7-14 years of age. Dan was ably helped by Assistant Director, Louisa Bryant, as well as counselors-in-training Katy Trvalik, and Maddy and Alex Brackett. Campers learned about the natural and cultural history of the town through hiking and maintaining many trails, visiting Weed's Mills, and learning about lapidary work from Phil Parsons. They also were exposed to a number of current town efforts to protect the environment by visiting the Town's Recycling Center where Marilyn Read discussed waste management and single-stream recycling; and they learned about Carl and Milan McNall's solar heating systems. This popular and unique day camp is available every summer for children and grandchildren of parents, grandparents, and guardians who live in Sandwich.

The Beede Falls Park Restoration Project is proceeding on schedule. The first phase of the long-range plan to protect this town park is being financed by a grant from the New Hampshire Charitable Foundation matched by funds from the Conservation Commission. This summer, commission members installed a temporary fence and bridge to halt further damage from erosion and heavy use. Once the local and state permits are in place, bids for the actual work will go out in the spring. It is anticipated that construction will be funded through donations, grants, and Conservation Commission funds. We thank Jocelyn and Fred for their oversight of this project.

A major task of the Commission was the monitoring of the Town's Conservation Easements, including the properties currently protected by LCIP. On November 9, Steve Walker of the NH Office of Energy and Planning met with several members to participate in site walks and examine our LCIP files. A second field visit by Steve Walker took place at a special meeting December 18, specifically to address how to

monitor the complex Wentworth Hill/Emerson Easement with its many subdivisions. Jim Hambrook, who had done most of the surveys of these parcels, provided maps and valuable information.

In addition, the Commission provided the Planning Board with additional input with regard to protecting the vernal pools of the Berkowitz subdivision, signed off on a number of expedited permits for new driveways, made recommendations to the Master Plan Committee, and supported the Green Mountain Conservation Group's annual water testing program.

Respectfully submitted,

Caroline Snyder, Chair

ENERGY COMMITTEE

Volunteers formed the Sandwich Energy Committee (SEC) during the winter of 2008 when a number of residents interested in this subject began to meet in response to a warrant article approved at Town Meeting in March 2007. The article encouraged the formation of a Town Energy Committee to recommend local steps to save energy and reduce carbon emissions.

The committee was established as an ad hoc committee and adopted this Mission Statement: The mission of the Sandwich Energy Committee is to promote energy conservation and the use of renewable resources for municipal, business and home use for the townspeople of Sandwich.

In accordance with this mission, the SEC has engaged in the following:

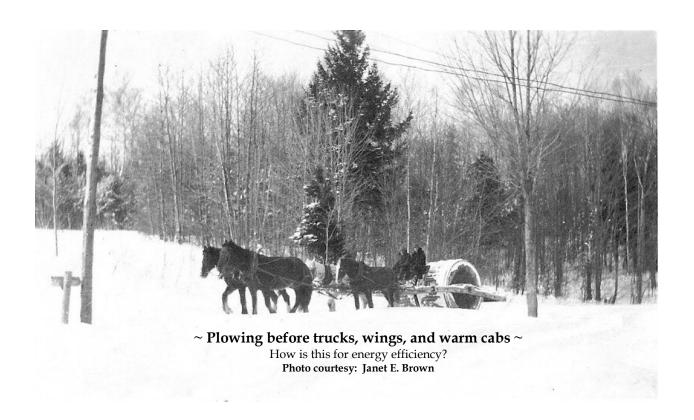

- Handed out compact florescent bulbs and insulating pipe foam to 250 residents in March. The cost for these items was paid for by a grant from New England Grassroots Environmental Fund.
- Organized a local component of the New England Green Buildings Open House Tour in October. This annual event allows residents to visit neighbors to see how they are saving on energy costs with solar heated hot water, geothermal heat pumps, hydro- and solar-generated electricity and more.
- Continued posts on the Sandwich Board to share information about rebates and other issues that can help residents and businesses save money through improved conservation and efficiency of their homes and businesses. In addition, we consulted on various energy questions that residents sent our way.
- Worked with the Selectmen to replace the broken boiler in the Central Fire Station with an efficient upgrade and to redesign the hot water system in the building. We secured a \$5000 grant from the NH Electric COOP to offset the cost of the new equipment. The anticipated savings in oil and electric consumption from the new system will result in lower energy consumption and costs for this building for many years to come.
- Continued the collection of residential renewable energy use data (wood, passive solar, PV, solar hot water, hydro) and municipal energy data. This information will help to make strategic plans for how to lower energy use costs in all municipal buildings.

- Developed the first municipal renewable energy proposal for the town - a solar photovoltaic array for generating electricity at the Central Fire Station. This project appears on the Town Warrant this year.

The Committee wishes to thank the Board of Selectmen for its assistance and encouragement and looks forward to future cooperation in our efforts to promote energy conservation, efficiency, and planning for the benefit of the citizens of Sandwich. The Committee is a grassroots effort and invites anyone with an interest in energy-related issues to join the work of the SEC, which meets every third Wednesday in Town Hall at 7:30 PM. For more info email us at sandwichenergy@cyberpine.net.

Respectfully submitted,

The Sandwich Energy Committee

HISTORIC DISTRICT COMMISSION

The Historic District Commission (HDC) handled sixteen (16) applications in 2010. Applications included the following issues: windows (4); construction/renovation shed/garage (3); signage (3); chimney removals (2); painting (2); building demolition (1); exterior stairs/ADA ramp (1); fence (1); and propane tank (1).

The HDC presented recommended changes to the draft Village Center Chapter of the Master Plan Update (MPU). The HDC held two public work sessions. The first one in June resulted in a detailed letter to the Master Plan Update Subcommittee (MPUS). This letter, dated July 22, 2010, presented the HDC position regarding the draft Village Centers Chapter, and included recommended objectives and associated actions along with the basis for the HDC recommendations that were founded in the community survey and the HDC survey results. A second public work session was held in August. There were 31 citizens in attendance at this meeting and provided a broad support for the HDC positions regarding the Village Centers Chapter. The HDC then worked with the MPUS during the fall to create more reasonable objectives and actions. The HDC did not provide a review of the body of the chapter.

I want to thank the members of the HDC for their many volunteer hours they have contributed to the preservation of historic Sandwich. The HDC wants to thank the property owners within the Historic District for working with the Commission throughout 2010.

Respectively submitted,

Thomas C. Shevenell Chairman

PLANNING BOARD

2010 gave the Planning Board the opportunity to explore the limits of time and energy that can reasonably be expected of a volunteer board. Our workload required extra meetings, and on several occasions, we found ourselves adjourning past midnight. The energy required is not sustainable for most of us. We are exploring ideas on how to change this; perhaps scheduling two monthly meetings with the hope of reducing the length of our meetings.

We had applications and site visits for two steep slopes permits, five subdivisions, seven boundary line adjustments, three site plan reviews, two scenic road cuts, and two home occupations. Two of the applications consumed a large portion of our time.

The first was the continuation from 2009 of a Site Plan Review of a proposed cell tower on Palmer Hill Road near Cram's Corner in East Sandwich. After several hearings, the first application was withdrawn by the applicant(s), and in June a revised application was submitted for the same project. As was stated in this report last year: "It is a complicated matter that goes to the heart of what the town can and will do to guide and regulate growth and development". In October, the Planning Board, in a split vote, denied the application because of concerns regarding the adequacy of the visual buffer from adjacent properties. The matter has since been appealed to the ZBA, which in January of 2011, they reversed the Planning Board's decision. At this point more appeals have been filed, and it appears that the final resolution of the application is still a long way off. One outcome that is clear to the Board is the need for the revision of significant portions of the Personal Wireless Service Facilities (PWSF), Article XIII of the Zoning Ordinance, which governs such facilities. We are reminded that despite the difficult and careful work involved in crafting ordinance language, it is not until it is tested in the real world of Sandwich that some of the issues become apparent.

The second application that required a large amount of time was the Berkowitz Subdivision on Buzzell Ridge near Chicks Corner. This proposal was for seventeen lots to be created on a tract of close to 180 acres. This land contains valuable wetlands and vernal pools and is part of an open space corridor that enables wildlife to move between the largely undeveloped land around Red Hill and the Sandwich Range to the north. As the importance of these connections between large areas of undeveloped land has become known, there is increasing interest in planning and guiding development to insure their integrity. Additionally, there was strong opposition from citizens who feel that development on this scale is not appropriate in Sandwich. They advocate the Town taking a more proactive role with developers to better ensure important aspects of our land are protected and that development occurs without sacrificing the qualities which make Sandwich what it is. The Board approved this application, and our decision was appealed to the ZBA. The Planning Board's decision was upheld. Once

again inadequacies were discovered in our ordinance, and the Board has proposed a revision to our Wetlands Ordinance for voters to consider at the 2011 Town Meeting.

These two applications and the resulting discussions from the formulation of a new Master Plan have brought renewed focus to the issues involved in guiding, controlling, and regulating growth and development in Sandwich. The Board values discussion with all who wish to be part of our efforts to address these issues. As always, progress is best assured when there is mutual respect and a desire to understand opposing views ... keeping in mind that one person's wetland may be another's "swamp".

The re-writing of the Master Plan proceeded throughout 2010 with long hours of challenging work put in by members of the committee, which was comprised of Board members and several other citizen volunteers. This group met weekly, coordinating their work with professional planners from Mettee Planning Consultants, who continued to advise, guide, and craft the language of the Plan. Too few people fully understand or appreciate the tremendous efforts of this small group and their commitment to our town; of particular mention are the efforts of Carroll Bewley, who chaired the committee before moving to Florida in November. Carroll answered the request to serve with the same organizational skill, enthusiasm, good humor, patience and equanimity that characterized all of his many efforts in service to our community. Carroll, for so many reasons you are missed. For all of their efforts, each member of this committee should be recognized and thanked.

The Master Plan is currently in its final editing phase, and by the time you read this, the Planning Board will have met to vote on its adoption. Once accepted it will serve as the guiding document and basis for our zoning ordinance and land use regulations for the next decade and beyond. The Board will begin in 2011 an extended effort to see that our regulations are revised as needed to better reflect and implement the vision and goals of the Plan. It is likely in the coming years that resulting proposals will be brought forward for many revisions and/or additions to our land use ordinances and regulations.

One such proposal will be before you on the ballot in 2011. The Board is advocating for an addition to our ordinance that is intended to help protect the Ossipee Aquifer from potential contamination. Our work is being coordinated with that of the six other towns situated above this unseen resource and has resulted from one of the first truly regional efforts in New Hampshire to protect a resource critical to our quality of life. If adopted, the Board will look to further enhance it with regulations for large commercial withdrawals of water and with efforts to protect groundwater throughout the Town. We urge your support of this Groundwater Protection Ordinance.

Four petitioned amendments to our PWSF (cell tower) ordinance will be on the ballot in 2011. They have resulted from the controversy and opposition resulting from the AT&T

application. The Planning Board has voted to not recommend their passage. We are agreed that, although the intents may be laudable, there are problems with the way they are worded, and/or some part of the concept. We would prefer an opportunity to review and debate the merits of each proposal in the context of a comprehensive PWSF ordinance review, which is anticipated to occur in 2011.

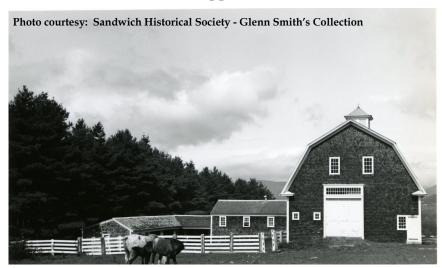

The work of the Capital Improvement Program (CIP) is overseen by the Board, but conducted by a subcommittee comprised of Board members and other volunteers. This annual effort attempts to predict capital needs of the Town (always a moving target) out as far as 30 years. The result serves as a guide for the Selectboard and Budget Committee in their efforts to plan and craft viable budgets. The CIP report is available for all to study, and the committee is always in need of volunteer citizens willing to play a valuable role in guiding your Town. The many hours volunteered in this effort should not go unrecognized.

There were two changes to the Board membership in 2010. Martin Carney Jr., and Daphne Mowatt resigned their positions. Many thanks to both of them for their interest and efforts. Their seats have been filled by Ben Shambaugh and Toby Eaton. Thank you for your willingness to serve.

To all board members – my appreciation and admiration for a remarkable effort and commitment this past year. I am quite certain it was above and beyond what any of us expected. To those heavy-lifters who also stepped up to the work of the Master Plan and CIP subcommittees, and to our Board Administrative Secretary, Rich Benton, an additional thank you. The efforts of Cathy and Jennifer in the office to keep us on track and out of trouble were also extraordinary and necessary this past year ... thank you. The continued support of the Selectboard is noted and appreciated.

Respectfully submitted,

Tim Miner, Chairman

Recognize this barn? This beautiful, rural scene was captured on film around 1945. The barn, built about 1923, was part of the old Wentworth Estate. In 1952 it was purchased by Denley Emerson from the Joseph Wentworth Estate. The land has since been subdivided, and the barn has new, loving caretakers.

MASTER PLAN UPDATE COMMITTEE

At the 2010 Town Meeting, townspeople supported the continuation of work to update the Sandwich Master Plan and approved the appropriation request for \$22,000. Thanks are given to the Alfred Quimby Fund and its Trustees for providing half of the required funding.

A great deal of work has been completed during 2010 by a wide range of townspeople, town organizations, Mettee Planning Consultants, and the Master Plan Update Committee. We thank them all for their efforts.

The Plan is now in the final stages of preparation and will probably consist of:

- Executive Summary
- Introduction and Vision Statement
- Population and Housing
- Economic Conditions
- Natural Resources
- Historic Resources
- Land Use

- Village Centers
- Transportation
- Energy
- Community Facilities
- Maps
- Community Survey Results
- Implementation Guide

At the end of 2010, a final draft was made available for public comment and a Public Hearing was held on January 11, 2011. When final inputs have been incorporated in the Plan it will then be submitted to the Planning Board for review and approval in mid-February 2011. At this stage an implementation program will be established by the Planning Board, in cooperation with other town organizations, to ensure the recommendations and actions proposed in the Plan are pursued.

Respectfully submitted,

Master Plan Update Committee

THE VISION STATEMENT. Sandwich Should:

Remain a highly desirable place to live and work by retaining its rural, quiet, small-town character through protection of its valuable natural resources, preservation of its cultural and architectural heritage and scenic beauty;

Be vibrant and diverse by promoting social, cultural, housing and recreational opportunities for all age groups;

Maintain its high quality of community facilities and services in a cost effective manner;

Provide opportunities for employment and small-scale businesses consistent with our rural character.

CAPITAL IMPROVEMENT PROGRAM

The Capital Improvement Program (CIP) committee is appointed by the Planning Board. Its mission is to advise the Selectmen on present and future capital expenses. Capital expenses account for approximately 20% of the Town's budget. Annually, town departments forecast major capital projects required to maintain town facilities and services for the next 20 years. Particular emphasis is placed on the next five years, which becomes the basis for advising the Selectmen in their annual budget preparation. The tables on the following pages provide a summary for the Town's three major capital expense categories: Vehicles, Roads and Bridges, and Buildings and Infrastructure. A review of these tables shows that expenses vary considerably from year to year. A key objective therefore is to manage the timing of these projects to avoid major fluctuations in the tax rate.

While certain activities are reasonably predictable (e.g. vehicle replacements), others are not. Among the key uncertainties are:

- The timing and cost of bridge repairs which are not reflected in our forecasts.
- The cost of building renovations/expansions.
- The pace at which major road works can be accommodated

The purpose of a carefully planned and monitored Capital Improvement Program is to anticipate expensive projects long before they are needed, to allocate resources that can be accumulated in advance, and to provide the town's taxpayer a less volatile capital expense budget. This is the third year the CIP has used this data gathering and reporting system. We feel it is now established and provides a foundation for future planning.

These major capital expenses will be paid for by a combination of current taxes, capital reserves and bonding. Judicious accumulation of reserves is important as is the appropriate use of bonding. These funding mechanisms will require constant review as the town's future capital needs evolve.

SEWER COMMISSION

There were no new users added to the system in 2010. In 2010, residential use was 63% of the total usage; restaurant use was 16%; school use was 11%; and other non-residential use was 10%. Measured wastewater discharge was up about 2% in 2010 relative to 2009; however, system infiltration was down about 12%. Overall, the system operated at 80% of the permitted capacity in 2010.

The proposed 2011 operating budget is less than the 2010 budget. The portable generator for the Main Street Pumping Station was made permanent inside a new generator building in 2010; the generator will be converted to propane in 2011. In 2010 the Sewer Commission held a public meeting to provide the users of the system and other interested parties with information about the system, its original purpose, design, construction and limitations. A digital recording of this meeting is available upon request. The following summarizes the key points about the system.

Construction of the Leachfield - 1987

The current system was designed to address a specific pollution problem identified in the early 1980's in the Historic District of Center Sandwich. At that time, the Town worked with the State of New Hampshire Water Supply and Pollution Control Commission (today part of the NH Department of Environmental Services) to develop a solution. Federal and State grant funds were used to mitigate 95% of the project costs. The State of New Hampshire conducted a Facilities Plan, which identified the system capacity necessary to handle the existing needs of the users at the time (1984), which then defined the size of the facility. The planning for the sewer system assumed a stable village population once ten undeveloped lots in the village were developed as

residential properties. This assumption, as stated in the Facilities Plan, was because: "Restrictions are placed on subdivision, building or development in the historic district by the zoning ordinance." Because of limitations in the available land for a leaching bed, the standard engineering estimates used to calculate the system capacity were adjusted downward, and some properties within the Historic District were not included in the system. No additional or reserve capacity, beyond what was needed at the time, was built into the system. This was not only a site limitation, but also a limitation required by the Federal grant, which specifically required that no federal funds could be expended for any reserve capacity. The construction phase of the project was completed on July 28, 1987, and the Selectmen notified the Board of Sewer Commissioners, by letter dated July 31, 1987, to "take over operations of the system August 1, 1987." The system, therefore, has a current age of 23 years, 5 months, as of January 1, 2011.

The system currently includes:

- 1. Two Pump Stations
- 2. 1.47 miles of Gravity Mains
- 3. 0.28 miles of Forced Mains
- 4. 78 hook ups
 - 50 Single-Family Residences
 - 12 Non-Residential Properties
 - 4 Governmental Properties
 - 3 Restaurant/Coffee Shop/General Store
 - 2 Schools
 - 7 Remaining tees that are reserved for future loading at a residential use rate
- 5. 38 Manhole Access Locations
- 6. 4 Leach Fields totaling about 60,000 square feet. The leach fields were designed to handle a maximum flow of 30,000 gpd.
- 7. The settling tanks have the capacity to handle on the order of 15,000 gpd, assuming a 24-hour residence time to allow for solids settling.
- 8. Over the 11 year period from 1999 to 2010 the average total flow was 13,006 gpd; in 2010 the average flow was 13,070 gpd.

The sewer commissioners have the following policy: The capacity for a given lot that was assigned by the NHDES in 1984 to determine the overall sewer system capacity is the maximum available capacity for that lot today. This is to make sure there is reasonable future capacity for all of the properties, no matter how they are currently being used. The Board of Sewer Commissioners currently operates the system under a NHDES Permit by Rule. Under this permit, the Commission is required to manage the total flow into the system at less than 500,000 gallons per month (16,438 gallons per day). Total flow includes both wastewater flow and infiltration flow. Infiltration is an unavoidable component of the flow in sanitary sewer systems, and the current average infiltration is consistent with the Facility Plan specifications. Reducing infiltration does not provide for an increase in capacity above the system design.

All users are reminded sump pump hook-ups to the system are illegal, as well as unfair to other users. If your sump pump is connected to the sewer, then it must be properly redirected, permanently. We will continue to work with the sewer users in 2010 to get usage meters and recorders working properly. Properly operating meters are the responsibility of the users. Letters will be sent to those users with meters that are not working properly. The letters will have order information for your plumber regarding replacement meters or parts. Non-working meters need to be replaced in a timely fashion. Replacement of meters/recorders and all repair costs are the responsibility of the user.

The system is over twenty-three years old, and all users need to be careful about what ends up in the system. This year the surface cake in the main settling tank was similar to last year. We are continuing to see substantial fats, oils and greases. Residential users must be careful as to what they put down the drain. If you have a grease trap, please check frequently, and have your traps cleaned before they are ineffective. Remember, businesses with grease traps are required to provide documentation to the Commission when the traps are cleaned. Please be careful about what you discharge to the sewer system, and as always, be cautious and choose soaps and cleaning products, which are have no or are low in phosphates. In addition, no petroleum or hazardous substances are to be discharged to the sewer system. Please check your labels and dispose of these substances responsibly.

Respectively submitted,

Tom Shevenell John Ducsai Patricia Merriman

TOWN HALL BUILDING COMMITTEE

Article 5 in the 2010 Town Warrant was approved by the Town to appropriate \$17,500 for the purpose of a structural engineering study of Town Hall and to upgrade the energy efficiency of the building. These projects were offset from monies from the Town Hall Expansion Capital Reserve.

The Town Hall Building Committee (THBC) had a very productive year. Once we received approval from the Town in March to move forward on our projects, we were off and running. We met on average two to three times a month, which provided our committee with both motivation and continuity.

First off, we hired H.E. Bergeron to do an engineering study on Town Hall to determine just how structurally sound it was before we embarked on any repairs and improvements. H.E. Bergeron submitted their report which found two areas that needed addressing: reinforcement of the second floor and reinforcement of the roof trusses. H.E. Bergeron also confirmed in their report what we already knew: The Town Hall fire escape is unsafe for use as an emergency egress.

The New Hampshire Electric Cooperative (NHEC) offered grant monies through Atlantic Energy Solutions (AES) for lighting energy efficiency upgrades in commercial buildings. Atlantic Energy Solutions provided the lighting supplies and Frase Electric provided the labor to upgrade all the lighting at Town Hall. Half of the cost for this project was paid for by NHEC.

Joel Streeter (The Heat Doctor) studied the heating system at Town Hall and determined the lack of cold-air returns contributed to part of our heating problem in the building. Joel spent a long weekend adding returns to all the offices, so the air could finally circulate properly.

Another piece of the puzzle that was missing before we took on a renovation was the energy efficiency of Town Hall. Based on the energy audit performed at the Library, we asked Andy Duncan to perform the same on Town Hall. Mr. Duncan spent a day at Town Hall performing blower door tests and measuring heat loss and gains, all of which culminated in a thorough energy audit report. Jim Gaisser, the Town's new Building Maintenance man, has been busy addressing many of the recommendations within the energy audit, once again working to maximize the building's energy efficiency.

While we were busy addressing many of the interior needs of the building, the exterior of the building was continuing to look dilapidated. The Sandwich Fair celebrated its 100th anniversary in October, and we could not bear Town Hall to look so unkempt for the Grand Street Parade. After testing moisture levels, we decided they were good

enough for us to paint the front of the building. Thanks to the Doris L. Benz Trust and the Town Building Expendable Trust, we were able to get this project done in plenty of time for the Fair! And while we acknowledge the other three sides of the building need to be painted as well, we want to wait a year or two to see how well the paint adheres just to make sure those high moisture levels have been mitigated.

Dick Devens and Peter Wobber worked hard on designing a storage cabinet space in the Meeting Room. This project went out to bid and was recently awarded to Ben Adriance - Cabinetmaker. We look forward to having more formalized storage in the Meeting Room, which will also alleviate some of the cramped space in the Selectmen's Office.

After researching proper codes for fire escapes at Town Hall and learning that the current design of our windows on the parking lot side of the building would not lend themselves for a simple fire escape replacement, we asked for a full fire inspection of Town Hall by State Fire Marshalls. The Fire Marshalls determined that if modifications were made to the back stairwell and its upstairs door, these stairs could be considered an official rear egress, eliminating the need for an exterior fire escape. This was great news since we did not want to make any changes to the design of the exterior of the building. This fire inspection provided us with other useful information as well, but overall, we learned the building is in fire code compliance.

Meanwhile, the committee has been very busy studying different elevator/lift possibilities for Town Hall, researching a new vault as well as designing a handicapped accessible entranceway at the front of the building. This year we look forward to coming up with schematic designs for an interior upgrade which will provide a much better use of the space in Town Hall for both municipal and community functions.

Respectfully submitted,

Richard Devens Mary Fleischmann Jim Gaisser Catherine Graham Dale Mayer Richard Papen Peter Wobber

ZONING BOARD OF ADJUSTMENT

The Sandwich Zoning Board of Adjustment (ZBA) meets the second Thursday of every month at 7:00 P.M. The ZBA heard three (3) cases during 2010. All were requests for variances for relief from the Ordinance to allow the installation of septic systems. All were granted.

Two Appeals of Administrative Decision were filed late in the year and are currently under review by the Board: an appeal of a Planning Board decision to deny site plan review for the installation of a personal wireless facility (cell phone tower) and an appeal of Planning Board subdivision approval for a residential subdivision.

The 2010 ZBA worked to stay current on the law and improve the local appeals and hearings process by updating and amending its rules of procedure.

Ben Shambaugh served as Vice Chairman and Jim Mykland served as Secretary/Clerk. Peter Van Winkle and Jim Gaisser served as voting members. Alternates Jim Martel and Rich Veld each had an opportunity to participate as voting members. Selectman Leo Dwyer served as the Selectmen's liaison.

I thank the Board members for their service to the Town and their commitment to learning. The diverse 2010 ZBA Board members came to meetings prepared and with open minds, participated thoughtfully in discussions and showed the public and fellow Board members great courtesy and respect.

Special thanks to Cathy and Jennifer at Town Hall for their able assistance, enthusiasm, and good humor.

Respectfully submitted,

Catherine Broderick, Chairman

SAMUEL H. WENTWORTH LIBRARY

During 2010, the Library supported an increase in both circulation and program activity in response to community demand. We expanded the collections in a wide range of media and continued to provide six days a week of open hours while keeping costs relatively flat compared to previous years. The number of registered active patrons increased by 68, although the net number of patrons is slightly lower

due to purging of non-active records, in compliance with state law. Circulation went up by 883 items with 22,498 total materials checked out.

Collections: The total collection now contains 18,857 items. The collection is ever changing to keep pace with new materials; the library staff culls the collection regularly in order to ensure the items are relevant to the community's needs and interests. In addition to the books (classic, fiction, non-fiction), we maintain an extensive collection of popular DVDs and video tapes. Audio books are available on cassette, CD, MP3 and "playaway" formats, and we offer complete audio packages including ear buds and micro players for patrons to borrow. We continue to be a member of the New Hampshire Downloadable Book Consortium, which provides over 2,000 titles for checkout to a patron's own computer or other device.

<u>Human Resources</u>: The operating staff for 2010 was led by Glynis Miner (Director) with support from Anne Papen and Marion Blackshear (Library Assistants), and Abby Catalano and Reese Chappuis (Pages). Bethany Powers (Youth Services Librarian) and Ryan Chappuis (Page) were with us through the summer, after which Lois Brady, previously in the role of Library Assistant, assumed the position of Youth Services Librarian, and we added Jennifer Brady as a new Page. Further support came from Frank Rowell (maintenance) and Kathy Catalano (housekeeping). The talent and energy of this group brings the Library to life.

The Library is also fortunate to have had a cadre of committed volunteers in various capacities this past year, including Connie Cunningham, Mary Cullen, Robyn Tolles, Angie Morton, Robin Dustin, Nina Heiser, Cecelia Cox and Frederick Bickford. Total volunteer time was approximately 300 hours. Many of these volunteers have been giving their valuable unpaid time to the Library for years, and all of them deserve the Town's thanks.

The continuing town-elected trustees include: Cecelia Cox (Secretary), Wendy Huff (Treasurer), Carla Muskat (Chair) and Jeanne Ryer (Vice Chair). We welcomed newly elected returning board member Nancy Stearns. Alternate trustees include Betty Alcock, David Chase and Edward Harding. The Board of Trustees, the governing body of the library, meets monthly; we provide strategic guidance and financial oversight of operations, plan for capital improvements and ensure compliance with the State laws and regulations related to library operations.

<u>Technology</u>: Access to the internet is vital in today's world, whether one is a student doing homework or an adult searching for a job. The Library continues to meet increasing community need for this access by offering five dedicated patron computers as well as free wireless internet access "24/7" both for patrons and for guests, from inside and outside the building. Thanks once again to Gunnar Berg and his Cyberpine network for the continued partnership and technical support.

In 2010 the Library Director and Trustees conducted a thorough evaluation of our existing circulation software; this outdated system is now inadequate to meet the Town's needs and is expensive to maintain. We anticipate replacing this software in 2011, at no expense to taxpayers, through donations and grant support.

<u>Finances</u>: The Trustees were able to maintain services with no increase in expenses in 2010. Approximately 37% of the operating budget was provided by Town taxpayers; the remainder of the budget was supported by Town-managed trusts specifically designated for support of the library (33%), a library reserve fund (14%), and discretionary contributions (16%). Those generous contributions were provided by the Arthur Heard Trust, Friends of the Library, Pamela Pruett, Sandwich Fair Association, White Sylvania Trust, and many other appreciated patron donations. Because Library funding has relied on trust funds, reserves and donations which are diminishing, we anticipate becoming more dependent on town tax funding in the future to maintain the same level of services.

The entire staff encourages patrons to visit the Library to try a new medium, get online, or just to browse. Please look for the Samuel H. Wentworth Library on Facebook and become a fan.

Respectfully submitted,

Carla Muskat Chair, Board of Trustees

ALFRED QUIMBY FUND REPORT

During the 2010 calendar year, the Quimby Fund has been involved and assisting in many programs devoted to the general welfare of Sandwich and its residents.

Society of Friend Meetinghouse in North Sandwich - Septic & Well Project	\$13,600
New Telephone system for Sandwich Town Offices	3,793
Master Plan Revision	15,000
Quimby Field Maintenance and Improvements	2,215
New Liner for Skating Rink	1,876
New Sandwich Police Shed	2,660
Sandwich Central School Circus Smirkus Program	2,500
Doris L. Benz Community Center New HD Projection System	6,000
Quimby School 50th Reunion	1,000
Sandwich Historical Society for New Structural Improvements	17,500
Green Mt Conservation - Water Monitoring & Fish Project	2,500
NH Music Festival - Music in the Schools	1,000
Sandwich Recreation Program	30,000
Maintenance, Landscaping, Tree Work on Quimby Field, Town green	14,254
Initial Payment toward Renovation of Recreation Building	9,828
Educational Scholarships	28,550

The Quimby Trust contracts with the New Hampshire Charitable Foundation (NHCF) to administer its scholarship awards. To inquire about scholarship assistance, visit the NHCF's website at www.nhcf.org or contact Judith Burrows at 1-800-464-6641 Ext 1224 or by e-mail at jb@nhcf.org

General guidelines for applying to the Quimby Trust for financial support are as follows:

- 1. All proposals for financial assistance must show consideration "for the well-being of the Town of Sandwich, its inhabitants and institutions."
- 2. A request must include the IRS 501 C (3) number or Employer ID #. All requests must be in writing and accompanied by the most recent balance sheet and profit and loss statement.
- 3. The deadline for filing a request is prior to the last day of the quarter, that is to say the last day of September, December, March, June.
- 4. Requests will be processed during the first two weeks of the following month. A request for further information, a denial, or an award letter will be issued prior to the 15th of the month.
- 5. The schedule of disbursement of funds will be at the discretion of the Trustees.
- 6. A written report showing the completion of the project goals and the expenditure of funds is requested within 60 days of the conclusion of the project.
- 7. Proposals remain the property of the Trustees.

It is truly an honor for the three of us to serve in this capacity. Feel free to contact us at any time with your questions and concerns.

Respectfully submitted,

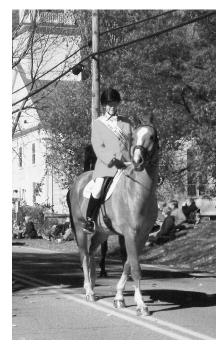

Susan Wiley Derek Marshall Peter Pohl

~ Center Post Office ~

Established in 1828, the Post Office has been located in a couple of buildings and locations around Town over the years. Our present building is the former Marston Office Building, which the Alfred Quimby Fund purchased from Perley Knox in 1934 and moved to its present location. The building was enlarged in 1991, and is currently home to our Post Office and the Parks and Recreation Department.

SANDWICH FAIR ASSOCIATION

Grand Marshall: Holly Cook and Buki Sandwich Fair's 100th Anniversary Photo courtesy: Lisa Herrick

As you all know, our 100th Anniversary Sandwich Fair was a huge success. We had the second largest attendance on record, in spite of the economy. Many new attractions were well-received, including the skillet toss, professional lumberjack show, and the lawn tractor pull, to name a few. All were held on Monday, which is typically the slow day. Due to their success, they have been booked for next year.

During Old Home Week, the Sandwich Fair Association hosted a one-day circus with two sold out shows. Everyone enjoyed the entertainment. We will be bringing them back this summer also.

Our 100th Anniversary Poster Contest winner was Stuart Jewett. The winning poster was used to advertise the 100th Sandwich Fair and could be seen throughout the community. Some are still available for sale at the Sandwich Fair office.

We now have a new Sandwich Fair Museum on the grounds. This Museum saw its first year, opening for the 100th Sandwich Fair. The creation of the Museum was due in large part to the help of the Sandwich Historical Society and, most especially, Joan Cook. The Museum will only get bigger and better with time!

Sandwich Fair c. 1930 ~ Held in the pines behind the S.H. Wentworth Library Photo courtesy: Polly Heard Jewett

As with every year we wish to thank all of the people whose efforts make the Sandwich fair such a great success. Last, but not least, this year we want to thank Earle and Gretta Peaslee, our past president and his very involved wife, for everything they have done over the past years. Without Earle's guidance and direction we would not be starting our second 100 years in such great fiscal and physical shape. Everyone involved in the Sandwich Fair deserves a huge pat on the back and a thank you. Job well done!

Onward and Upward!

Respectfully submitted,

Dan Peaslee President, Sandwich Fair Association

SANDWICH HISTORICAL SOCIETY

The Sandwich Historical Society had another successful year in 2010, thanks to a small group of selfless individuals dedicated to the mission of the Sandwich Historical Society. The following are some of our 2010 events and projects:

- Quimby Park Project committee met throughout the year to form a plan for the Transportation Museum; an architect worked with the committee as well
- The Grange Hall Restoration Project built a new front entrance
- The SHS opening in June was a dedication for the new cloak room and wood shed at the Lower Corner Schoolhouse; made possible from the generosity of the Kenneth Smith family

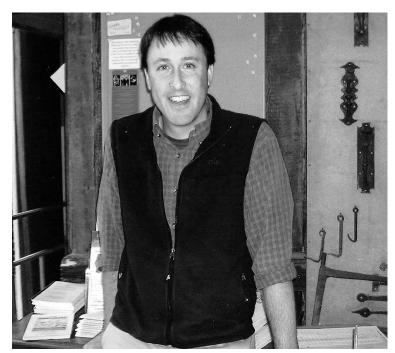

Cloak Room and Wood Shed Dedication L-R: Vaughn C. Smith, Cindy Smith Shaw, Kenneth A. Smith, Jr. Photo courtesy: Joan Cook.

- The Society presented another "Sandwich Collects" in May
- In June, the Society presented the Sandwich Cane to Edna Burrows Bickford, a 101 Year old native of Sandwich, at the Quimby School Alumni banquet.
- A photo exhibit with over 1000 of Joan Cook's collection was displayed by the Society in July
- The Society's Annual Picnic was held during Old Home Week in the Quimby Barn. Peter Pohl and Marjorie Lee spoke about their memories of the Quimby School
- The Society's float won the Letitia O'Neil Award in the Sandwich Fair Grand Street Parade. The Society also had a booth at the Fair
- Partnering with the Sandwich Fair Association, the Society created a permanent historical exhibit on the Fairgrounds

Edna Burrows Bickford ~ Sandwich Cane Recipient
Photo courtesy: Joan Cook

- In September, the Society participated with Suzanne Pohl for a walk through Sandwich Notch; various sites were visited
- The Junior Historians spent a few days on the Red Hill River mill sites
- Our Director, Matthew Powers, resigned in October to take a position as Executive Director of the St Johnsbury Athenaeum
- The Society was open for Christmas in the Village in December
- The Society had a yearlong exhibit in the Wentworth Room of artifacts from our vault

Matt Powers ~ Director of the Sandwich Historical Society 2005 - 2010
Photo courtesy: Judith Stoehr

Plans are being discussed for the 2011 season. The Sandwich Historical Society thanks Jenny Vierus, Judy Stoehr, Erda Grass and Joan Beach Little for their continuous good service. Thanks to all the volunteers who are so needed. Thank you to Dick Stoehr for all the painting on our buildings. Thanks to all who serve on the various committees and step up to sit on the Board of Trustees. The Sandwich Historical Society invites all to visit and enjoy our collections of history and invites all to explore the many possibilities to be involved in this wonderful organization.

Respectfully submitted,

Geoffrey Burrows Vice President
