DEDICATION

BERNICE “BUNNY” ADAMS VITTUM MICHAEL

Surrounded by family and friends, Bunny celebrated her 100th birthday on July 14, 2014. Born in Manchester, NH on July 13, 1914, Bunny lived there until she was 21. She was the youngest of four children – Herman, Hazel, Frank, and Bunny. A neighbor had given her the nickname “Bunny” when she was a small child and it stuck! One of her earliest recollections was the many celebrations marking the end of the WWI. She also remembers seeing the Lindbergh plane fly over Manchester; the plane was flying so low she was able to spot the pilot.

Bunny attended Keene Normal School, which was a teacher training school; a profession which always held her interest. One of twelve students participating in the school’s first four-year degree program, she graduated with a degree in education and substituted at Manchester High School. When she heard there were job openings in the Lakes Region, she decided to move. While waitressing tables at the Winnicoette in the Weirs in 1935, the Headmaster offered Bunny a once-in-a-lifetime opportunity to teach Home Economics at the Quimby School in Center Sandwich. Bunny remembers coming into Sandwich for the first time, and as she was coming down Wentworth Hill, she thought it was the most beautiful town she had ever seen. She remembers thinking she never wanted to leave – and she never did! For that we are thankful as Bunny is one of the true gems of our town.

Bunny loves all aspects of domesticity – from family relationships to sewing and cooking – and the school had an excellent program. She lived in the Homesteading Cottage on “campus”, where students learned all aspects of taking care of and running a household (and Bunny got her cottage cleaned each week!). Before leaving the Quimby School, Bunny and another teacher were asked by the Headmaster, Mr. Harold Presbee, to write the school’s song, which was based on the school’s motto: Character, Skill and Service. To this day Bunny remembers it fondly; she sang the entire song to Lew in January 2015!

In those days, female teachers could not be married, so when Bunny was married two years later in 1937 to Lewis Marshall Vittum, she had to leave her beloved teaching job. She and Lewis resided in East Sandwich, and in 1938 Lewis Jr. (Lew) was born. Only married a few years, Lewis Sr. died unexpectedly at the very young age of 32.

Not wanting to leave Sandwich, Bunny worked as a Librarian at the Samuel H. Wentworth Library from 1942-1944. Around the same time, her friend, Thelma Burrows, helped her to find a job. The Peaslee children – Charles, Earle and Carol – having lost their parents, needed caring. Bunny and Lewis, Jr. moved into the Peaslee home, which is now the home of Richard and Judith Stoehr on Grove Street. Two years later, Bunny’s mom, Grammy Adams, moved in to help. It was a very special time for

Bunny, especially having her mother around. Bunny's mother came from County Galway, Ireland, and Bunny has always had an interest in her Irish roots. Her father passed away when she was only seventeen, but she was so proud of his work at the Amoskeag Mills in Manchester.

Many will remember Bunny as a Postal Clerk in the Center Sandwich Post Office, where she also served as the Acting Postmaster when Arthur Heard went off to serve his country in WWII. Bunny began working at the Post Office in 1945 and retired from the postal service in 1981 after a remarkable 36 years of service.

In 1948 Bunny remarried. She had known Monroe "Mike" Michael informally around town from attending dances and programs that were put on for the boys returning from war. After they married, they moved to West Sandwich and had four boys - Tony, Tim, Kevin, and Alex. Her "boys" mean the world to her, and she is so thankful to have them close by. She is also blessed and thankful for her six grandchildren and seven great-grandchildren - not to mention her extended church and town family!

Bunny and Mike were very active in the community. Bunny sang in the choir, taught Sunday school, was a lifelong member of the Historical Society, Eastern Star, Grange, Sandwich Woman's Club and Ladies Aid. During WWII, she was the Vice President of the local chapter of the Red Cross. She and Mike were volunteers for Meals-on-Wheels helping with both prep and delivery.

Bunny remains very active. Although she no longer drives, friends and family are happy to include her in all kinds of activities and take her wherever she needs to go. People, books (especially biographies) and travel are her favorite pastimes. She and Mike had travelled a lot. They made two trips to Ireland, one to

Scotland and many short trips around the United States. When asked where she would like to go, Bunny replied, "Idaho and Colorado" as she corresponds with friends there and would love to visit.

Bunny has touched the hearts of each and every one she has ever met. She has an amazing way of making everyone feel very special. Her love of Sandwich is evident. We are honored to dedicate our Town Report to this amazing woman! Our most sincere appreciation and gratitude to her many years of service to the town, and we wish her the best of health and prosperity in the years ahead! As Bunny would say, "Bye for now".

SELECTMEN'S REPORT

We are pleased to report that 2014 was an active and productive year for the Town of Sandwich. We note with appreciation that the business of the Town is being conducted efficiently and collaboratively by all Town employees, elected officials, committee members and volunteers.

As Selectmen we are charged with “managing the prudential affairs of the Town” (NH RSA 41:8). This includes overseeing the day-to-day operations of the Town, preparing and managing the annual budget, holding public hearings and providing a public forum for residents and others with business in the Town. In 2014 a full schedule of new, old and day-to-day business occupied our attention. A few items of note:

Revaluation: Pursuant to NH law, every 5 years the Town must re-assess for tax purposes the value of all real property in Town. The 2014 revaluation resulted in an overall reduction in the Town’s assessed property values from 2013 by approximately 10 percent. (\$441,793,732 to \$396,710,408)

Tax Rate: The 2014 tax rate was set in November at \$13.49. This was an increase of \$2.29 over the 2013 tax rate of \$11.20. The increase was a result of the lowered assessment values, a small increase in expenditures, and increases to both our State and Local education contributions.

Department of Labor Safety Audit: In March 2014, the NH Department of Labor conducted a safety audit of all Town buildings and facilities. The Town appropriated \$75,383 for compliance expenditures and spent \$61,715. The Town Safety Committee oversaw the management of the audit and the compliance efforts of the various Departments. The Town passed the audit and received praise from the state auditors on our levels of cleanliness and safety compliance. Special thanks to the members of our Safety Committee, Jon Peaslee and the Highway Department for their attention-to-detail, and the amount of work accomplished in a short period of time.

Town Sewer Study: The Town voted in 2014 to conduct a two- phase engineering study of the Town sewer system. The study was conducted by the engineering firm Tighe & Bond in conjunction with the Board of Selectmen and Sewer Commissioners. Phase One was a study of the replacement of the existing underperforming sewer tanks (6 tanks of 5,000 gallon per day capacity) in order to allow the system to function at its maximum designed capacity. The result of the Phase One study is a recommendation that the Town replace the existing tanks with two 25Kgpd tanks. This will allow the system to operate at its designed and permitted capacity of 30Kgpd with the ability to expand the system capacity to 50Kgpd in the future as needed. The Board of Selectmen and the Sewer Commissioners unanimously support this recommendation and it is included in the 2015 Town Warrant as Article 4.

The Phase Two study was a review of a proposed “satellite” leach field located on Fair Association land off of Maple Street in order to add capacity to the existing 30Kgpd system. The study concluded that the Maple Street lot could accommodate a leachfield that would add approximately 8Kgpd – 15Kgpd to the system, depending on various factors. The Selectman and Sewer Commissioners agreed that the Phase Two project is not necessary at this time as the Phase One proposal allows the Town significant flexibility and growth potential in the future. The Phase Two study did provide us with good data for future consideration.

Roads and Bridges: The Highway Department was especially productive in 2014. Paving projects included portions of Mt Israel Road, Mountain Road, the Transfer Station, Diamond Ledge Road, and Foss Flats Rd. Ditching and tree cutting continued on various gravel roads around Town. The Board of Selectmen note and appreciate the weekly attendance by the Road Agent to Board meetings in order to keep the Board informed. The Highway Shed was significantly improved with the installation of windows, doors and an overall cleaning and space reorganization. Compliance improvements for the safety audit and the Road Agent’s general policy of efficiency, maintenance and good care has contributed to a noticeable difference in the building.

Capital Improvements and Purchases: New doors and windows were installed at the Fire Department. Vehicle purchases included a new police cruiser, a track excavator for the Highway Department, a John Deere tractor for park mowing and sidewalk snow removal, and a DR brush mower. Quimby Field had a rebuild and tennis courts #2 and #3 were re-sealed.

Skating Rink: In the 1954 Sandwich Town Report we found the following commentary by the Sandwich Community Association (predecessor to Parks & Recreation Department): “...(The Association) has struggled with the complex problem of providing ice skating near the ‘Center’. This winter with the cooperation of the Fair Association and Board of Selectmen, a ‘rink’ has been provided on the new ground by Creamery Brook, which may be safely plowed.” Sixty years later providing skating is still a complex problem, but we’ve made good progress. The Town skating rink has found a home at Remick Park in North Sandwich. With the invaluable help of the Highway Department in 2014, the ground under the rink was re-graded, electrical wiring was installed for the lights and various pieces of maintenance equipment was acquired (i.e. the “Bambini”) and developed. We still have to contend with Mother Nature, but we remain committed to providing skating for residents and visitors.

2015 Town Warrant: The preparation of the Town Warrant and budget is typically a long and detailed process. Budget Committee meetings began in October and ran through January. Non-monetary warrant articles also took up significant time in 2014 such as the proposed boundary line adjustment with the Fair Association (Article 5) and the Heard Road layout petition (Article 6).

Treasurer Deputy Treasurer

TRUSTEES OF TRUST FUNDS

Trustees of Trust Funds (Trustees) are elected by the voters of Sandwich and are charged as fiduciaries to manage the Trust Funds, Capital Reserve Funds, and Expendable Trusts of the Town of Sandwich. Each year one Trustee is elected for a three-year term. The Trustees manage three distinct types of funds. Trust Funds are those given to the Town by private parties, usually through bequests or donation, with the income dedicated to specific purposes by the donor. Payments are requested by the Selectmen or by application by private parties at the Selectmen's Office. Payments are made once the Trustees confirm that the request conforms to the terms of the Trust. Capital Reserve Funds are those Town Funds appropriated by warrant approval. Expendable Trusts are Town Funds used for expenses as needed and approved by the Selectmen.

The Trustees have an Investment Policy for Trust Funds with an asset allocation of up to 70% in equities and a goal to maximize income while at the same time grow the principal. For Capital Reserve Funds and Expendable Trusts, which are town-funded, fully expendable and usually shorter-term, investments are low risk vehicles such as CD's, with the goal of providing preservation of capital with growth in income and a high degree of liquidity.

In 2014 our funds were managed by Cambridge Trust of New Hampshire, who also did the accounting of our MS-9 reports as sent to the State of NH and shown in this report.

As of December 31, 2014, the Trustees were responsible for managing \$2,725,082. The Trustees meet at least four times each year with the manager to review investments and oversee investment performance. Investment performance and associated fees for past six years are shown below.

December 31	Market Value (\$)	Average Total Return (%)	Investment Management Fees	
			(\$)	(%)
2014	2,725,082	4.4	18,292	0.67%
2013	2,809,042	7.9	16,272	0.58%
2012	2,755,019	3.0	13,061	0.48
2011	2,693,007	4.2	12,560	0.45
2010	2,575,315	9.3	10,281	0.40
2009	2,374,100	10.8	10,096	0.41

TAX CREDITS/EXEMPTIONS

TAX CREDITS: Applications for the following permanent property tax credits must be filed by April 15 (credits are deducted directly from the tax bill):

- \$2000 credit for service-connected total and permanent disability
- \$2000 credit for widow of veteran killed or died on active duty
- Total tax credit for double amputee or paraplegic
- \$500 credit for veteran/veteran's spouse

(Service connected credits may also be claimed by those who served on active duty in the armed forces of our allies if they were citizens of the United States at the time of their entry into these armed forces and are presently residents of New Hampshire)

TAX EXEMPTIONS: Applications for the following permanent exemptions must be filed by April 15 (exemptions are deductions from the assessed valuation):

- Solar Energy System
- Wood Heating Energy System
- Wind Powered Energy System
- Persons who are legally blind
- Elderly property owners - subject to age, income and asset restrictions
- Owner/resident of property modified for the physically handicapped
- Current Use, Conservation Easement, and Conservation Restriction

Applications and information are available in the Selectmen's Office.

TOWN CLERK/TAX COLLECTOR

ELECTIONS: 2014 began with news that a Special State Primary Election was to be held January 21st to select candidates to run for the open Executive Councilor seat for District 1, which was vacated upon the passing of Raymond Burton, who had held the seat for 33 years. Sandwich provided 142 votes representing a 13% turnout. On March 11, the Town of Sandwich held its election and also held the Special State General Election to fill the Executive Councilor seat. 380 votes were cast in each of these elections which represented a 36% voter turnout. After a brief respite from the election process we were right back at it again with the State Primary held on September 9 where 34% of our voters turned out to cast 355 votes. We ended this year with the State General Election held on November 4. Sandwich held true to its history of high voter turnout and surpassed the State's estimated percentage with a 74% turnout casting 799 total votes. After a very busy election year, we look forward in 2015 to just one Town Election. We continue to remind voters that NH Statutes require Voter identification for voting, but have assured that no voter will ever be turned away from the polls for lack of identification. We extend our heartfelt thanks to all the ballot clerks and talliers who assist during our elections. Their efforts are invaluable in providing a smooth day with an accurate end result.

TAXES: The warrant for collecting \$5,260,777.00 in property taxes was issued by the Selectmen on November 6, 2014. We worked diligently to get credits and prepayments applied, bills printed, envelopes stuffed and ready to be mailed on November 11, so that taxes would be due December 11-- keeping the due date as far away from Christmas as we could possibly make it. The Town is at the mercy of the Department of Revenue as to the timing of our tax billing. By year end, we had collected 93% of taxes due. In May liens were placed on 25 properties for unpaid 2013 taxes, and in June one property was deeded to the Town for unpaid 2011 taxes. Revenue from both Timber Yield Taxes and Land Use Change Taxes was considerably higher this year. Prepayments and partial payments may be made at any time during the year, and if you are unable to pay the full amount of taxes by the due date, partial payments help to lower interest. Please visit our tax kiosk available 24/7 on the Town website www.sandwichnh.org on the Tax Collector link, where you can view tax bills, due dates, payment history, outstanding amounts, interest due, and you may print the information as well.

DOG LICENSING: Sandwich held its first TOP DOG CONTEST this year, which we hope will become an annual event. After months of preparation, and the whole-hearted participation of the Sandwich community, the award event was held on May 17 at the Sandwich Fairgrounds. Attendees were treated to a police K-9 demonstration put on by Detective Steve Kessler of Moultonboro and his dog, Rony. This was Rony's final official event before retirement. Sandwich's First Top Dog winner was Corey, a Shetland sheepdog owned by Jayne Geddes! Runner's Up winners included Martha "Monty" Carlson's dog, Lucy, Kathie Thorndike's dog, Winter, and finally Patricia Carega's dog, Paco. Certificates and special gifts provided by this year's sponsors (Sandwich Animal

Hospital, Meadow Pond Animal Hospital, Black Snout Dog Biscuits and Clark's Grain Store) were awarded to our winners. We had 113 entries and licensed over 420 dogs this year! All agreed it was a great event and a fun contest enabling dog owners in Sandwich to showcase their furry family members! Remember, all that is needed to enter your dog(s) is a 2015 dog license. Tags are available January 1 and don't forget that 2014 licenses expire on April 30, 2015.

BOAT REGISTRATIONS: We urge our Sandwich residents and property owners to register and renew their boats at our office. The State of NH is still mailing renewal notices to everyone; however, if you register your boat(s) through our office, the Town portion of the fee stays in Sandwich rather than going into the State coffers.

MOTOR VEHICLES: We are continually busy with the motor vehicle portion of our daily operations. During 2014, we registered 2,330 vehicles and 97 boats collecting \$263,665.71 for the Town and \$ \$107,759.61 for the State. This year we have seen an increase in new vehicles being purchased compared to the past several years. Could this perhaps be a benchmark for a recovering economy, or possibly the result of vehicles being replaced due to damage sustained on our local state roads? One of the most frequent conversations we have with customers relates to the process of transfer of plates. This process is important for folks to understand as it relates directly to the fees you paid prior to your new vehicle purchase and those you will pay on the new registration. PLEASE, PLEASE remember that your plates and your registration belong to you – not the vehicle -- and you are the owner of both. If you are planning to keep your plates, the State of New Hampshire requires that you surrender the current registration in order to transfer the plate and financial credits to the new vehicle. It is also important to remember that transfers can only occur when the owner of both vehicles remains the same (we refer to this as "owner to owner" transfers). There are limited scenarios where exceptions are made, and we would strongly advise contacting our office if you are unsure and we will provide further advice.

VITAL RECORDS: Marriage licenses are issued through this office. Both parties must be present to fill out and sign marriage intentions, and the fee is \$45. Certified copies of the following vital records that occurred in any Town or City in NH are available through this office: Births from 1982 to present; Deaths from 1990 to present; Marriages from 1989 to present; Divorces from 1990 to present; and Civil Unions and Civil Union Dissolutions from 2008 to present. Prior to the dates above, vital records may only be obtained from the Town or City where the event occurred or in Concord at the Division of Vital Records. Fees for certified copies of vital records are \$15 for the first copy and \$10 for subsequent copies of the same record obtained at the same time. You will find the vital records statistics for the year at the end of the Town Report.

EDUCATION: Keeping up with the ever-changing legislation, election statutes, motor vehicle laws, vital records rules, Department of Revenue guidelines, etc. remains a crucial piece of our job responsibilities. In April Sharon and Jen attended a full day Tax Collector Conference where information was presented on liening and deeding notices, bankruptcy, and a preview of major changes in how we will be reporting year-end revenues to the State. In June we attended a full day Town Clerk's Workshop covering elections, motor vehicles, and vital records. In early August we both attended a half-day election workshop and later that month Deputy Jennifer Martel completed her second year of a four-year program for Town Clerk/Tax Collector Certification with a 98% test score. Sharon attended fall conferences for both Town Clerks (NHCTCA) and Tax Collectors (NHTCA). These conferences provide in-depth education presented by all of the state agencies we work for and with to gain knowledge of current and future changes to laws and gather the information necessary for providing quality customer service to our community.

Please visit the Town's website: www.sandwichnh.org; select "DEPARTMENTS" from the homepage to choose either Town Clerk's Office or Tax Collector. From the "Popular Pages" list on the homepage, you can select "Car Registrations", "Dog "Licensing" or "Elections". We will continue to keep you posted with timely information and links to commonly used forms.

TOWN WARRANT NARRATIVE

The following is a brief overview of each Article listed in the Town Warrant.

ARTICLES 1 and 2: Articles 1 and 2 in the Town Warrant will be decided by ballot on Tuesday, March 10, 2015 at Town Hall. Voting hours are 10:00 A.M. to 7:00 P.M. All other Articles contained in the Warrant will be considered at the Deliberative Session on Wednesday, March 11, 2015, at the Sandwich Central School at 7:00 P.M.

ARTICLE 3: The General Government portion of the budget is down by over \$96,000 for 2015. Several factors contributed to this decrease including the conclusion of the Town's property revaluation and the Department of Labor safety audit. Town Department budgets within General Government have held their operating budgets to the same or below those of 2014 due to good fiscal management and reductions in health insurance premiums.

Town employees will receive a 1.5% COLA increase in 2015. The Welfare line remains the same as 2014 at \$40,000, and the legal line has been increased from \$35,000 to \$60,000 to cover the ongoing utility tax abatement appeals and a Zoning Board of Adjustment appeal.

New this year is an appropriation to hire an independent building permit inspector on a part-time basis. Building permit applications often involve complex and/or nuanced zoning issues; it is time for the Town to hire a professional to conduct comprehensive inspections and to ensure compliance with our zoning ordinance.

The Town will pay \$71,525 in principal and interest on its debt obligations in 2015. Town debt is made up of (i) a Tax Anticipation Loan (TAN) to facilitate cash flow until taxes are paid in December. Interest on the TAN is generally under \$10,000 a year; (ii) Long term debt due to the Town Hall renovation bond in 2012; and (iii) the NH CDFA loan for installation of the solar panels at the Central Fire Station.

ARTICLE 4: As a result of Phase I of the Town septic system engineering study, the Selectmen, the Sewer Commissioners and the engineering firm of Tighe & Bond confirmed that the Town septic system is operating at reduced capacity due to the current septic tank configuration. While our septic system was designed and built to operate at 30K gallons per day (gpd) the current 6 tanks of 5,000 gpd each are not functioning as intended. It is recommended that the Town replace the existing tanks with two 25K gpd tanks. This will allow the system to operate at its designed and permitted capacity of 30K gpd; and will give us the ability to expand the system capacity to 50K gpd in the future when needed.

The Board of Selectmen and the Sewer Commissioners unanimously support this recommended course of action.

ARTICLE 5: The stage area between the Fairgrounds and the Library is owned by the Town as part of the Library property. The Sandwich Fair Association would like to make a significant investment in the stage facility by installing new bleachers (at a projected cost in excess of \$100,000) and upgrade the stage. In order to make these investments, the Fair Association has requested the finalization of the long-discussed boundary adjustment with the Town. After further discussions in 2014 with the Fair Association and Library Trustees, the Selectmen have included this Article in the Town Warrant as a boundary line adjustment which will give the Fair Association less than one acre of land (roughly the area inside the Fair Association's fence). The Fair Association will then be responsible for all repairs, maintenance and insurance on the stage and bleachers. The adjustment will be subject to a right of reversion to the Town in the event the Fair Association ceases to operate. In addition to the boundary adjustment, the Town and the Fair Association will enter into a long-term facility use agreement to ensure that the Town has continued use and access to the stage.

ARTICLE 6: The Sandwich Senior Housing Committee has petitioned the Town to take over the portion of Heard Road from Grove Street to the guard rails at the entrance of Spokesfield Common (this layout would not include the Spokesfield Common cul-de-sac).

ARTICLE 7: The Police Department's operating budget increased by only 1% from 2014. The Town will continue to have 7 day/week coverage by both our full-time and part-time Officers, as well as a Beach Enforcement Officer during the summer.

ARTICLE 8: The Town is still served by Stewart's Ambulance Service per the contract and Inter-Municipal Agreement established in 2010. New this year is a supplemental agreement with the Town of Moultonborough to provide 24-hour paramedic coverage for an annual cost of \$5,789.

ARTICLE 9: The Police Station is too small and functionally inadequate for the requirements of the Police Department. We need to renovate and upgrade the building or perhaps even move the department to another locale. The proposed study will review the current building, location and the needs of the Police Department in order to determine what is best for the Town. This project will be funded with a grant from the Alfred Quimby Fund.

ARTICLE 10: The Fire Department's operating budget is almost identical to last year's budget, with the exception of the addition of an appropriation for a part-time Fire Chief position. For the past few years the Fire Department has been advocating for the establishment of a salaried Fire Chief position. After many discussions, the Budget Committee, Selectmen, and Fire Department have agreed that there is a need for a hired position and believe that it should initially be a part-time position starting July 1, 2015. The recommended appropriation of \$18,893 reflects 25 hours a week at \$27/hour plus associated payroll taxes.

ARTICLE 11: This Article will amend Article 32 of the 1995 Town Warrant which established the current personnel structure of the Fire Department. The current structure provides that the Fire Chief is to be nominated by department membership and then appointed by the Selectmen. Now that the Town will be hiring the Chief as an employee, the Selectmen will oversee the nomination (interviewing/evaluating) process with input from the membership. Pursuant to State statute, RSA 154:1(IV), the addition of the Selectmen to the nomination process will not take effect until 2016.

ARTICLE 12. The Central Fire Station requires electrical upgrades. This expense will be offset by the balance left in the Life Safety Building Capital Reserve for which there will be a vote to dissolve in Article 13.

ARTICLE 13: The Life Safety Building Capital Reserve is no longer needed since it was determined by the Life Safety Building Committee that a building combining both the Fire Department and Police Department is not necessary. Any funds remaining in the Capital Reserve after offsetting the electrical upgrade at the Station will be deposited into the General Fund.

ARTICLE 14: In 2014 the Town started to update its Emergency Operations Plan (EOP), as is required by FEMA. This year the Emergency Management Directors and department heads will continue to update the Town's required EOP, which will be fully funded through a grant from NH Homeland Security and Emergency Management.

ARTICLE 15: The Highway Department's operating budget reflects a minimal increase from last year due to a continued investment in the maintenance of both the Town's equipment and roads. Within this operating budget, the Road Agent is proposing to increase both the Tar/Paving line for necessary crack-sealing road maintenance, and the Outside Contractor line for the rental of a vibratory roller.

ARTICLE 16: The second phase of the Mt. Israel paving is scheduled for 2015. Paving and repairs are also planned for certain sections of Range Road and Foss Flats Road, which are long overdue. The Transfer Station Road will also get its final repair and shim. The CIP Committee recommends an annual appropriation of \$190,000 be invested in our paved roads. The Highway Streets and Bridges Capital Reserve will be used to offset this expense by \$25,000.

ARTICLE 17: The Highway Department needs a new, more versatile dump truck. The Road Agent is proposing to purchase an AWD dump truck with a reversible plow and sander. Two trucks from the Highway Department fleet will be either traded in or sold to help offset this expense. \$80,000 will be withdrawn from the Highway Equipment Capital Reserve to offset this expense.

ARTICLE 18: The 2004 International dump truck is in desperate need of a new dump body due to rust. This investment will add 5-6 years to the life of this vehicle. This new dump body will be better suited for year-round maintenance. The new dump body will also come with a stainless steel slide-in sander and potentially a new reversible road plow. The Quimby Trustees have generously offered to fund half of this expense.

ARTICLE 19: The Sandwich Notch Road was severely damaged by the rain storms last summer and was hardly travelable. Several vehicles broke down due to the road conditions. The State Department of Transportation brought in material and patched some areas, but the road requires further investment of materials for repairs and crowning. This expense will be fully-funded by the Gravel Roads Capital Reserve.

ARTICLE 20: The Department of Transportation has moved up the Quaker-Whiteface Bridge repair start date to FY 2016 on their State Bridge Aid project list. We are proposing to finalize the bid documents and engineering plans this year, so the project will be ready for completion in the spring of 2016 (subject to Town Meeting approval).

ARTICLE 21: The Highway Shed roof should be altered to a single shed pitch to better adapt to our winters, and insulation should be added above the existing roof for better energy efficiency. This Article creates a Capital Reserve with \$20,000 to start saving for this improvement.

ARTICLE 22: The Transfer Station operating budget is down from 2014 by almost 13%. This reflects the efficient management, staffing and operational improvements that the Road Agent has implemented to reduce the cost to operate this facility.

ARTICLE 23: This article is by petition from the Sewer Commissioners and covers their operating expenses and deposits to the Capital Reserve, which will be used for the repair or reconstruction of the leachfield and other system components.

ARTICLE 24: This article will authorize the Sewer Commissioners to apply for and accept/ expend funds from the State, Federal Government or a private source. This authorization will remain in effect unless rescinded by a future Town Vote. This does not authorize the Sewer Commissioners to obligate the Town to long-term debt.

ARTICLE 25: Culture and recreation are important aspects of our Town's identity and expenditures here include the Parks and Recreation Department, Old Home Week, 4th of July and Memorial Day celebrations. As always, the Town is grateful to the Alfred Quimby Fund and the Quimby Trustees for their continued support of the Town's Parks and Recreation program.

ARTICLE 26: There are now only two components to the Groundskeeping expenditure: General Groundskeeping (Town buildings and properties) and Roadside Snow Removal to provide downtown parking along Main and Maple Streets. By eliminating the need to hire a contractor to do winter sidewalk maintenance, we have reduced this section of the budget by over \$17,000 for 2015.

ARTICLE 27: The Town's conservation expenses are used typically to support the Conservation Commission, assist with the funding of the Five Days of Sandwich, a very successful three-week program during the summer for children ages 7-14, and a contribution to the Green Mountain Conservation Group (GMCG) toward their annual river testing. The Coolidge Conservation Trust assists the Town in funding these endeavors.

ARTICLE 28: Recommended contributions to capital reserves and expendable trusts are still conservative this year in order to keep the overall budget down. Of course it's important to plan for the future and deposits are made to the most active funds with advice from the CIP Committee.

ARTICLE 29: The Marjorie Thompson Trust may be used to assist children of Sandwich with the costs of their education or other needs. This is an annual article.

ARTICLES 30 - 42: These are petitioned articles requiring the signatures of at least twenty-one registered voters in Sandwich in order to be placed on the Warrant. Brief descriptions are as follows:

Samuel H. Wentworth Library: The Library Trustees once again submitted a petition for their 2015 budget of \$90,760.

Starting Point: A non-profit organization serving victims of domestic and sexual assault in Carroll County. Services include a 24-hour hotline, emergency shelter, court and hospital advocacy, support groups and education. All services are at no charge.

Tri-County Community Action: Community contact program which provides necessary services to Sandwich residents if they are financially unable to do so. They provide fuel and electric bill assistance, emergency shelter, and support several food pantries.

Community Food Bank - St. Andrews: Furnishes food to Sandwich and other neighboring communities as needed every other week. They also provide needy families with both Thanksgiving and Christmas food baskets.

Northern Human Services: This organization provides services to Sandwich residents who are unable to pay the full cost of their mental health care. They also provide a 24-hour emergency service as a public safety function to the community.

Moultonboro/Sandwich Senior Meals: This Sandwich Senior Meals program (Meals on Wheels) is run under Ossipee Concerned Citizens and provides home-delivered meals to area residents as well as hot meals served at the Benz Center and Moultonboro Lions Club.

Winnepesaukee Wellness Center: A health and fitness center providing necessary monitoring, testing, and training for improved health.

Doris L. Benz Center: Our local community center that provides a gathering place for private parties, meetings of clubs, social groups, Town government, charitable organizations, exercise, musical groups, and more.

Central New Hampshire VNA & Hospice: Visiting Nurse and Hospice organization, which provides home health care to those who are in need.

InterLakes Community Caregivers: Sandwich Caregivers merged with this outreach program, which services residents in Center Harbor, Meredith, Moultonboro, and Sandwich.

Carroll County Transit: This community-based program provides demand response transportation services to residents in Carroll County.

The Selectmen do not support this article as there is some question as to the actual value the Town receives from this service.

Friends of Mead Base Conservation Center: A community organization created to preserve the historic and tranquil nature of Mead Base through passive use, stewardship and education.

Sandwich Children's Center: Since 1985, Sandwich Children's Center has provided a high-quality, affordable, early-learning experience for the children of Sandwich and surrounding communities.

**SANDWICH
TOWN
WARRANT
2015**

2015 SANDWICH TOWN WARRANT

State of New Hampshire

Carroll County, S.S.

To the inhabitants of the Town of Sandwich qualified to vote in Town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, the 10th day of March 2015 from 10:00 A.M. until 7:00 P.M., to elect Town and Cooperative School District Officers by official ballot, and vote by official ballot on the proposed amendments to the Town Zoning Ordinance; then on Wednesday, the 11th day of March 2015 at 7:00 P.M. at the Sandwich Central School to consider all other Town business; and if this meeting is reconvened, the date will be the 12th day of March 2015, at 7:00 P.M. at the Sandwich Central School to act upon the following articles:

ARTICLE 1. To elect by official ballot all necessary Town and Cooperative School District Officers for the ensuing year. On the ballot for the Town of Sandwich are the following positions:

Selectman for three years
Cemetery Trustee for three years
Trustee of Trust Funds for three years
Sewer Commissioner for three years
Library Trustee for three years (2)

ARTICLE 2. To see how the Town will vote by official ballot on the proposed amendments to the Town Zoning Ordinance as follows:
Are you in favor of the adoption of the following Amendments to the Town Zoning Ordinance as proposed by the Planning Board as follows:

1. Are you in favor of the adoption of Amendment No. 1 as proposed for the Sandwich Zoning Ordinance as follows:

Amend Article I, Section 150-5 Definitions: Add Accessory Apartment, Bunkhouse/Sleeping Cabin, Amend Dwelling, and Delete Accessory Dwelling

2. Are you in favor of the adoption of Amendment No. 2 as proposed for the Sandwich Zoning Ordinance as follows:

Amend Article III, General Provisions Applicable to All Districts, 150-13, C Setbacks and amend a proposed amendment: Article XVIII Village Zoning District General Provisions, 150-127 Setbacks, C - replace references to "Accessory Dwellings" with "Bunkhouse / Sleeping Cabin" to clarify that a Bunkhouse / Sleeping Cabin will have the same setbacks as a principal structure and that all references in the Zoning Ordinance to Accessory Dwellings will be replaced with Bunkhouse / Sleeping Cabin.

3. Are you in favor of the adoption of Amendment No. 3 as proposed for the Sandwich Zoning Ordinance as follows:

Amend Article II, Section 150-7 Permitted Structures and Uses: Add language describing the criteria for Accessory Apartments as an allowed use in all zoning districts

4. Are you in favor of the adoption of Amendment No. 4 as proposed for the Sandwich Zoning Ordinance as follows:

Amend Article III, General Provisions Applicable to All Districts, 150-11 Lot Frontage to allow access to land-locked lots and lots with less than the required 160' of frontage

5. Are you in favor of the adoption of Amendment No. 5 as proposed for the Sandwich Zoning Ordinance as follows:

Amend Article IX Wetland Protection, 150-51 Special Provisions to comply with the Department of Environmental Services regulations for septic installations.

6. Are you in favor of the adoption of Amendment No. 6 as proposed for the Sandwich Zoning Ordinance as follows:

Amend Article XIV Administration, Amendment, Enforcement, and Penalty, 150-98 Appeal to be consistent with statutory language and to clarify the deadline for submission of appeals to the Zoning Board of Adjustment.

7. Are you in favor of the adoption of Amendment No. 7 as proposed for the Sandwich Zoning Ordinance as follows:

Article XIV Administration, Amendment, Enforcement, and Penalty, 150-99 Enforcement to clarify that the Board of Selectmen determines that a violation has occurred prior to instituting action.

8. Are you in favor of the adoption of Amendment No. 8 as proposed for the Sandwich Zoning Ordinance as follows:

Amendments and Additions to the Zoning Ordinance to create a village district with zoning that allows a concentration of buildings, contains a mix of land uses, and zoning setback and lot size and coverage requirements that more accurately reflect the dimensional characteristics currently and historically found in the village center.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$ 574,736 for the following purposes:

General Government	\$ 463,211
Welfare	\$ 40,000
Debt Service	\$ 71,525

The breakdown of the major categories is listed in the budget.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$ 250,000 for the replacement and upgrade of the existing tanks at the wastewater treatment facility located on Squam Lake Road, and will be funded by general taxation. Also, to

authorize the Selectmen to apply for any loans or grants which may be available for this project that will be used to offset this appropriation.

ARTICLE 5. To see if the Town will authorize the Board of Selectmen to convey to the Sandwich Fair Association, Inc., on terms to be negotiated by the Board of Selectmen, less than a one acre portion of property identified as Tax Map U2, Lot 1, owned by the Town, containing the outdoor stage facility. The Selectmen recommend passage of this Article.

ARTICLE 6. To see if the Town will authorize the Board of Selectmen to approve the layout of that portion of Heard Road which extends from Grove Street to the Real Property of Brady Sullivan Spokesfield Common, LLC as a Town of Sandwich public highway. The Selectmen recommend passage of this Article.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$ 246,330 for the Police Department for the following purposes:

Police Department	\$ 245,230
DARE Program	\$ 1,100

The DARE program will be funded by withdrawing \$ 1,100 from the Robert Ramirez Trust Fund, and the balance to be raised by general taxation.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$ 68,154 for ambulance service.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$ 10,000 for the purpose of an architectural and engineering study for the expansion or upgrade of the Police Station, and to fund this appropriation by authorizing the Selectmen to accept a donation of \$ 10,000 from the Alfred Quimby Fund.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$ 171,400 for Fire Protection.

Fire Department	\$ 164,290
Forest Fires/Red Hill Tower	\$ 2,050
Fire Department Special Details	\$ 5,060

It is anticipated that the Fire Department Special Details appropriation in the amount of \$ 5,060 will be offset by payments made by the sponsoring organizations.

ARTICLE 11. To see if the Town will vote to change the organization of the Fire Department pursuant to RSA 154:1(IV), to allow for the appointment of the Fire Chief by the Selectmen in consultation with the Fire Department membership. The Fire Chief

shall appoint the necessary officers and firefighters. This change shall take effect one year following the vote.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$ 10,000 for the purpose of electrical upgrades to the Central Fire Station and to fund this appropriation by authorizing the withdrawal of \$ 8,000 from the Life Safety Building Capital Reserve Fund, with the balance to be raised by general taxation. The Selectmen recommend passage of this Article.

ARTICLE 13. To see if the Town will vote to discontinue the Life Safety Building Capital Reserve Fund. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's General Fund. The Selectmen recommend passage of this Article.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$ 2,500 for the updating of the Town's Emergency Operations Plan as required by the Federal Emergency Management Agency; and to fund this appropriation by authorizing the selectmen to accept a grant of \$ 2,500 from NH Homeland Security and Emergency Management.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$ 680,755 to pay for expenditures for Highways, Streets and Bridges.

Highway, Streets and Bridges	\$ 679,914
Notch/Dale Road State Payment	\$ 841

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$ 190,000 for repair and paving of Mount Israel Road (Phase II), Transfer Station Road, Range Road, Foss Flats Road and any other roads as determined necessary by the Road Agent, and to fund this appropriation by authorizing the withdrawal of \$ 25,000 from the Highway Streets and Bridges Capital Reserve Fund, with the balance to be raised by general taxation. The Selectmen recommend passage of this Article.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$ 152,000 for the purchase of a new or used dump truck and reversible plow and sander for the Highway Department and to fund this appropriation by authorizing the withdrawal of \$ 80,000 from the Highway Equipment Capital Reserve Fund, with the balance to be raised by general taxation; further to authorize the Board of Selectmen to sell or trade a 7400 International dump truck and a Ford F550 truck. The Selectmen recommend passage of this Article.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$ 36,000 to install a new dump body with stainless steel slide-in sander and other accessories for the 2004 International truck, and to fund this appropriation by authorizing the

Selectmen to accept a donation of \$ 18,000 from the Alfred Quimby Fund with the balance to be raised by general taxation.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$ 15,000 for the repair of the Sandwich Notch Road, and to fund this appropriation by authorizing the withdrawal of \$ 15,000 from the Gravel Roads Capital Reserve Fund. The Selectmen recommend passage of this Article.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$ 7,500 for the preparation of bid documents and final engineering work for the Quaker Whiteface Bridge renovation project.

ARTICLE 21. To see if the Town will vote to establish a Highway Shed Roof Capital Reserve under the provisions of RSA 35:1-C for the purpose of both studying and replacing the Highway Shed roof, and to raise and appropriate the sum of \$ 20,000 for deposit in that Fund. The Selectmen recommend passage of this Article.

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$ 112,326 for expenditures on Sanitation.

Transfer Station	\$ 108,751
Landfill Monitoring	\$ 1,900
Household Hazardous Waste	\$ 1,675

Further to fund this appropriation by authorizing the withdrawal of \$ 1,500 from the Landfill Monitoring Capital Reserve Fund with the balance to be raised by general taxation. The Selectmen recommend passage of this Article.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$25,000 for expenses related to the Central Sewer System, the breakdown as follows: 1. \$19,000 for the operation and maintenance of the Central Sewer System, and 2. \$6,000 for deposit into the Sewer Capital Reserve Fund for the purpose of reconstruction of the leach field. These monies to be derived from sewer user fees. This article by request of the Sewer Commissioners. The Selectmen recommend passage of this Article.

ARTICLE 24. To see if the Town will vote to authorize the Board of Sewer Commissioners to apply for, accept and expend without further action by Town Meeting, money from state, federal, or other governmental unit or a private source. This authority is limited to the purposes and powers held and exercised by Sewer Commissioners as described by RSA 149-I, and does not authorize the Sewer Commissioners to incur long term debt. This authority to continue indefinitely until rescinded by vote at a future Town Meeting.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$ 137,884 for Culture and Recreation.

Parks and Recreation	\$ 114,734
Old Home Week	\$ 3,100

Patriotic Purposes	\$ 7,050
Independent Program	\$ 13,000

Further to fund this appropriation by authorizing the Selectmen to accept a donation of \$32,750 from the Alfred Quimby Fund, and to authorize the withdrawal of \$ 450 from the Lena Nelson Trust, with the balance to be raised by general taxation. It is anticipated that the \$13,000 appropriation for the Independent Program, will be offset by monies generated by program fees.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$ 16,000 for the purpose of Groundskeeping and plowing for roadside parking.

Groundskeeping	\$14,000
Snowblowing for Roadside Parking	\$ 2,000

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$ 10,637 for the following purposes for Conservation:

Conservation Commission Operating Expenses	\$ 1,392
5 Days of Sandwich Conservation Camp	\$ 8,345
Green Mountain Conservation Group River Testing	\$ 900

Further, to fund this appropriation by authorizing the withdrawal of \$ 3,450 from the Coolidge Conservation Trust Fund, with the balance to be raised by general taxation. It is anticipated that the 5 Days of Sandwich Conservation Camp will be partially offset by approximately \$ 1,000 in camper fees.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$88,000 to be added to existing Capital Reserve Funds as follows:

Fire Equipment Capital Reserve	\$ 5,000
Town Equipment Expendable Trust	\$ 5,000
Town Buildings Expendable Trust	\$ 5,000
Office Equipment Expendable Trust	\$ 2,000
Gravel Roads Capital Reserve	\$ 15,000
Highway Streets Bridges Capital Reserve	\$ 50,000
Library Building Expendable Trust	\$ 6,000

The Selectmen recommend passage of this Article.

ARTICLE 29. To see if the Town will vote to authorize the Selectmen to expend income from the Marjorie Thompson Fund as they see fit, for the benefit of children of Sandwich residents.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$ 90,760 for the support of the S.H. Wentworth Library operating budget and trust fund

management fees. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$ 1,125 in support of Starting Point, which provides crisis services to the victims of domestic and sexual violence and their children. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 32. To see if the Town will vote to raise and appropriate the sum of \$ 4,000 for Tri-County Community Action for the purpose of continuing services of the Fuel Assistance Program for the residents of Sandwich. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 33. To see if the Town will vote to raise and appropriate the sum of \$ 1,500 for the Community Food Center at St. Andrew's. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of \$ 716 to assist the Northern Human Services, The Mental Health Center (formerly Carroll County Mental Health). This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of \$ 9,000 for Moultonboro-Sandwich Senior Meals Program (formerly Meals on Wheels and Sandwich Congregate Meals). This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of \$ 3,000 for the Winnepesaukee Wellness Center. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of \$ 4,000 for the Doris L. Benz Center. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 38. To see if the Town of Sandwich will vote to raise and appropriate the sum of \$3,000 for the annual support of services provided to the citizens of this community by the Central New Hampshire VNA & Hospice. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of \$ 1,000 for the Interlakes Community Caregivers. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 40. To see if the town will vote to raise and appropriate the sum of \$ 3,000 to support Carroll County Transit. This article by petition. The Selectmen do not recommend passage of this Article.

ARTICLE 41. To see if the Town will vote to raise and appropriate the sum of \$ 1,500 for Friends of Mead Base Conservation Center. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 42. To see if the Town will vote to raise and appropriate the sum of \$ 6,000 for the Sandwich Children's Center which provides early childcare and education services. This article by petition. The Selectmen recommend passage of this Article.

ARTICLE 43. To transact any other business that may legally come before said meeting.

Given under our hands and the Seal of the Town of Sandwich this 18th day of February 2015.

Respectfully submitted,

Arthur R. Kerr, II, Chairman
Willard G. Martin
Michael Yeager

Board of Selectmen

2014 TOWN OF SANDWICH MEETING MINUTES

The first session of the 251st Sandwich Town Meeting was held March 11, 2014 in the second floor auditorium at the Sandwich Town Hall. Moderator Lee Quimby called the meeting to order at 8:00 A.M. and announced that there would be no smoking, loitering, or politicking in the building. Mr. Quimby read the notarized attestation of the Warrant signed by Arthur R. Kerr, II, Willard G. Martin and Michael Yeager, Sandwich Board of Selectmen, certifying that on February 18, 2014 an attested copy of the within Warrant was posted at four public places in said Town. He stated that the meeting would be held in two sessions with Articles One and Two, as well as the Inter-Lakes Cooperative School District Ballot and Special State Ballot for Executive Councilor for District 1 being voted on today, and the second session to be held tomorrow evening, weather permitting, to consider and vote on Articles 3 through 50. Mr. Quimby began the reading of the 2014 Warrant and, at the conclusion of Article 2, Michael Yeager moved to suspend the reading of the rest of the warrant until tomorrow evening, seconded by Willard Martin. Mr. Yeager then made the motion to vote on Articles 3 through 50 tomorrow evening, seconded by Willard Martin. The Moderator announced that absentee ballots would be cast at 1:00 P.M. this afternoon. Edwin Adriance came forward to inspect the ballot boxes, and upon declaring them empty, the boxes were locked by Assistant Moderator James Mykland. Mr. Quimby declared the polls open until 7:00 P.M. and the first voters were accepted at 8:10 A.M.

ARTICLE 1. To elect by official ballot all necessary Town and Cooperative School District Officers for the ensuing year.

ARTICLE 2. To see how the Town will vote by official ballot on the proposed amendments to the Town Zoning Ordinance as follows:

Are you in favor of the adoption of the following Amendments to the Town Zoning Ordinance as proposed by the Planning Board as follows:

1. Are you in favor of the adoption of Amendment No. 1 as proposed for the Sandwich Zoning Ordinance as follows:

Amend Article I, Section 150-5 Definitions: Add a definition for 'Road' and delete the definition for 'Unnecessary Hardship.'

YES 282

NO 64

2. Are you in favor of the adoption of Amendment No. 2 as proposed for the Sandwich Zoning Ordinance as follows: Amend Article II, Section 150-7 Permitted Structures and Uses: Clarify the criteria for approval for Home Occupations and Home-Based Businesses.

YES 267

NO 78

3. Are you in favor of the adoption of Amendment No. 3 as proposed for the Sandwich Zoning Ordinance as follows: Amend Article III, General Provisions Applicable to All Districts, by adding Section 150-20 C Lots Served by Roads, Streets, & Driveways: To clarify the number of lots served by roads, streets, and driveways.

YES 275

NO 67

4. Are you in favor of the adoption of Amendment No. 4 as proposed for the Sandwich Zoning Ordinance as follows: Amend Article XV, Variances and Specials Exceptions, Sections 150-101 & 150-102: to clarify the expiration time for approved variances and special exceptions.

YES 287

NO 57

At 8:00 A.M. Wednesday, March 12, due to hazardous weather conditions, Moderator Lee Quimby postponed and rescheduled the Deliberative Session of Town Meeting to be convened at 7:00 P.M. the following evening, Thursday, March 13, at Sandwich Central School. Notices were posted at Sandwich Central School, Town Hall, North Sandwich Store and Post Office, Sandwich Post Office and S.H. Wentworth Library.

At 7:00 p.m. on March 14, 2014 Moderator Lee Quimby opened the second session of the 251st Sandwich Town Meeting at Sandwich Central School. The Reverend Marshall Davis offered the invocation. Don Brown, proprietor of the Corner House Restaurant, to whom the Annual Report was dedicated, was introduced and received a round of applause for his generosity, dedication to and support of the Town. Mr. Brown led the Pledge of Allegiance and Mr. Quimby led the singing of the National Anthem. Mr. Quimby introduced Town Officers present, microphone runners and operator of the PA system, members of the Budget Committee, and members of the 250th Sestercentennial Committee. The Time Capsule prepared for the 300th Anniversary of Sandwich was on display at the back of the room and Selectman Arthur Kerr mentioned each person involved in designing and creating the capsule. Mr. Quimby read the results of the voting for Town and School District Officers, Proposed Zoning Amendments and the results of the town's votes in the State General Election for District 1 Executive Councilor. A total of 380 votes were cast at the polls representing 36% participation. Mr. Quimby proceeded to read the results of voting for the entire Inter-Lakes School Board district as follows:

	<u>Ctr. Harbor</u>	<u>Meredith</u>	<u>Sandwich</u>	<u>Total</u>
<u>Moderator</u>				
Lee Quimby	201	699	363	1,263
<u>School Board</u>				
<u>Member-at-Large</u>				
Richard Hanson	204	660	318	1,182
<u>School Board Member</u>				
<u>Resident of Sandwich</u>				
<u>(Write-Ins)</u>				
Howard Cunningham	29	108	106	243
Major LaRowe	4	15	59	78
Francis Strayer-Benton			2	2

Mr. Quimby announced State-wide results of the Executive Councilor District 1 election: **Joseph D. Kenney 21,351** and Michael J. Cryans 20,084

Mr. Quimby read Lee Rouner's Prayer for Town Meeting, asked for a moment of silence to remember the townspeople that passed away in 2013, also mentioning Executive Councilor Ray Burton and residents recently lost in 2014. He announced information regarding use of the building and the Rules of Conduct of the meeting.

ARTICLE 3. To see if the Town will vote to raise and appropriate the sum of \$ 672,063 for the following purposes:

General Government	\$ 558,717
Welfare	\$ 40,000
Debt Service	\$ 73,346

The breakdown of the major categories is listed in the budget.

Motion by Louis Brunelle, second by Anne Bullitt, voted affirmative.

ARTICLE 4. To see if the Town will vote to raise and appropriate the sum of \$ 244,510 for the Police Department for the following purposes:

Police Department	\$ 243,410
DARE Program	\$ 1,100

The DARE program will be funded by withdrawing \$ 1,100 from the Robert Ramirez Trust Fund, and the balance to be raised by general taxation.

Motion by Robert Miner, second by Anne Papen, voted affirmative.

ARTICLE 5. To see if the Town will vote to raise and appropriate the sum of \$ 62,365 for ambulance service.

Motion by Robert Rowan, second by Gerard Gingras, voted affirmative.

ARTICLE 6. To see if the Town will vote to raise and appropriate the sum of \$ 40,000 for a fully equipped 2014 Ford Expedition Police Cruiser and to fund this appropriation by the withdrawal of \$ 30,000 from the Police Equipment Capital Reserve, and to authorize the Selectmen to sell or trade the 2008 Ford Expedition and use the proceeds toward this appropriation, and the balance to be raised by general taxation. The Selectmen recommend passage of this Article.

Motion by Anne Bullitt, second by Louis Brunelle, voted affirmative.

ARTICLE 7. To see if the Town will vote to raise and appropriate the sum of \$ 5,690 for a multi-user and imaging police software upgrade and to fund this appropriation by the withdrawal of \$ 5,690 from the Police Equipment Capital Reserve. The Selectmen recommend passage of this Article.

Motion by James Mykland, second by Anne Bullitt, voted affirmative.

ARTICLE 8. To see if the Town will vote to raise and appropriate the sum of \$ 146,424 for Fire Protection.

Fire Department	\$ 138,864
Forest Fires/Red Hill Tower	\$ 2,500
Fire Department Special Details	\$ 5,060

The Fire Department Special Details in the amount of \$ 5,060 will be funded by the sponsoring organization and the balance to be raised by general taxation.

Motion by Christopher Boldt, second by Robert Rowan, voted affirmative.

ARTICLE 9. To see if the Town will vote to raise and appropriate the sum of \$ 15,000 for the purpose of upgrades to the Central Fire Station and Whiteface Station and to fund this appropriation by a withdrawal of \$ 15,000 from the Life Safety Building Capital Reserve. The Selectmen recommend passage of this Article.

Motion by James Martel, second by Carolyn Boldt, voted affirmative.

ARTICLE 10. To see if the Town will vote to raise and appropriate the sum of \$ 2,500 for the updating of the Town's Emergency Operations Plan as required by the Federal Emergency Management Agency; and to fund this appropriation with a grant of \$ 2,500 through NH Homeland Security and Emergency Management.

Motion by Robert Miner, second by Louis Brunelle, voted affirmative.

ARTICLE 11. To see if the Town will vote to raise and appropriate the sum of \$ 75,000 for the purpose of a two phase engineering study and design concerning the Town sewer system. Phase I to study the construction and installation of a replacement tank at the Squam Lake Road pump station, and Phase II to study the expansion of the sewer system to increase capacity.

Motion by Gerard Gingras, second by James Bullitt. After considerable discussion, voted affirmative.

ARTICLE 12. To see if the Town will vote to raise and appropriate the sum of \$ 671,019 to pay for expenditures for Highways, Streets and Bridges.

Highway, Streets and Bridges	\$ 670,178
Notch/Dale Road State Payment	\$ 841

Motion by Christopher Boldt, second by James Bullitt, voted affirmative.

ARTICLE 13. To see if the Town will vote to raise and appropriate the sum of \$ 10,000 for the purpose of repairing a drainage issue on Mountain Road.

Motion by Anne Bullitt, second by Nancy Gill, voted affirmative.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of \$ 180,000 for the repair of Mount Israel Road (Phase I) and to fund this appropriation by the withdrawal of \$ 90,000 from the Highway Streets and Bridges Capital Reserve, and the balance to be raised by general taxation. The Selectmen recommend passage of this Article.

Motion by Margaret Merritt, second by Richard Papen, voted affirmative.

ARTICLE 15. To see if the Town will vote to raise and appropriate the sum of \$ 15,246 for the purchase of a 19 foot flat deck equipment trailer for the Highway Department and to fund this appropriation by the withdrawal of \$ 15,246 from the Highway Equipment Capital Reserve. The Selectmen recommend passage of this Article.

Motion by Sarah Zuccarelli, second by Kenneth Alcock, voted affirmative.

ARTICLE 16. To see if the Town will vote to raise and appropriate the sum of \$ 62,500 for the purchase of a Track Excavator for the Highway Department and to fund this appropriation by a donation of \$ 45,000 from the Alfred Quimby Fund and the balance to be raised by general taxation.

Motion by Kenneth Alcock, second by Alfred Lavigne, voted affirmative.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of \$ 19,000 for the purchase of a John Deere 4-Wheel Drive tractor with snow-blower, scraper blade, and 60" mower deck attachments for the purpose of maintaining sidewalks in the winter and mowing town property in the summer and to fund this appropriation by the withdrawal of \$ 19,000 from the Highway Equipment Capital Reserve. The Selectmen recommend passage of this Article.

Motion by Ashley Bullard, second by Anne Bullitt. After considerable discussion, voted affirmative.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$ 36,000 for upgrades to the Highway Shed including exterior paint, heating, plumbing and electrical upgrades, lighting, insulation and roof repair and to authorize the Selectmen to accept any energy grants for this project.

Motion by Kenneth Alcock, second by Robin Dustin, voted affirmative.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$ 128,809 for expenditures on Sanitation.

Transfer Station	\$ 125,377
Landfill Monitoring	\$ 1,800
Household Hazardous Waste	\$ 1,632

The Landfill Monitoring cost of \$1,800 will be funded by a withdrawal from the Landfill Monitoring Capital Reserve Fund and the balance to be raised by general taxation. The Selectmen recommend passage of this Article.

Motion by Alfred Lavigne, second by Marilyn Read, voted affirmative.

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$ 26,000 for Transfer Station paving projects including a shim coat for a portion of the road.

Motion by Christopher Boldt, second by James Bullitt, voted affirmative.

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$25,000 for expenses related to the Central Sewer System, the breakdown as follows: 1. \$19,000 for the operation and maintenance of the Central Sewer System, and 2. \$6,000 for deposit into the Sewer Capital Reserve Fund for the purpose of reconstruction of the leach field. These monies to be derived from sewer user fees. This article by request of the Sewer Commissioners. The Selectmen recommend passage of this Article.

Motion by Robert Rowan, second by Robin Dustin, voted affirmative.

ARTICLE 22. To see if the Town will approve the use of the Sandwich Recycling Center by residents of the Wonalancet section of Albany. The Town of Albany to furnish a list of approved residences for which they will pay the Town an annual fee of \$125 for a year-round residence and \$100 for a seasonal residence. The revenues to be deposited to the General Fund. If approved, this authority shall continue indefinitely unless modified or rescinded by vote of a subsequent town meeting.

Motion by Ashley Bullard, second by Evelyn MacKinnon, voted affirmative.

ARTICLE 23. To see if the Town will vote to raise and appropriate the sum of \$ 135,111 for Culture and Recreation.

Parks and Recreation	\$ 111,961
Old Home Week	\$ 3,100
Patriotic Purposes	\$ 7,050
Independent Program	\$ 13,000

And to fund this appropriation by donations of \$30,000 from the Alfred Quimby Fund, \$ 450 from the Lena Nelson Trust, \$13,000 to be funded by the fees generated by the Independent Program, monies generated by program fees, donations, and the balance to be raised by general taxation.

Motion by Helen Gingras, second by Ann Burghardt, voted affirmative.

ARTICLE 24. To see if the Town will vote to raise and appropriate the sum of \$ 33,645 for the purpose of groundskeeping, plowing for roadside parking, and winter sidewalk maintenance.

Groundskeeping	\$19,645
Snowblowing for Roadside Parking	\$ 2,000
Winter Sidewalk Maintenance	\$12,000

Motion by James Bullitt, second by Louis Brunelle, voted affirmative.

ARTICLE 25. To see if the Town will vote to raise and appropriate the sum of \$ 7,000 for the purpose of electrical and equipment upgrades to Remick Park.

Motion by Ashley Bullard, second by Roger Plimmer, voted affirmative.

ARTICLE 26. To see if the Town will vote to raise and appropriate the sum of \$ 20,000 for the purpose of re-building Quimby Field and to fund this appropriation by a donation of \$ 20,000 from the Alfred Quimby Fund.

Motion by Anne Bullitt, second by Carolyn Boldt, voted affirmative.

ARTICLE 27. To see if the Town will vote to raise and appropriate the sum of \$ 4,890 for the purpose of re-sealing Tennis Court #2 & 3 and to fund this appropriation by a donation of \$ 4,890 from the Alfred Quimby Fund.

Motion by Dale Mayer, second by Ann Burgardt, voted affirmative.

ARTICLE 28. To see if the Town will vote to raise and appropriate the sum of \$ 4,000 for the purchase of a DR Field and Brush Mower and to fund this appropriation by a donation of \$ 4,000 from the Alfred Quimby Fund.

Motion by Adam Nudd-Homeyer, second by James Bullitt, voted affirmative.

ARTICLE 29. To see if the Town will vote to raise and appropriate the sum of \$ 2,759 to be added to the Parks and Recreation Expendable Trust Fund previously established. This sum to come from the unexpended fund balance (surplus) as of 12/31/13 and no amount to be raised from taxation. This amount is the equivalent of donations collected for this purpose from 2011-2013. The Selectmen recommend passage of this Article.

Motion by Virginia Jones Newton, second by Christopher Boldt, voted affirmative.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of \$ 10,595 for the following purposes for Conservation:

Conservation Commission Operating Expenses	\$ 1,350
5 Days of Sandwich Conservation Camp	\$ 8,345
Green Mountain Conservation Group River Testing	\$ 900

The 5 Days of Sandwich Conservation Camp to be partially funded by approximately \$ 1,000 in camper fees. A withdrawal of \$ 3,450 from the Coolidge Conservation Trust will help fund both the 5 Days of Sandwich Conservation Camp and Green Mountain Conservation Group River Testing, and the balance to be raised by general taxation.

Motion by Diane Decker Booty, second by Margaret Merritt, voted affirmative.

ARTICLE 31. To see if the Town will vote to raise and appropriate the sum of \$ 69,500 to be added to existing Capital Reserve Funds as follows:

Fire Equipment Capital Reserve	\$ 10,000
Town Equipment Expendable Trust	\$ 20,000
Town Buildings Expendable Trust	\$ 10,000
Office Equipment Expendable Trust	\$ 3,500
Gravel Roads Capital Reserve	\$ 10,000
Police Equipment Capital Reserve	\$ 10,000
Library Building Expendable Trust	\$ 6,000

The Selectmen recommend passage of this Article.

Motion by Robert Miner, second by Diane Johnson, voted affirmative.

ARTICLE 32. To see if the Town will vote to discontinue the Town Hall Expansion Capital Reserve. Said funds, with accumulated interest to date of withdrawal, are to be transferred to the Town's General Fund, with the intent to use those funds to further pay down the Town Hall bond issue principal.

Motion by Richard Papen, second by Peter Wobber, voted affirmative.

ARTICLE 33. To see if the Town will vote to authorize the Selectmen to expend income from the Marjorie Thompson Fund as they see fit, for the benefit of children of Sandwich residents.

Motion by Geoffrey Burrows, second by Louis Brunelle, voted affirmative.

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of \$ 90,760 for the support of the S.H. Wentworth Library operating budget and trust fund management fees. This article by petition. The Selectmen recommend passage of this Article.

Motion by Nancy Russell, second by Ashley Bullard, voted affirmative.

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of \$ 679 in support of Starting Point, which provides crisis services to the victims of domestic and sexual violence and their children. This article by petition. The Selectmen recommend passage of this Article.

Motion by S. Daniel Kusch, second by Anne Bullitt, voted affirmative.

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of \$ 4,000 for Tri-County Community Action for the purpose of continuing services of the Fuel Assistance Program for the residents of Sandwich. This article by petition. The Selectmen recommend passage of this Article.

Motion by Adam Nudd-Homeyer, second by Louis Brunelle, voted affirmative.

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of \$ 1,500 for the Community Food Center at St. Andrew's. This article by petition. The Selectmen recommend passage of this Article.

Motion by Ann Burghardt, second by Linda Demaio, voted affirmative.

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of \$ 716 to assist the Northern Human Services, the Mental Health Center (formerly Carroll County Mental Health). This article by petition. The Selectmen recommend passage of this Article.

Motion by Glynis Miner, second by Susan Speers, voted affirmative.

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of \$ 9,000 for Moultonboro-Sandwich Senior Meals Program (formerly Meals on Wheels and Sandwich Congregate Meals). This article by petition. The Selectmen recommend passage of this Article.

Motion by Betty Alcock, second by Anne Bullitt, voted affirmative.

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of \$ 3,000 for the Winnepesaukee Wellness Center. This article by petition. The Selectmen recommend passage of this Article.

Motion by Richard Papen, second by Anne Papen, voted affirmative.

ARTICLE 41. To see if the Town will vote to raise and appropriate the sum of \$ 4,000 for the Doris L. Benz Center. This article by petition. The Selectmen recommend passage of this Article.

Motion by Virginia Heard, second by Thomas Thiel, voted affirmative.

ARTICLE 42. To see if the Town of Sandwich will vote to raise and appropriate the sum of \$2,834 for the annual support of services provided to the citizens of this community by the Visiting Nurse Association and Hospice of Southern Carroll County and Vicinity, Inc. This article by petition. The Selectmen recommend passage of this Article.

Motion by Ashley Bullard, second by Ann Burgardt, voted affirmative.

ARTICLE 43. To see if the Town will vote to raise and appropriate the sum of \$ 1,000 for the Interlakes Community Caregivers. This article by petition. The Selectmen recommend passage of this Article.

Motion by Susan Speers, second by Carolyn Boldt, voted affirmative.

ARTICLE 44. To see if the town will vote to raise and appropriate the sum of \$ 3,000 to support Carroll County Transit. This article by petition. The Selectmen do not recommend passage of this Article.

Motion by Frances Strayer, second by James Bullitt. After lengthy discussion, voted affirmative.

ARTICLE 45. To see if the Town will vote to raise and appropriate the sum of \$ 1,000 for the Loon Preservation Committee. This article by petition. The Selectmen recommend passage of this Article.

Motion by Susan Bowden, second by Robert Miner, voted affirmative.

ARTICLE 46. To see if the Town will vote to raise and appropriate the sum of \$ 1,000 for Friends of Mead Base Conservation Center. This article by petition. The Selectmen's vote on recommending passage of this Article is 2 yes and 1 no.

Motion by Alfred Lavigne, second by John Enright, voted affirmative.

ARTICLE 47. To see if the Town will vote to raise and appropriate the sum of \$ 5,000 for the Sandwich Historical Society. This article by petition. The Selectmen's vote on recommending passage of this Article is 1 yes, 1 no, and 1 refusal.

Motion by Janet Brown, second by Mallory Hathaway, voted affirmative.

ARTICLE 48. To see if the Town will vote to raise and appropriate the sum of \$ 5,700 for the Sandwich Children's Center which provides early childcare and education services. This article by petition. The Selectmen's vote on recommending passage of this Article is 2 yes and 1 no.

Motion by Nancy Russell, second by Timothy Miner, voted affirmative.

ARTICLE 49. To see if the Town will urge that the New Hampshire State Legislature join nearly 500 municipalities and 16 other states, including all other New England states, in calling upon Congress to move forward a constitutional amendment that guarantees the right of our elected representatives, and of the American people, to safeguard fair elections through authority to regulate federal spending, and clarifies that constitutional rights were established for people, not corporations.

That the New Hampshire Congressional delegation support such a constitutional amendment.

That the New Hampshire State Legislature support such an amendment, once it is approved by Congress and sent to the State for ratification.

The record of the vote approving this article shall be transmitted by written notice to Sandwich's congressional delegation, and to Sandwich's state legislators, and to the President of the United States, informing them of the instructions from their constituents by the Selectmen within 30 days of the vote. This article by petition.

Motion by David White, second by Carl McNall, voted affirmative.

ARTICLE 50. To transact any other business that may legally come before said meeting.

Motion to adjourn was made by Evelyn MacKinnon, second by Anne Bullitt, voted affirmative.

Meeting was adjourned at 9:32 P.M.

129 voters attended the meeting.

Respectfully submitted,

Sharon Teel, Town Clerk

FIRE DEPARTMENT

Fire/Rescue responded to 178 calls for service this year. Several medical aids and fires are the usual incidents with the medical aids being the most frequent calls.

The ongoing training program that the department has is continually keeping the members sharp on their skills. Members are currently involved in recertifying for our medical and firefighting training.

The Fire Department has been struggling with the increasing demands that have been placed on the department. The State and local reporting requirements as well as other demands have plagued the department for some time now. Attempting to contact the State on weekends or nights is impossible to achieve as they are not available. The various requirements for inspections, boiler permits, and building fire inspections have been placed on the back burner due to the fact that we are not available during the day when these requests are made and needed. The school requires safety inspections and periodic fire drills to be monitored by the Fire Department, and we find ourselves unable to provide that service.

The other side of this is the availability of personnel to respond during the work week. Currently, we do not have anyone that is working in town. This presents a problem for timely response to any given emergency. There have been several incidents to which no personnel from Sandwich could respond to; therefore, another department was called in to cover the call. This is not an acceptable solution due to the burden it places on the outside department that responds. Although Stewart's Ambulance responds to all medical emergencies in town, a quicker response from the department would be of greater benefit.

In general, the town has to come to terms that it has to maintain and support the Sandwich Fire Department in their effort to provide the best service to the community. Your vote in support at Town Meeting would be greatly appreciated.

The request is for a part-time Fire Chief position for 30 hour per week. This would enable the department to provide about 6 hours per day of coverage; anything over and above would be covered under department compensation. The duties could be expanded to assist the Board of Selectmen in conducting various town inspections.

Remember, safety is always the first thing one should consider in the household. If you have any questions concerning any safety issues in your home or apartment you rent, please call the department, and we will try to help you the best we can. Remember, check the batteries in your smoke detectors and test your system frequently. Every home should have a carbon monoxide detector installed. Every year there are people that find themselves victims of carbon monoxide poisoning; it is needless and should not occur.

I would like to thank Chief Wyman and Sgt. Varney and the other officers of the Police Department for their assistance; the Highway Department, Cathy and Jennifer for their assistance during the year, and the community for their support.

Respectfully submitted,

Louis Brunelle
Fire Chief

FOREST FIRE WARDEN AND STATE FOREST RANGER

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 603-271-1370 or **www.des.state.nh.us** for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214 or online at **www.nhdfi.org**.

This past fire season started in early April with the first reported fire on April 7, 2014. April, which is the traditional start to our spring fire season, began very dry with unseasonably dry conditions continuing through the entire month. This dry pattern continued through the first half of May. 80% of our reported fires this season occurred during this six week period. The largest fire was 24 acres, occurring in the Town of Tamworth. From mid-May through early September above average rainfall kept our total acreage burned statewide at 72 acres. This is the smallest amount of acreage burned statewide in several years. Late August through late September though brought a dry trend to northern areas resulting in several deep-burning remote fires. Our fire danger days correlated well with the days that there were fires actually reported. The statewide system of 16 fire lookout towers continues to operate on Class III or higher fire danger days. Our fire lookouts are credited with keeping most fires small and saving several structures due to their quick and accurate spotting capabilities. The towers fire spotting capability was supplemented by the NH Civil Air Patrol when the fire danger was especially high. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2014 season threatened structures, and a few structures were burned; a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department, and the State's Forest Rangers by being fire wise and fire safe!

~ ONLY YOU CAN PREVENT WILDLAND FIRE ~

PARKS AND RECREATION

2014 was another busy year for Sandwich Parks and Recreation. This year in conjunction with the Inter-Lakes Nordic Ski Team and a quickly activated group of fantastic and reliable volunteers, Sandwich hosted a massive high school Nordic ski meet with 1,200 competitors from all over NH. With the accompanying 800 spectators, the total attendance was 2,000!!! Not only did Sandwich host that race, the New Hampshire Middle School State Championships with 500 attending came to town for a second year. Entwined with the snow shoe race hosted by the Sandwich Sidehillers and another race during winter carnival...a huge number of outdoor sport loving families were treated to the excellent ski trails we proudly service here in town. Sandwich has become synonymous with winter outdoor activity.

This year Winter Carnival was held at Remick Park with the North Sandwich Store hosting the chili contest on their front steps. Ashley Bullard and Lois Carmody finished tied for votes, though somehow Lois kept the trophy. The skating rink was relocated or returned to Remick Park in North Sandwich with great success. The Sandwich Highway Department worked to grade the surface and construct the rink. In 2015 lights will be added to complete the project.

Quimby Field was completely renovated with the surface reseeded with uniform grass. There was tremendous leveling and huge boulders were removed; again, the Sandwich Highway Department jumped in to remove all of the rocks and unneeded debris. The surface required a great deal of hands-on watering this exceptionally dry fall, so the grass could take root. The baseball field also had its edges touched up and infield mix added, so the spring of 2015 should greet us with a bright shiny new field in the center of town.

Youth sports continued to thrive in town with our mast head programs: Youth Soccer, Nordic Skiing, Alpine Skiing, Basketball, and of course....Tennis. Participation was consistent from years past with many seasonal residents becoming more attached to town with participation in our summer programs.

Sandwich Youth Soccer showed well at the Inter-Lakes Youth Soccer Tournament and at the Carroll County Youth Soccer Tournament. Sandwich Youth Soccer is currently made up four (4) levels. Pre-K, K/1/2, 3/4, and 5/6. The growth of this program speaks to the energy of Sandwich youth. They all play and have a great time in the fall weather. Saturday morning games in Meredith have become quite an event with parents and friends being treated to exciting teams with exciting players. Evening games on Quimby Field are a "can't miss".

Special thanks to all of the volunteers who helped out this year - from parking to coaching, and the skating rink to Sunshine Park; it is all impossible without the help of this strong community.

Respectfully submitted,

Leo B. Greene, Jr.
Parks and Recreation Director

POLICE DEPARTMENT

It was another active year for your Police Department. I would like to thank the residents for their continued support of their police department. Police work is a hard job; one that challenges you and challenges your commitment, even in a small town. Having completed my 25th year as a Police Officer and coming from a Police family, (my father and brother are both police officers) I was disheartened to see a lot of social strife as we ended 2014, and a nationwide trend of persons protesting the police service. I am thankful, however, that I can serve in this noble profession in a town where the citizens support their officers. Without getting into the politics of the issues at hand or opining about it, let me simply say that I as your Police Chief and your officers work very diligently every day trying to provide our town with the best police service possible and that our job is more than enforcement. We recognize that we are the caretakers of our community and to that end, we try to fulfill our obligation to you every day through the vision and the values set forth in our mission statement.

MISSION STATEMENT

To provide the highest degree of law enforcement service to the members and visitors of our community, in a manner consistent with the rights and dignity provided for by law under the Constitution of the United States and the State of New Hampshire.

VISION STATEMENT

To provide 21st century law enforcement service, while maintaining a small town approach that is reasonable, courteous, and open-minded to all.

CORE VALUES

To be able to provide the highest degree of law enforcement service to the residents and visitors of Sandwich, our officers must be like minded in our department's mission of protecting the rights, serving the needs, maintaining order, and earning the trust of the population we serve. To that end, we the officers of the Sandwich Police Department adopt the following principles as our core values:

1. That we are professional.
2. That we are civic-minded, and we care about our community.
3. That we are fair and treat people with respect.
4. That we are inclusive in our problem solving, initiatives and programs.
5. That we are responsible, ethical, honest and trustworthy.

Over the summer the department saw some trends that we hope do not continue: the number of dogs left in vehicles and the amount of trash/ litter at Town Beaches. Plainly stated, dogs are not allowed at the Town Beaches; that means the parking lots as well. Additionally, if it is too hot for you to sit in the car, it is too hot for your dog. The temperature inside a vehicle rises very quickly – even if the windows are cracked – even

if a window is left open. In 2015, please remember to keep our four-legged family members at home if you are headed to the beach. The town has always maintained a “pack in pack out” policy for trash at our recreation areas. It is not acceptable to find bags of trash stacked against or in the porta-potty or left on or under a picnic table. Please remember to keep our recreation areas clean.

CRIME TRENDS

Crimes Against Persons: The department investigated two allegations of sexual abuse and assisted the State Police in the investigation of a sexual assault. The department saw a slight decrease in the number of assaults and domestic disputes. The department made two arrests for the Violation of Restraining Orders. Overall, there was no increase in crimes against persons.

Crimes Against Property: The department saw an increase in burglaries over the previous year; however, this increase was still lower than 2012. The amount of theft reports remained about the same as the previous year. In the fall, the department led a multi-agency theft investigation with the Tuftonboro and Wolfeboro Police Departments that resulted in arresting the individual responsible. At the conclusion of the investigation, thirteen charges in three towns were filed in District Court. The department was also able to solve a high profile burglary case that occurred during the Sandwich Fair that involved the theft of eighteen thousand dollars in jewelry. The department saw significant increases in the amount of vandalism and frauds reported. The department worked very closely over the year with the U.S. Forest Service on a destruction of resources case and several vandalism cases in Sandwich Notch. The destruction of resources case was brought to U.S. District Court, and the individuals responsible were convicted in U.S. District Court. Overall, there was a 63% increase over the previous year in Property Crime. While this seems like a large percentage, it was mainly due to the increase in vandalism and fraud reports.

The department saw no increase in drug related offenses, and a 1% increase in all other offenses.

Training: In order to maintain our professional certifications and to serve you better, officers participated in the following continuing education courses and conferences: Legal Update, Firearms Instructor Re-Certification, Domestic Violence Law Update, NH Traffic Safety Conference, Eye Witness Identification, Police Encounters with Developmentally Disabled Persons, Criminal Investigation, PSTC Council Rules on Firearms and HR218, Clinical Psychology of Children and Young People, Terrorism/Counter-Terrorism Practice and Theory, and Key Constitutional Concepts and Supreme Court Cases.

Programs and Projects: The department continued our Cooperative Agreement with U.S. Forest Service to patrol the Sandwich Notch. We have two newly assigned rangers to our District: Scott Howlett and Diron Tompkins, and it has been a pleasure working

with them over the past year. The Department did not receive a Highway Safety Grant; however, we plan to try again in 2015. We continue to deliver our community-based programs with our partners: Ice Cream Ticket program, DARE, Flag Care, Bicycle Safety, Project Good Morning, Driver Education, Sandwich Toy Drive, House Watch Program and Volunteers in Police Service Program.

Please remember to visit us on the web! The Police Department's page on the Town's website has a lot of useful information, downloadable forms, and the ability for you to request a house check via e-mail. Additionally, follow us on Facebook - our page has lots of useful information and several photo albums that illustrate your department, your town, and what it is like to live in Sandwich!

In closing, I would like to thank the members of the department - they are a truly dedicated and motivated group of individuals and a big thank you to our volunteers who do an incredible job assisting the Police Department with the House Watch Program. I would also like to thank the remainder of "Team Sandwich", who we work with very closely to provide you with the best municipal services possible: Selectmen's Office, Town Clerk's Office, Fire Department, Highway Department, Parks & Recreation, Library, and the Transfer Station for all of their assistance. Thank you to our other partners: Carroll County Sheriff's Office, NH State Police, U.S. Forest Service, and the Moultonborough Police Department for the assistance they have provided us over the past year. Finally, thank you to all of you for your continued support of your Police Department.

Respectfully submitted,

Douglas F. Wyman, Jr.
Chief of Police

~ K-9 Rony and Sgt. Varney ~

Rony shows off his skills with brave assistance from Sgt. Varney during Sandwich's 2014 Top Dog Event held on the Sandwich Fairgrounds in May. This was Rony's last public appearance before he retired from the Moultonborough Police Department on May 31, 2014. Rony, thank you for your service!

HIGHWAY DEPARTMENT

The department, along with the entire community, dealt with a very long winter with multiple snow and ice storms; all were very happy to welcome spring. Due to the late arrival of spring, grading of roads was delayed and stretched into July. We took delivery of the excavator, which was put to good use with approximately 500 hours of operation this season. Extensive ditching along roads was done throughout town. A troubled area on Dale Road became a priority as it required extensive tree cutting and ditch work; this was done as the hill always washed out. The work resolved the issue; however, we will continue to monitor.

The paving project on Mt. Israel Road was completed in July and made a significant improvement in this section of the road. In September, the problematic culvert issues were addressed on Mountain Road. With the assistance of an engineer, thirty-inch culverts were installed to handle the heavy flash rains. Thank you to the landowners for the drainage easement to allow for these culverts to be placed. A scenic road cut was approved by the Planning Board for Wing Road and Bennett Street Loop to improve drainage issues and safety.

~ Mt. Israel Road Gets A Facelift ~

Kim Buker works his magic with the bulldozer.

Photo courtesy: Jon Peaslee

The highway garage has had some upgrades and improvements with the painting of the exterior of the building; replacement of electrical panels, circuit breakers, and meter socket on the outside of the building; thirteen LED lights were installed; and R-24 insulation was added to the roof.

We had our first major snowstorm at Thanksgiving along with rain and ice – these storms continued until the end of the year. We also had a significant warm spell, which caused some roads to see mud.

The crew participated in a variety of training this year: Winter Salt Use, Culvert Maintainer, Occupational Safety and Health Administration, 10 hour Air Brake Maintenance and Repair Certification, Department of Transportation License Refresher Course, Level One Transfer Station Operator, CPR, AED and Basic First Aid.

I would like to thank the Board of Selectmen, Cathy and Jennifer and all other departments for their support. I extend thanks and appreciation to the highway crew: Travis Colby, Steve Dow, Tom Norcross and Bob Streeter for their hard work and service to the community. We welcomed Mike Hudson as a part-time member of the crew this year. I would also like to thank the staff at the Transfer Station: Marilyn Read, John Noble, and Noah Reveley-Hunt.

Respectfully submitted,

Jonathan Peaslee, Road Agent

~ Ice Rink Returns Home to Remick Park in North Sandwich ~

The Highway Department removed twelve inches of mixed soil in preparation for the new rink. Three drainage ditches were excavated and four inch drainage pipe and crushed stone was installed. Twelve inches of clean sandy fill was put in and over that they mixed topsoil with sand and applied six inches to the entire rink area. In the spring of 2015, the area will be regraded and seeded for grass. Also installed during the construction phase was electrical conduits for lighting and power outlets for year-round activities. A job well done!!

Thank you to the Doris L. Benz Fund for project support.

Photo courtesy: Jon Peaslee

TRANSFER STATION

The Transfer Station continued to improve on efficiency in the general operation of the department with minor modifications to help reduce costs to the town. Thank you to residents for your cooperation and adjusting to these modifications by complying with the process for recyclables including cutting cardboard to appropriate size, which improves compacting and saves disposal costs.

The first phase of the paving project was completed with lines and walkway to improve traffic flow and safety; please observe traffic flow and speed to prevent accidents and injuries. We anticipate completing the paving in 2015.

Summary of disposed materials:

Recyclables	146 Tons
Household Trash	271 Tons
Construction Debris	109 Tons
Recyclable Metals	23 Tons

There has been some changes in staff this year: we would like to thank Mike Welch for his many years of dedicated service. We thank John Noble for his service; he transferred from full-time to stand-in support. Travis Colby, from the Highway Department, has completed his Level One Transfer Operator Certification, which will allow for necessary coverage of the department when the primary staff are absent.

Thanks and appreciation to Marilyn Read, Mike Welch, John Noble, the Highway Crew, Noah Reveley-Hunt, Board of Selectmen and Office Staff for your support and assistance throughout the year.

Respectfully submitted,

Jonathan Peaslee
Road Agent

AGRICULTURE COMMISSION

Members for 2014 are: Bob Butcher, Ginger Heard, Betty Alcock, Holly Cook, Pat Russell, Mark Longley, Dick Devens and Maggie Porter. As Chair, I wish to thank all of these members for their time, wisdom and patience during the year.

We sponsored or co-sponsored the following events:

- In February, we sponsored a talk at the Library on Heirloom Seeds given by Nel Garden.
- We initiated a “salt substitute program” for winter de-icing. Educational materials, accompanied by free samples, were available for all.
- In July, we co-sponsored with Friends of the Library a presentation by Chris Schadler on the “Eastern Coyote”.
- We promoted Historic Barn Preservation Easements (RSA-79D), and this resulted in several new easements being placed on barns in Sandwich.
- In November, we sponsored a talk by Curt Laffin on the “American Chestnut” at the Benz Center.

We are currently in the midst of an inventory of all barns in Sandwich. This is in preparation for an event scheduled for 2016 that hopefully will culminate in a historic barn tour and education program. More to come.

We have continued to update “The Agriculture Commission” section of the Town of Sandwich website. This is a huge resource and thanks go especially to Mark Longley for all of his work in this area.

For 2015, we expect to continue to expand our speaker presentations and educational discussions. We support local agriculture in all its endeavors. We urge you to check out the Sandwich Farmer’s Market and support the farms and the business of agriculture in Sandwich.

Betty Alcock has been a member of the Commission since the beginning. We acknowledge her hard work and great humor during her tenure. She will be missed.

If you are interested in becoming a commission member, please contact the Selectmen’s Office. We welcome new members. Our meetings are generally the third Thursday of the month at 5:30 P.M. at the Benz Center, but it is always best to check the schedule before heading out.

Respectfully submitted,

Bob Butcher, Chair

CEMETERY TRUSTEES

The Sandwich Cemetery Trustees manage the North Sandwich Cemetery, Elm Hill Cemetery and Grove Street Cemetery for the benefit of Sandwich residents and land owners. The Trustees also use interest from perpetual care to maintain the Whiteface and Thompson cemeteries. The John Visney Trust provides resources for the care of the Mason Cemetery, and the Arthur Heard Trust generously supports the care of Grove Cemetery.

The wet weather presented a challenge to early spring mowing for everyone; however, the cemeteries managed by the Cemetery Trustees were well cared for in 2014. Jere Burrows and crew cleaned and mowed our cemeteries, and Jeffrey Brown cared for the Mason Cemetery.

The Trustees thank Kip Downs and Don Casey for adopting the cemeteries in their neighborhood. Volunteers are an important resource to the Trustees. Volunteerism make our system work. Ask a Trustee how you can contribute or volunteer.

A favorite epitaph that starts "Look blooming youth as you pass by," presents a viewpoint of the trustees for the more than sixty old family burial grounds in Sandwich. We believe the people of this generation should care for cemeteries easily labelled "neglected." Once again, Carl Nydegger volunteered to properly restore broken grave stones in old family burial grounds. Carl restored stones in Eastman Cemetery, the David Gilman Cemetery, and the Thompson Cemetery. Carl also restored stones in Grove Cemetery and the Moulton/Beede Cemetery, and restored the old Daniel Smith Cemetery at Coolidge Farm. Roger Merriman and Peter Pohl helped as well. In total, Carl "fixed" more than twenty stones in several cemeteries. There is not enough space in this report to describe the wonderful work that Carl did for this town!

~ **Gilman Cemetery** ~

Carl Nydegger and Roger Merriman make necessary repairs to stones in the Gilman Cemetery, West Sandwich

Photo courtesy: Geoff Burrows

Finally, we remind you that all burials in the town of Sandwich must be reported to the Town Clerk. The rights to determine activity in an old family burial ground are reserved to direct lineal descendants of the family.

I would like to thank my fellow Trustees - Roger Merriman and Rita Buker.

Respectfully submitted,

Geoffrey Burrows

CONSERVATION COMMISSION

The Sandwich Conservation Commission advises the Board of Selectmen on conservation issues, provides stewardship of Town-held conservation lands, reviews wetland issues, investigates citizen concerns regarding the Town's natural resources, oversees and maintains two trails, controls expenditures from the Conservation Fund, and supports the Five Days of Sandwich summer camp.

In 2013 the Selectmen accepted the donation of a 107-acre parcel of land (Map R1 Lot 35) along Meadow Brook in East Sandwich as a conservation area mandated by the NH Department of Environmental Services (DES). The Commission met during this past year with interested residents, members of the Agriculture Commission, and the Selectmen to discuss the use and stewardship of this land, now named the Meadowbrook Conservation Area.

Commission members initiated a project to control the spread of oriental bittersweet that is choking and killing native trees in the newly acquired conservation land. In August, they mechanically cut and removed some of the heavier stands of bittersweet in this area; the project will continue in 2015 and beyond. The Commission plans to remove accumulated debris (plastic sheeting, tires, and discarded lumber) from the land in 2015.

The Commission also concluded that future use of the Meadowbrook Conservation Area requires the careful delineation of the wetland complex by a professional wetland scientist. In the meantime, members of the public are welcome to explore by foot this addition to town conservation land.

The Commission expects the wetland assessment of the Meadowbrook Conservation Area to be completed in 2015 with monies from the Conservation Fund, the major source of funding for the recent Sandwich Notch restoration. Revenues deposited in the Conservation Fund come from a percentage of the Land Use Change Tax (LUCT), the amount paid to the Town when land is removed from current use.

Under State regulations, 100% of the LUCT may be allocated to a town's Conservation Fund for use in acquiring or stewarding conservation land. The current allocation in Sandwich stands at 25%. Following a recommendation by the 2011 Master Plan to increase the percentage of LUCT allocated to the Conservation Fund, the Commission undertook a comparison of Sandwich with other towns in the state. Of the 164 NH municipalities that have Conservation Funds with LUCT allocations, 144 (88%) exceed Sandwich's 25% allocation; all but one of the 24 surrounding towns exceeds this allocation.

Commission members, with other volunteers, carried out the annual stewardship monitoring of Town-held conservation easements that include over 2,000 acres on 24 separate properties. Monitoring of each easement includes contacting the landowner, walking the land, checking boundaries, evaluating compliance with the conservation easement deeds, noting any unusual flora or fauna, and summarizing the findings in a written report.

Commission member Helen Gingras serves as the trail steward, overseeing the maintenance of two trails in Town: the trail to Red Hill Pond and the Bearcamp River Trail. Maintaining the trails requires the removal of brush and blow-downs and, this year, the repair of a bridge crossing a

stream. The entire length of the Bearcamp River Trail, from Beede Falls to the Tamworth line, was open in 2014 for the first time in several years. Helen and Mark Longley led hikes along portions of this trail during Old Home Week. The Commission thanks Mark and Gerry Gingras for their dedicated trail work, the Over-the-Hill Hikers for funding new signs and bridge repair, and the many landowners who allow the trail to cross their land.

~ Bearcamp River Trail ~

Helen Gingras and her dog, "Ozzie", Mary Cullen and Sue Speers out for a hike.

Photo courtesy: Peggy Merritt

Citizen concerns brought to the Commission in 2014 included public access to Red Hill Pond, the human impact on shoreline vegetation at Bearcamp Pond, and beaver control with its effect on the Meadowbrook Conservation Area and adjoining properties. Commission members met with residents and landowners, conducted field visits, consulted State officials and wetlands experts, and worked with town officials and employees to address these concerns.

Dan Reidy, assisted by Louisa Bryant, directed the "Five Days of Sandwich," the popular day-camp that introduces the children of Sandwich residents to the natural wonders of the Town. Three week-long sessions were held in July for a total of 36 campers, aged 7-14. Activities included hikes on several sections of the Bearcamp River Trail. Camper fees (\$40 per child) cover a portion of the cost of this conservation program with monies from the Coolidge Trust funding the remainder.

The work of the commission would not be possible without the service of many volunteers. We thank these dedicated individuals and groups who have worked with us in protecting the natural resources of the Town.

Respectfully submitted,

Peggy Merritt, Chairman

HISTORIC DISTRICT COMMISSION

Business in the Historic District in 2014 included: Sandwich Historical Society built a Carriage House at Quimby Park; the move of the barn at 29 Church Street; continuation of replacing windows at the old Quimby School; a temporary sign for Advice to the Players at the Corner House Inn; paving the driveway of 11 Skinner Street and the change of the Mocha Rizing sign to Barking Dog which closed soon after.

Other significant events this year: The historic Village Inn was sold to a native Sandwich woman; the Dr. Lott Cook house on Maple Street was sold; the Blanchard house on Main Street is ready for a family; and a year-round resident would be a welcome addition.

Of particular interest to the Historic District is the sale of the former Taylor Home/ Senior Housing at Heard Road to Brady Sullivan. Heard Road, no longer an over-55 retirement community and is now open to anyone for a monthly rent.

With the proposal this year for a Village District and discussion of housing and expansion of the sewer presented by our Planning Board - this fact must be noted: thirty-five years ago Senior Housing, the Historic District and the Sewer were brought to the town. Two are a success.

Preservation of the village of Center Sandwich has been recognized. The State of New Hampshire Division of Historic Resources nominated and the U.S. Department of the Interior placed our village on the National Register of Historic Places maintained by the National Park Service. Every building in the village is a contributing member of the Center Sandwich Historic District.

Respectfully submitted,

Geoffrey Burrows
Chairman

PLANNING BOARD

2014 brought a small uptick in applications before the Board. We considered applications for four (4) new Subdivisions, a revision of the Berkowitz subdivision approval to allow for overhead utilities, two (2) Boundary Line Adjustments, three (3) Scenic Road tree-cutting proposals, two (2) Site Plan Reviews, and onsite inspections of the two (2) active gravel pits in town.

As important, we were able to continue with some actual “planning” work. In this effort, our primary focus was on the concept of creating a “Village Zoning District” within our Zoning Ordinance. This proposal has been completed. We held two public informational meetings and two “official” Public Hearings. Voters will be asked for approval of this district when they go the polls the day before Town Meeting. Below is a “recycled” portion of our 2012 report. It continues to reflect the Board’s intent on this topic.

“The purpose of such a district would be to allow for properties within the village to have zoning restrictions that could differ from properties in the Rural/Residential district. At present, the Zoning Ordinance does not differentiate between property in the village and property elsewhere in town. It is a bit of a “one size fits all” approach, and it has been noted that most of the properties in the village do not conform to one or more requirements of the Zoning Ordinance. We could not, at present, construct a village in Sandwich that would in any way resemble the existing Center! This seems a bit odd, given that much of what many of us love about Sandwich is found in our village. There is a feeling among many that the Center lacks vitality and that its viability as a social and economic locus is slowly diminishing. This has been reflected in the recent reports of both the Master Plan Committee and the Smart Growth study. Both documents recommended that the Town create such a village district as a means to encourage activity in the Center that will enable it to remain as the true and effective “center” of our Sandwich. The Planning Board has chosen this issue as the first priority for our planning efforts. The Board is aware that this idea was previously considered and rejected; nonetheless, we feel that circumstances and ‘the times’ have changed, and it is an idea that is worthy of careful study.”

The proposed Village District regulations would create a new zoning district significantly greater in size than the area presently served by the sewer system and encompassed by the Historic District. It would allow for reduction in setbacks for buildings, limits on footprint area of buildings, and exclusion of a few uses that are allowed in our present Rural Residential district. The Historic District and its regulations would remain intact. The Sewer District and its regulations would be unchanged by adoption of this proposed change to the Zoning Ordinance. It should be noted that the Planning Board has neither purview nor authority in matters of the Sewer or Historic Districts. Each has its own Commission that oversees matters relative to those districts.

The Planning Board continued collaboration with the Selectboard, Quimby Trustees, Fair Association, and the Church Trustees to address the need for enhanced public parking options in the village. This effort resulted in an agreement that is satisfactory to all parties and creates more capacity and flexibility for public parking in the Center.

In addition to the Village Zoning District proposal (Amendment #7), on the written ballot for 2015 Town Meeting, you will find seven other proposed Zoning Ordinance amendments for your consideration. The complete content of these proposed amendments, and the Board's rationale for them, is available at Town Hall and on the Town's website. The Board would appreciate your votes for approval as we endeavor to ensure this document is an accurate reflection of the Town's Master Plan, as well as the New Hampshire Revised Statutes Annotated.

Amendment #1 would eliminate the definition of "Accessory Dwelling", which has proven to be ambiguous and open to various interpretations. That term would be replaced by "Bunkhouse / Sleeping Cabin". This definition would better describe structures that already exist in town and allow for new structures which are accessory structures used on a temporary basis for additional sleeping quarters.

It would also establish a new definition of "Accessory Apartment"; which would allow a second complete dwelling unit within, or attached to, a primary dwelling – think of the generic term, "mother-in-law apartment". The Board believes there would be real benefit to the Town by allowing for more options and greater flexibility in our housing. Children and young people might better be able to get established here, elders would have more options for remaining in their homes, caregivers might trade their services for an affordable place to live.

Amendment #2 would establish criteria for permitting of "Accessory Apartments".

Amendment #3 would allow for more sensible access to existing land-locked lots and lots with less than the required 160 feet of road frontage. These lots were created prior to the establishment of our zoning ordinance and do not meet the minimum 160 foot frontage requirement.

Amendment #4 would update our wetland protection provisions to be consistent with changed New Hampshire Department of Environmental Services regulations regarding septic systems.

Amendment #5 clarifies aspects of the process to appeal decisions of official boards and commissions of the town, and also the deadline for appeals to the ZBA.

Amendment #6 clarifies that it is the responsibility of the Selectboard to determine when a violation of the Zoning Ordinance has occurred, and it would give that board greater flexibility in determining when it is in the best interest of the Town to initiate enforcement action.

Amendment #8 is needed to change language regarding building setbacks to delete the term "Accessory Dwelling" and add "Bunkhouse / Sleeping Cabin". This would reflect changes made by Amendment #1, and clarify that bunkhouses would have the same setbacks as principal structures.

The Capital Improvements Planning subcommittee (CIP) again undertook the work of projecting long-term capital expenditures for the town. Toby Eaton led this effort, assisted by Mike Babcock, Frank Paine, Elaine Peaslee, and Brian Peaslee. The result of this annual process is a report that is useful for the SelectBoard, Budget Committee, and citizenry in tracking the items and projects that will have large budget impacts out as far as 25+ years. It is an aid in efforts to manage the budget in an orderly and predictable manner and helps in the effort to keep tax rates consistent. We appreciate the work of the CIP. It should be noted that the CIP team is not limited to Planning Board members. Anyone with an interest in the long view of town infrastructure should contact the town office. You will be welcomed to the effort.

I continue to believe that the citizens of Sandwich should be humbled by the lengthy and diligent efforts of those who step up to serve on town boards and committees. Citizen government would be a “pie in the sky” dream were it not for their work. The dysfunction in Washington is a reminder of our great fortune to live in this beautiful place, where anyone can receive an honest hearing and careful consideration from their peers on any board or committee. Everyone’s views are worthy and you can make a real difference - especially if you will give of your time to take part in this self-government experiment. You may find a challenge worthy of your attention, and if you have not tried it yet you will be especially welcomed.

To all members who have served in the Planning Board’s efforts this last year – thank you. To Wendy, who has brought competence and hard work to the position of Planning Board Secretary – and who keeps us on the rails – thank you. To Cathy and Jennifer – thank you again for your work and support.

We have openings for alternates on the Planning Board and encourage anyone – whether new to town or a long-time resident – to join us in our efforts to chart a course for Sandwich that will help to ensure that it remains the special place we have collectively inherited.

Respectfully submitted,

Tim Miner, Chair

NOTICE

If you own real estate lots that were involuntarily merged by municipal action, you may be able to have those lots restored to their pre-merger status.

Your property may qualify if two or more lots were merged for zoning, assessing, or taxation purposes and the merger occurred:

- During your ownership, without your consent; or
- Prior to your ownership, if no previous owner consented to the merger.

To restore your property to pre-merger status, you must:

- Make a request to the local governing body
- No later than December 31, 2016.

Once restored:

- Your properties will once again become separate lots; however, they must still conform to applicable land use ordinances. Restoration does not cure non-conformity.

This notice must be:

- *Posted continuously in a public place from January 1, 2012 until December 31, 2016, and*
- *Published in the 2011 through 2015 Annual Report.*

Read the full statute at RSA 674:39-aa Restoration of Involuntarily Merged Lots.

SAFETY COMMITTEE

At the end of 2013, the Town of Sandwich re-established the Safety Committee, otherwise known within our state government as the Joint Loss Management Committee (JLMC). The JLMC is comprised of employees from each of the departments within our town and is charged with identifying and responding to safety concerns within each department as well as setting goals and objectives for the continual monitoring of our safety programs.

On November 25, 2013 the Committee held its first meeting where initial goals and objectives were outlined. The first order of business was to ready the town for an audit which was being conducted by the New Hampshire Department of Labor on March 19, 2014. The committee responded to the charge given by the Selectmen by identifying key issues and concerns within each department and remedying them in time for the audit. It was a comprehensive task and required the full cooperation and dedication from all staff members of the departments, the department heads and the Selectman.

The Committee met weekly from November 2013 to March 2014 and was successful in creating a working JLMC Safety Manual and making necessary suggestions for improvements and corrections to the structures and work environments within our town. On March 19, the Department of Labor did a full inspection of our facilities, and the Committee is proud to report that we passed with flying colors! It was an extremely “clean” audit with only minor issues found for follow up.

The committee met another objective of providing appropriate training opportunities relevant to safety on September 26, 2014 by sponsoring a full day of mandatory training at the Central Fire Station where certification in the areas of Basic 1st Aid, CPR and AED practices took place. All employees attended, passed the class and received certificates.

The committee now meets quarterly and continues to monitor our policies and procedures relevant to the safety of our town facilities, its employees and ultimately our citizens.

As chairperson, I would like to express heartfelt thanks and gratitude to the following committee members for their tremendous dedication and sincere efforts throughout this year: Shawn Varney – Police, Leo Greene Jr. - Parks & Recreation, Bob Miner - Fire, John Noble – Transfer Station, Michael Welch – Transfer Station, Steve Dow - Highway and Travis Colby – Highway.

We are now looking forward to our continued successes in 2015!

Respectfully submitted,

Jennifer Martel, Chair

SAMUEL H. WENTWORTH LIBRARY

During 2014, the Library supported an ever changing technology media driven by community demand. Libraries are not just about traditional hard back books. There are DVDs, CDs, magazines, newspapers, audiobooks, New Hampshire collection, a community room for events, passes to community places of interest, and internet for public use. We expanded the collections in a wide range of media to include Blu-Ray DVDs and MP3 audiobooks while still providing those new bestseller books. We continued to provide six days a week of 35 open hours and added 86 new patrons.

Collections: The total collection is approximately 18,100 items, an approximate number we maintain for display and space reasons. We added 2,861 new items to our collection and welcome suggestions from our patrons. In addition to the books (classics, fiction and non-fiction, young adult and children), we have an extensive collection of over 4,248 DVDs. We are also part of the Carroll County Library Coop, which provides an additional 1,190 rotating items. Audiobooks are available on CD, MP3 and “playaway” formats, and we offer complete audio packages including ear buds and micro players for patrons to borrow. As part of the State Interlibrary Loan program, we borrowed 263 items and lent out 384 items. We have continued our membership with the New Hampshire Downloadable Book Consortium, whose collection is available for checkout to a patron’s own computer or other device. Our patrons checked out 350 eBooks and 474 audiobooks. Patrons are encouraged to review and access this service online: <http://nh.lib.overdrive.com>. Please contact the library for specific log in procedures.

Human Resources: The operating staff for 2014 was led by Glynis Miner (Director) with support from Anne Papen and Katie Wonders (Library Assistants); Lois Brady (Youth Services Librarian) and Frederick Bickford; and Pages: Rowan Heard, Maddi Brackett, Skylar Allen, and Coleman Mason. We said goodbye to Page Zoe Frentress and welcomed Diane Johnson as a substitute. Further support came from Frank Rowell, maintenance, and Kathy Catalano, housekeeping.

The Library is also fortunate to have had a cadre of committed volunteers offering over 325 hours in various capacities this past year, including Connie Cunningham, Mary Cullen, Robyn Tolles, Angie Morton, and Cecelia Cox. Many of these volunteers have given their valuable unpaid time to the Library for years, and all of them deserve the Town's thanks.

The Town-elected trustees include John Enright (Chair), Carla Muskat (Vice Chair), Wendy Huff (Treasurer), Linda Marshall (Recording Secretary) and Jeanne Ryer; alternate trustees are Christopher Boldt, and Carol Clark. The Board of Trustees, the governing body of the library and managers of the land and building, meet monthly and provides strategic guidance, financial oversight of operations, and planning for capital improvements, as well as ensuring compliance with State laws and regulations related to library operations.

Building: Taking care of an almost one hundred year old building can be never-ending as many of our patrons are aware. 2014 necessitated some minor repairs of the slate roof and repainting of the front (north) side of the building. The trustees also installed a handrail along the downstairs entrance for handicapped and safety assistance. Funds for these repairs came from the Library Expendable Capital Reserve, which may be used for building maintenance and repairs upon authorization by the Board of Selectmen. Each year approximately \$6,000 is added

to this Capital Reserve to ensure funding for replacement of the flat, rolled roof on the library addition. To date, an inspection of the roof indicates replacement may be needed in five years.

The Trustees undertook a separate capital campaign to remove the drop ceiling in the older portion of the library and reveal the beautiful arched plaster ceiling. Patrons, community members, and organizations have been incredibly generous; as of this writing we have received donations of \$62,805 towards our goal of \$75,000. Specific thanks for support of the project go to the following organizations: Alfred Quimby Fund, Meredith Village Savings Bank, The Bank of New Hampshire, and the Heard Trust. However, the majority of funding has come from you, our patrons and friends – thank you so much! We hope to have the project completed prior to celebrating our 100th anniversary during Old Home Week in 2015.

Activities associated with the Ceiling Project included a Literary Scavenger Hunt, which was enjoyed by children and adults alike. Participants also made cement hand prints, which were incorporated into a new walkway on the front lawn leading to the Janet Laverack Reading Circle. We hope this will encourage our patrons and visitors to make greater use of the Reading Circle, a lovely pastoral setting for reading, making use of our Wi-Fi capabilities, or just watching the traffic go by.

Finances: Our overall operational expenses remain relatively stable, with minor annual increases for utilities and insurances. The care and continuity of our staff is important, and we provide modest salary increases each year. Financial support from private organizations (Heard Trust, White Sylvania Fund, and Sandwich Fair Association) and the interest from the Samuel H. Wentworth Trust have enabled the Trustees to maintain a level funding request from the Town for 2014 and 2015. The Friends of the Library, who fund approximately 35% of our book and DVD collection, are to be thanked for their invaluable support of the library.

The entire staff encourages patrons to visit the Library to try a new medium, get online, or just to browse. Please look for the Samuel H. Wentworth Library on Facebook and also check out our new online catalog at <http://shwlibrary.booksys.net/opac/shwlib/>.

Respectfully submitted,

John Enright

SEWER COMMISSION

The proposed 2015 operating budget will remain the same as 2014 at \$25,000.

In 2014 the measured wastewater discharge was 2,000,290 gallons and was down 5% relative to 2013. The Commissioners feel the measured discharge number is not the true usage number as approximately 22% of the meters provided either no reading or a questionable reading that could not be correlated to the 2013 reading.

As a result of the increasing number of faulty meter readings, the Commission has voted to mandate new meters for all subscribers in 2015. A majority of the current meters are original equipment meaning they are 28 years old. These meters slow down or fail over time due to sediment build-up and normal wear and tear. As user fees are derived from the measured gallons, the Commission feels that an upgrade is warranted so that each subscriber is paying only for the gallons they use. The Commission will provide more specific information to each property owner after Town Meeting.

The Board of Sewer Commissioners currently operate the system under a New Hampshire Department of Environmental Services (NHDES) Permit by Rule. Under this permit, the Commission is required to manage the total flow into the system at less than 500,000 gallons per month (16,438 gallons per day). In the event that the flow increases beyond 500,000 gallons per month, the system would then revert to a Groundwater Discharge Permit, which is what the original NHDES permit was issued as and would allow the system to be operated up to the full design capacity. Total flow includes both wastewater flow and infiltration flow. Infiltration is an unavoidable component of the flow in sanitary sewer systems, and the current long-term average infiltration is consistent with the Facility Plan specifications. Reducing infiltration does not provide for an increase in capacity above the system design. No reserve capacity was designed into the system.

The Sewer Commission continues to work with the Board of Selectmen and Tighe & Bond, an engineering firm contracted by the Town, to assess the needs and plans for system upgrades. The Town is asking voters at this year's Town Meeting to fund upgrades to the system tanks, increasing the tankage from 15,000 gallons to 50,000 gallons. The existing tankage only allows the system to operate at half the designed capacity or 15,000 gallons per day. The new tankage will allow the system to operate at the full 30,000 gallons per day as well as providing additional capacity for future upgrades to the leachfields. In addition to the proposed tank upgrades, the Commissioners are conducting a systematic inspection of the entire system and assessing the maintenance and repair needs to the infrastructure moving forward.

The Sewer Commission has the following policy: "The capacity for a given lot that was assigned by the NHDES in 1984 to determine the overall sewer system capacity, and is the maximum available capacity for that lot today." This is to make sure there is

reasonable future capacity for all of the properties, no matter how they are currently being used.

All users are reminded that sump pump hook-ups to the system are illegal. If your sump pump is connected to the sewer, then it must be properly redirected immediately and permanently. We will continue to work with the sewer users in 2015 to get usage meters and recorders working properly. Properly operating meters are the responsibility of the users. Non-working meters need to be replaced in a timely fashion. Replacement of meters / recorders and all repair costs are the responsibility of the user.

The system is twenty-eight years old, and all users need to be careful about what ends up in the system. We are continuing to see substantial fats, oils and greases. Residential users must be careful as to what they put down the drain. If you have a grease trap, please check it frequently, and have your traps cleaned before they are ineffective. Remember, businesses with grease traps are required to provide documentation to the Commission when the traps are cleaned.

Please be careful about what you discharge to the sewer system, and as always, be cautious and choose soaps and cleaning products which have no or are low in phosphates. In addition, no petroleum or hazardous substances are to be discharged to the sewer system. Please check your labels and dispose of these substances responsibly.

Respectively submitted,

James Hambrook

ZONING BOARD OF ADJUSTMENT

The Sandwich Board of Adjustment meets on an as-needed basis the second Thursday of the month at 7:00 P.M. in the Town Hall.

The purpose of the Zoning Board is as follows:

- To hear appeals for relief from the provisions of the Town's Zoning Ordinance through the Variance process;
- To hear Appeals of Administrative Decisions from actions taken by Town Administrative Officials in interpreting the Zoning Ordinance;
- To hear applications for Special Exceptions;
- To hear requests for Equitable Waivers of Dimensional Requirements;
- and in the course of business, as necessary, to hear requests for rehearing.

The Zoning Board of Adjustment consists of five (5) members, and may have up to three (3) additional alternates. We currently have six (6) members and hope for two (2) additional appointments. The Town is always seeking volunteers to serve on various boards and committees; if you have an interest in helping the Town in some small way, please inquire with the Board of Selectmen. Discussions are always lively, and I would like to thank the board for taking their job seriously and coming to our meetings well-prepared.

This year the Zoning Board met on nine (9) occasions and heard seven (7) applications. The Board granted one (1) variance application for relief from the Sandwich Zoning Ordinance for construction of a building, which involved sideline setbacks [pursuant to section 150-13C(2)]. Four (4) applications for variances were granted for relief from wetland setbacks for construction of septic systems [section 150-13C(3)]. Two (2) applications for an Appeal of an Administrative Decision were denied, as well as two requests for a rehearing to those denials, which were also denied.

We on the Sandwich Zoning Board of Adjustment wish to thank the Town's office staff for keeping us on task. Cathy Graham and Jennifer Wright deserve thanks and respect for so patiently assisting Sandwich residents, Board members and Officials. Wendy Huff serves as Land Use Administrative Assistant, and we owe her our thanks for attending to all the specific requirements of our board as well as helping applicants through the process and keeping the official records.

Respectfully submitted,

Benjamin Shambaugh, Chairman

ALFRED QUIMBY FUND

With much regret, the Quimby Trustees have accepted the resignation of Derek Marshall as the 16th Trustee of the Alfred Quimby Fund. Derek was appointed in 1998 and served 16 years in this position. His talent, wisdom and dedication to fulfilling the purpose of the Alfred Quimby Fund will be sorely missed. I know we will seek his guidance as the Trustees proceed to carry out our mission.

Kirke Read has accepted the offer to serve as the next trustee. Kirke is a native son who was raised in Sandwich. Following graduation from Plymouth University, he entered the Marine Officer Training Program and received his commission. He then trained as a helicopter pilot and served in that capacity as well as many other leadership roles throughout the world. He retired after 20 years as a Major and returned with his family to Sandwich to pursue one of his true loves, which is farming. Stanton Brook Farm is well-known for the quality of its vegetables, maple syrup and berry crops.

This past year has been another successful year in which we helped fund numerous projects, organizations and scholarships. The Alfred Quimby Fund was established by Alfred Quimby in 1918. The fund is set up to provide financial aid for special town projects requested by the Selectmen, provide financial assistance to the Sandwich-based, non-profit institutions and scholarship aid to qualifying students attending post high school education.

This year resulted in another list of successful projects including refurbishing the Quimby Athletic Field, helping the town to purchase an excavator for the Highway Department, resealing the Town's tennis courts, and funding improvements to the Chapman Sanctuary/Visny Woods facility to name just a few accomplishments.

Income from the fund's investments is used for the following four major categories: administrative costs, scholarship aid, town requests and non-profit institutional requests. During 2014, we spent the following sums in each of the above categories:

Administrative Expenses:	\$ 22,391.42
Scholarship Aid:	\$ 38,000.00
Town Projects:	\$ 73,642.75
Non-profit Sandwich-based Institutions:	\$ 185,328.27

Funds provided to the non-profit institutions include:

Advice to the Players	Sandwich Children's Center
Chapman Sanctuary/Visny Woods	Sandwich Historical Society
Green Mtn Conservation Group	Samuel Wentworth Library
Mead Base Conservation Center	Sandwich Recreation Program
Sandwich Central School	Sandwich Senior Housing

In 2012, the trustees recognized the need to create a special education fund to provide assistance to the children and youth of Sandwich who might have a unique educational opportunity. The Sandwich Children and Youth Fund was established to meet this need.

It serves children from Sandwich providing scholarship aid to children under the age of 21 to participate in day and overnight summer camp programs, education programs, such as the Advanced Studies Program at St. Pauls School in Concord, N.H., education child care programs, driver education, and other enrichment opportunities.

This fund is supported by the Alfred Quimby Fund in partnership with the Trustees of the Trust Fund for the Town of Sandwich. A special committee, comprised of three volunteers, reviews all the applications and decides on the aid provided. Individuals are encouraged to contribute to this fund.

Applicants are encouraged to apply during two scholarship cycles. The first cycle provides funds for the school year (September 1 - June 30), and the second cycle is intended for summer programs (July 1 - August 31). Recipients of the fund will be considered on the basis of financial need outlined in the applications and awards will be made accordingly. Applications are available through the Sandwich Central School, Sandwich Parks and Recreation, Selectmen's Office, and the Sandwich Children's Center or by request at the following address: *Sandwich Children and Youth Fund, PO Box 95, Sandwich, N.H. 03227* or sandwichchildrenandyouthfund@gmail.com.

The Alfred Quimby Fund contracts with the New Hampshire Charitable Foundation (NHCF) to administer its scholarship awards. To inquire about scholarship assistance visit the NHCF's website at www.nhcf.org or contact Judith Burrows at 1-800-464-664 at Ext 1224 or by e mail at jb@nhcf.org. Contact Judith for the eligibility requirements for undergraduate assistance, graduate aid and other educational opportunities. Specific deadline dates are established for each category of assistance.

General guidelines for applying to the Quimby Trust for financial support are as follows:

1. All proposals for financial assistance must show consideration "for the well-being of the Town of Sandwich, its inhabitants and institutions." A request must include the IRS 501 C(3) number or employer ID #. All requests must be in writing and accompanied by the most recent balance sheet and profit and loss statement.
2. The deadline for filing a request is prior to the last day of the quarter, that is to say the last day of September, December, March and June.
3. Requests will be processed during the first two weeks of the following month. A request for further information, a denial or an award letter will be issued prior to the 15th of the month.
4. The schedule of disbursement of funds will be at the discretion of the Trustees.
5. A written report showing the completion of the project goals and the expenditure of funds is requested within 60 days of the conclusion of the project.
6. Proposals remain the property of the Trustees.

Respectfully submitted,

Susan Wiley
Peter Pohl
Kirke Read

SANDWICH FAIR ASSOCIATION

Photo courtesy: Drew Hines / Sandwich Fair Assn

The year started with us looking at another piece of property for future parking. The property on Skinner Street had been for sale for many years. We looked at it under snow and agreed we should consider it once the snow melted. As spring approached we received word that the land we have used in the past on Burleigh Hill had been sold. The new owners would allow us to park for a year but would be happier if we could make other arrangements. This fit in with our developing plan. We have watched with concern for safety over the years as busses loaded and unloaded amongst pedestrians. We have often thought it would be nice to eliminate the entire need for busses. The addition of a parking lot within walking distance would eliminate that bussing need. After contacting the owners of the property and resuming negotiations, we purchased the lot, converted a portion to parking for the 2014 fair and negotiated and created a footpath from the lot to the Squam Lake Road entrance. The purchase of the lot on Skinner Street proved to be a valuable addition to our infrastructure.

Our property continues to be used throughout the year. During the winter the Inter-Lakes Nordic group hosted a multi-school ski event which saw approximately 700 students enjoying the cross-country ski trails on Fair property. Many of our parking lots were plowed in preparation for busses and vehicles. The summer months saw yet another wedding reception using the craft building as well as two motorhome rallies (one with over 50 motorhomes) using our camping facilities. Local businesses enjoyed patronage from these visiting groups to our town.

The biggest part of our year is, of course, the Sandwich Fair! The animal barns were full (except for the pigs that were in short supply this year). The animal show rings were busy all weekend long. The stage show line-up was enjoyed by all. The craft barns and farmer's market were filled to the brim with local products. The industrial area was packed with mechanical gadgets for those so inclined. The tractor pull was noisy and well attended as always. And the vendors provided fair food to satisfy every taste!

As always the Friday night “Midway Preview” was a huge event. We determined that our fair now really runs for three days and four hours; our infrastructure needs to reflect that.

The Grand Street Parade on Sunday honored Bunny Michael as our Grand Marshal, celebrating her 100 years young. One of our local car buffs provided transportation in a 1912 Touring Car. Our former President, Earle Peaslee, and his family rode in the Sandwich Coach. Many float entries celebrated the theme, “Four Seasons of Sandwich.”

~ 2014 Grand Marshall: Bernice “Bunny” Michael ~

On July 13, 2014, Bunny celebrated her 100th birthday, and the whole town was invited to share in this momentous occasion with her at the Sandwich Fairgrounds.

Photo courtesy: Jude Davis

As the 2014 Fair fades into the background and we prepare for the 2015 fair, I would like to thank those volunteers who have retired and those who continue to put in so much time and effort. I would also like to thank the Officers and Directors of the Sandwich Fair Association for their continued dedication and enthusiasm. The Sandwich Fair is what it is because of you! See you at the Fair!

Daniel C. Peaslee
President

SANDWICH HISTORICAL SOCIETY

In many ways for us, this past year could be titled “New Frontiers”. Coming off an intense and sometimes bewildering 2013, which saw an incredible amount of work by our trustees, volunteers, and staff in collaboration with and in addition to the 250th Anniversary Program, it would have been easy to say, “Let’s just get back to the old routine.” Easy to say, except that the old routine no longer existed--for, like Voyager, we had left the familiar surroundings of our solar system and moved into uncharted space!

As an undercurrent to all of the public workings of the SHS in 2013, a constant beat was being sounded on two fronts: one towards the creation of a new strategic plan for 2014 - which was adopted by the board in December - and one towards laying the foundation, both financially and literally - for the creation of an annex building for the Quimby Barn, and a storage room on the second floor of that latter structure. With the reorganization and consolidation of committees, trustees found themselves working in new contexts with one another in committee formulations and obligations which sought to break a rigid and segmented definition of responsibilities, and instead hoped to foster the greater sharing of ideas and teamwork within the group as a whole.

Internally, within the “museum” side of things, we continued to explore and expand our offerings and roles as well. In addition to the collaborative creation of “East and West”, the first in our series of village exhibits leading up to the SHS centennial in 2017, we continued to push forward on the digitization and transcription of our archives with the ongoing support of the Dorothy Senter Geoffrion Memorial Fund. In that same vein, we also benefitted substantially from that fund’s support as we launched an enhanced museum experience with QR-coded visual and audio-linked media (featuring Lee Quimby!) to offer visitors an all new self-guided experience throughout the entire museum.

Collaboratively, we also reached out and made connections, becoming one of the eleven beta-test members of the New Hampshire History Network; a database collective for statewide archival and artifact-based searches put together by the New Hampshire Historical Society. Once implemented, this has the potential of exponentially increasing the accessibility and exposure of our collection and what we have to offer as an institution. Additionally, we were also - and in my own words I would say “proudly” - a significant advertising sponsor and participant in “NH Kidventures”, a wonderful self-created and self-supported endeavor by Lacey Mason which sought to encourage kid-parent tourism to the many museums in our state with a passbook-style guide; Lacey is a graphic designer by background and has worked previously at Sesame Street! Finally, we supported the opening of a wonderful book about Jane Durgin by Peter Miller, and also - with the very generous support and help of Tony Marolda - brought back into publication the story of Isaac Adams, The Inventor and the Inventor’s Son, for which Tony generously donated the proceeds of the first 100 copies.

As perhaps could be expected after a record year in 2013, our visitorship was off this year - as was the general flow of traffic in town. Nonetheless, the Quimby Barn, staffed by a crew of ardent volunteers, continued to move to the front of the fleet with visitor numbers that frequently matched and surpassed those of the main museum. We also continued what is now feeling like quite a tradition with the Sandwich Central School (SCS), augmenting their annual day at the Lower Corner School with a day-long field trip around town. This year, we visited over a dozen historic school buildings and sites, where the students had discovered that they themselves would have attended "back in the day". We also hosted mini-field trips by the Sandwich Children's Center and Sandwich Central School to view our "barn raising" at Quimby Park this past spring; welcomed The Community School in to learn about Sandwich Notch in the fall; and hosted the K-1 class from SCS for a tour of our Native American Artifacts in December! Already one may potentially surmise that this year, in spite perhaps of visitorship, did not feel "slow" - in fact there was still not enough time.

Finally, the close of 2014 marks the end of my time as Director of the Society. This is a matter which gradually grew in necessity over the course of the year as others of my endeavors, most notably Tappan Chairs, continued to grow and expand - in great part due to the tremendous support of this community. I am sad to leave, but I am excited for the prospects to come, both in my personal sphere, as well as for the Society; for over the past three years I have seen the investment of that organization in participating in our town, with our town, grow tremendously. And that has been reciprocated on the part of our residents and community organizations. The fact that we can be "on call" for enrichment activities for groups like the Sandwich Children's Center, the Sandwich Central School, and The Community School; that we can help bring artists and authors to light, such as Lacey Mason, Marek Bennett, and Peter Miller - who help tell our town's story beyond our borders; and that we are now participants and central members of collaborations to get our treasures discoverable in the greater digital world - these are all signs of how far the Sandwich Historical Society has come in these last few years. It would not have been possible without the quality work of our staff, the support and buy-in of our trustees, and the engagement of the town. Keep it up! We can all give, share, and learn with and from one another, and it is that spirit which will keep our relationship, and thereby the Society and the Town of Sandwich itself, vibrant for the next century.

Respectfully submitted,

Adam Nudd-Homeyer
Director

VITAL STATISTICS

2014's First Baby

Otis Fox Drapcho
May 8, 2014

BIRTHS

REPORTED IN THE TOWN OF SANDWICH, NEW HAMPSHIRE FOR THE YEAR ENDING DECEMBER 31, 2014
