Moved by Council Member McCarthy, seconded by Council Member Colwell, "to approve payment to Regional West Medical Center in the amount of \$159,975.00 for LB840 Economic Development job credits," "YEAS", Colwell, Gonzales, Shaver and McCarthy, "NAYS", None. Absent: None. Abstain: Meininger.

Mr. Dan Charron with Contryman and Associates presented the report from the 2017 Audit on behalf of Jada Thompson, Audit Shareholder. He complimented Finance Director Hilyard for preparing an excellent set of financial statements, and the work that Ms. Hilyard and City Manager Johnson have done to assure that the day to day progress is smooth. He reported that there are no issues that were

notable; they issued an unmodified opinion, which is the best report possible. Mr. Charron thanked the City Council for the opportunity to conduct the City of Scottsbluff audit. Moved by Mayor Meininger, seconded by Council Member Shaver, "to accept the 2017 City of Scottsbluff Audit," "YEAS", Colwell, Gonzales, Shaver, Meininger and McCarthy, "NAYS", None. Absent: None.

City Manager Johnson presented a three-year agreement with Contryman and Associates to provide audit services for the City of Scottsbluff. Council Member Shaver asked why these services aren't rotated every three years. Mr. Johnson explained that six years with the same firm is preferable for continuity and familiarity with the city's financial system to provide an accurate audit. Mr. Charron explained that the same audit team will conduct the audit each year, with Jada Thompson as the lead auditor. Moved by Council Member McCarthy, seconded by Council Member Colwell, "to approve a three year agreement with Contryman and Associates to provide audit services and authorize the Mayor to sign the agreement," "YEAS", Colwell, Gonzales, Meininger and McCarthy, "NAYS", Shaver. Absent: None.

City Manager Johnson presented the January 2018 Financial Report. Council Member Shaver commented that it appears that the general fund is considerably up from this time last year. Finance Director Hilyard responded that this is probably due to the timing of the NPPD lease payment, which is between \$600,000.00 - \$700,000.00. Basically there is an outflow of cash as we are paying off more debt with cash rather than bonding projects.

Mayor Meininger opened the public hearing at 6:10 p.m. to consider the LB840 Citizen Review Committee recommendation to expand the definition of a "Qualifying Business" in the City's Economic Development plan to allow Film Production. Economic Development Director Starr Lehl explained that the LB840 Citizen Review Committee met on January 26, 2018 and forwarded a positive recommendation to the City Council to include Film Production as a qualifying business to our Economic Development Plan. LB863 was passed two years ago in the Nebraska Legislature, which provided for this additional qualifying business. The recent Coen Brothers filming in our area benefitted our economy with approximately \$1 million in revenues. There are some smaller production companies who would be able to benefit from the Economic Development funds. The Citizen Review Committee recommended a provision including local expenditures in order for the funding to take place. The Council acknowledged a letter of support from Laurie Richards, Nebraska Film Officer, regarding the benefits of including Film Production as an additional qualifying business.

Council Member Shaver asked about the current balance of the LB 840 fund; Mr. Johnson responded that the balance is \$5.4 million. Finance Director Hilyard added that obligated funds include \$1 million for the Workforce Housing Project and \$1 million for the Gering Industrial Park. Payments are being made for the hospital job as they qualify. We have approximately \$3 million available now, however the amount changes each month with revenue from the sales tax.

Ms. Jody Lamp, with the American Doorstop Project, also commented on the benefits of adding this type of Qualifing Business to the City's Economic Development plan. She is currently working on a local film project to commemorate a native son who is a nationally known thoroughbred horse trainer. This film is being made at the same time of the 100^{th} year celebration of the Triple Crown. This potential funding would help complete the work they have begun on this film; Ms. Lamp has been researching this project for ten years and actively working on the filming in recent years. There were no further comments from the public.

Mayor Meininger closed the public hearing at 6:20 p.m. Mayor Meininger introduced the Ordinance amending the Scottsbluff Economic Development Plan to provide for an additional qualifying business, which was read by title on first reading: AN ORDINANCE AMENDING THE SCOTTSBLUFF ECONOMIC DEVELOPMENT PLAN TO PROVIDE FOR AN ADDITIONAL QUALIFYING BUSINESS.

City Manager Johnson reported that the City received the final payment from Menards, Inc. for the street improvements in the Menards Subdivision. Staff received a letter from our engineer, M.C. Schaff and Associates, stating that all public roads within the Menards Subdivision meet the minimum construction requirements per the City of Scottsbluff Current Subdivision regulations; this letter is their recommendation that the streets be accepted by the City of Scottsbluff. Moved by Council Member

Shaver, seconded by Council Member Colwell, "to accept the street improvements included in the Menards Subdivision following the final payment by Menards Inc.," "YEAS", Colwell, Gonzales, Shaver, Meininger and McCarthy, "NAYS", None. Absent: None.

Mr. Johnson reported that there was only one bid received for the City's Fueling Card system, which was from Panhandle Coop. The bid was comparable to the last one we received with a \$.07 per gallon discount and end of year patronage refunds. Staff is recommending approval of the three year agreement with Coop. Moved by Mayor Meininger, seconded by Council Member McCarthy, "to approve the three year agreement with Coop for the Fueling Card System for the City of Scottsbluff," "YEAS", Colwell, Gonzales, Shaver, Meininger and McCarthy, "NAYS", None. Absent: None.

Regarding the Ordinance amending requirements for Stormwater Management, post construction, Council introduced the Ordinance which was read by title on second reading: AN ORDINANCE FOR THE CITY OF SCOTTSBLUFF, NEBRASKA ADDING ARTICLE 4 TO CHAPTER 24 RELATED TO POST-CONSTRUCTION DESIGN STANDARDS FOR STORM WATER AND STORM WATER POLLUTION CONTROL, PROVIDING FOR PUBLICATION IN PAMPHLET FORM AND PROVIDING FOR AN EFFECTIVE DATE.

The City Council held a public hearing at the February 5, 2018 City Council Meeting regarding the 2018 One and Six Year Street Plan, at which time there were no comments from the public. Council Member Shaver asked about the amount to be paid for the Hilltop Estates project. Public Works Director Bohl explained that the developer will pay for the street, and he is required to report the amount to the State. Moved by Council Member Gonzales, seconded by Council Member McCarthy, "to approve Resolution No. 18-02-04, 2018 One and Six Year Street Plan," "YEAS", Colwell, Gonzales, Shaver, Meininger and McCarthy, "NAYS", None. Absent: None.

Mr. Johnson explained that during the Retirement Plan conversion to Union Bank and Trust, staff was under the impression that the ICMA Roth contributions were under the 457 Plan, however, discovered that they are not included in that plan, they are separate IRA's. This Resolution will allow for the Roth Plan to be under the 457 Plan as an added benefit for our employees at no additional expense to the employees, or they can transfer their Roth funds to another service provider. Moved by Mayor Meininger, seconded by Council Member Shaver, "to approve Resolution No. 18-02-05 amending the Union Bank & Trust Company pension service to comply with the requirements of 457(b) of the Internal Revenue Code and authorize the City Manager to sign all necessary documents," "YEAS", Colwell, Gonzales, Shaver, Meininger and McCarthy, "NAYS", None. Economic Development Director Starr Lehl presented the LB 840 Economic Assistance Agreement for Pioneer Animal Clinic to the Council, explaining that they are expanding their operation and in the process of building a new clinic at the Immigrant Trail Subdivision. The LB840 Application Review Committee has made a recommendation for a \$700,000.00 loan with the opportunity for the applicant to receive job credits over a five year period, adding new positions to the clinic.

Dr. Kim Walker explained that they have a mixed practice with 50% large animals and 50% small animals. They have run out of space at their current location. They would like to offer more services, and become the premier veterinarian clinic in the Panhandle, caring for animals throughout the region. They have plans to hire two to three more veterinarians and additional support staff. They will purchase additional equipment to assist with specialized needs.

Deputy City Attorney Ediger explained that Platte Valley Bank is the primary lender to Pioneer Properties, and no advance of the LB840 funds will be disbursed until at least \$500,000.00 has been advanced by the Bank. Moved by Mayor Meininger, seconded by Council Member Colwell, "to approve the \$700,000.00 LB840 Economic assistance Grant for Pioneer Animal Health Clinic," "YEAS", Colwell, Gonzales, Shaver, Meininger and McCarthy, "NAYS", None. Absent: None.

Ms. Lehl presented the Economic Assistance Grant for McKiney Manufacturing in Mitchell, NE, for a \$150,000.00 job credit grant to be earned over a ten year period and a \$200,000.00 loan to purchase equipment. They are expanding their tool and dye operation beyond their hose manufacturing business. They are currently expanding their customer base with the manufacturing of equipment for LP generator exhaust systems, which will be possible with the purchase of the specialized tube bender. This will enable them to grow and expand into other markets and increase job opportunities. They are working with Scottsbluff High School welding program and intern programs for welders at WNCC.

Council Member Shaver asked if they had contacted Mitchell regarding their LB840 funding. Mr. McKiney said they received an LB840 grant from Mitchell in 2015. Mitchell's LB840 funds are very limited for additional grants. Moved by Council Member Gonzales, seconded by Council Member Colwell, "to approve the \$150,000.00 LB840 Economic assistance job credit grant and \$200,000.00 equipment loan for McKiney Manufacturing," "YEAS", Colwell, Gonzales, Meininger and McCarthy, "NAYS", Shaver. Absent: None.

Ms. Lehl presented the Economic Assistance Grant for Treaty Site Farms, owner Sam Adams, for \$200,000.00 to relocate his trucking business to Immigrant Trail Subdivision. The loan will be used for a new building and infrastructure. Mr. Adams explained that they will be expanding their trucking business, mainly transporting products for B & C Building. Mayor Meininger commended Mr. Adams for

his development efforts at the Immigrant Trail Subdivision. Moved by Council Member Shaver, seconded by Mayor Meininger, "to approve the LB840 Economic Assistance Grant for Treaty Site Farms in the amount of \$200,000.00 for a new building and infrastructure, "YEAS", Colwell, Gonzales, Shaver, Meininger and McCarthy, "NAYS", None. Absent: None.

City Manager Nathan Johnson discussed the updated draft of the Landfill Operating Agreement with the City of Gering, which he would like to have on the March 19, 2018 Council Meeting to finalize. Mayor Meininger asked about the RFP for an Engineer for this project and how this parallels with finalizing the agreement. Mr. Johnson explained that the agreement calls for an Administrative Committee which would be comprised of two elected officials from each city, and the City Administrator in Gering and City Manager in Scottsbluff. This committee would have the authority to set up subcommittees or a task force to address any issues. Scottsbluff City staff, Mark Bohl and Jordan Deidrich, are working with City of Gering staff, Annie Folck and Mayor Kaufman, along with former Gering City Engineer Paul Snarr, to review the five RFP's for the Engineers.

Council Member Gonzales asked in conjunction with the agreement, if there will be a business plan including costs. Mr. Johnson said they are working on the debt amount, which will require a revenue bond. The amount of this bond will depend on the magnitude of project. Mayor Meininger asked if the oversight Committee would develop the budget. Mr. Johnson responded we will need the Engineer on board first in order to develop the total budget.

Council Member Gonzales recommended setting a matrix of steps first on how this will impact the city financially, rather than purchase the land, and then discuss the costs associated with the development of a landfill. City Manager Johnson will bring this agreement back to the Council on the March 19th meeting.

Under public comments, Ms. Albaugh approached the City Council regarding the proposed site for the landfill. She suggested that the Council review the NDEQ report pertaining to the current City of Gering landfill as it relates to contaminant issues.

Under Council Reports, Mayor Meininger reported that the Police Department is ahead of schedule with the process of adding the Zuercher record keeping software. Also the League of Nebraska Municipalities Mid-Winter meeting is next Monday and Tuesday.

Council Member Gonzales reported that WNED meets this Thursday.

Moved by Council Member Shaver, seconded by Council Member Colwell, "to adjourn the meeting at 6:50 p.m.," "YEAS", Colwell, Gonzales, Shaver, Meininger and McCarthy, "NAYS", None. Absent: None.

Manager Application for Karla Montelongo, San Pedro LLC, dba: San Pedro Mexican

Restaurant, 23 West 27th St. Scottsbluff, NE License number I-116251

This applicant, Karla Montelongo was investigated for suitability as a manager on the San Pedro Mexican Restaurant's liquor license. Nothing was discovered that would prohibit her from holding a manager position under the license. Montelongo reported having only minor traffic offenses in her background, nothing further than what was reported was found.

On February 21st, 2018 Karla Montelongo appeared before the Scottsbluff Liquor Committee in reference to this manager's license. Karla explained that she will be responsible for the alcohol at San Pedro's. Karla explained that her responsibilities will include the inventory and ordering of the alcohol. Karla added that she has attended the TIPS Training December, 2015. Karla added that it's San Pedro's policy to check alcohol customer's identification to ensure legal and consult a manager if uncertain. The Liquor Committee unanimously approved a positive recommendation for Karla.

Respectfully,

Kevin E Spencer, Chief of Police

City of Scottsbluff

City of Scottsbluff Liquor License Holders Investigatory Board Regular Meeting February 21, 2018 - 4:00 p.m.

The City of Scottsbluff Liquor License Holders Investigatory Board met in a regular meeting on Wednesday, February 21, 2018 at 4:00 p.m. in the Meeting Room of City Hall, 2525 Circle Drive, Scottsbluff. A notice of the meeting had been published on February 16, 2018 in the Star Herald, a newspaper published and of general circulation in the city. The notice stated the date, hour and place of the meeting, that the meeting would be open to the public. That anyone with a disability desiring reasonable accommodation to attend the meeting should contact the city clerk's office, and that an agenda of the meeting kept continuously current was available for public inspection at the office of the city clerk in City Hall; provided, the committee could modify the agenda at the meeting if it determined that an emergency so required. A similar notice, together with a copy of the agenda, also had been delivered to each committee member.

- 1. Roll Call The following Board Members were present: Mike Halley, Scottsbluff Public Schools; Norman Coley, WNCC; Libby Stobel, City Attorney; Nathan Johnson, City Manager; Police Chief Kevin Spencer; Cindy Dickinson, City Clerk. Also present was Rob Jackson, Nebraska State Patrol. Absent: Bob Scripter, Racks; Russ Knight, Dietrich Distributing; Kelli Larson, Panhandle Prevention Coalition.
- 2. Open Meeting Act Acting Chairman Johnson welcomed everyone in attendance and informed those in attendance that a copy of the Nebraska Open Meetings Act is posted on the west wall for the public's review.
- 3. Call Meeting to Order The meeting was called to order and Dickinson recorded the proceedings.
- 4. There were no changes to the agenda.
- 5. Approve Minutes of the January 11, 2018 meeting Motion by Coley, second by Stobel, "to approve the January 11, 2018 Minutes," motion passed unanimously.
- 6. New Liquor License Manager applications:
 - a) Karla Montelongo as manager of the liquor license for San Pedro Restaurant, 23 West 27th St., Scottsbluff, NE.

Ms. Montelongo explained to the Board that she has applied for permanent residency in the United States, and the process will be completed this summer. This business has always been in the family so she is very familiar with the business and daily routine.

Chief Spencer asked what their process is regarding checking patron's identifications. Ms. Montelongo explained that the process remains the same, to always ask for identification and double check, if there is any question. If an employee fails a compliance check, they are terminated and fined. Their process is included in their personnel manual.

She explained that the alcohol is stored in a locked area. The security cameras are currently not working, however, they are working on replacing the cameras. All of the staff have been trained through the State Patrol TIPS program.

Moved by Halley, seconded by Johnson, "to forward a positive recommendation to the City Council regarding the appointment of Karla Montelongo as manager of the San Pedro Mexican Restaurant Class I liquor license," motion passed unanimously.

7. Liquor License Compliance Issue:

a) Council review and discussion of failed compliance check at Safeway.

Tim O'Neal, Attorney representative Safeway, joined the meeting via conference call. He explained that he has met with all of the upper management teams with Safeway in his region, to discuss the new process to prevent any further compliance failures.

They have eliminated the "by-pass" system on their cash registers, requiring everyone purchasing alcohol to present identification. The checkers cannot override this function.

Mr. O'Neal also met with State Patrol Officer Rob Jackson to discuss methods to prevent the sale of alcohol to minors. Officer Jackson offered information regarding other forms of identification and how to detect fraud. If anything is suspicious regarding an ID, the employee is required to contact the Manager before selling any alcohol.

Chief Spencer asked about the employee who made the sale to a minor. Mr. O'Neal explained that their policy is to give employees a second chance, by retraining and working with the employee, which they have found is very effective.

8. Adjournment:
Moved by Spencer, seconded by Stobel, "to adjourn the meeting at 4:45 p.m.," motion passed unanimously.

Nathan Johnson, Acting Chairman

National Pollutant Discharge Elimination System "NPDES" Storm Water Discharge Permit: A permit issued by the EPA (or by a State under authority delegated pursuant to 33 U.S.C. § 1342(b) i.e. Nebraska Department of Environmental Quality) that authorizes the discharge of pollutants to waters of the State.

Owner: The person who owns a facility, development, part of a facility, or land.

Pollution: The presence in waters of the State of any substances, contaminants, pollutants, or manmade or man induced impairment of waters or alteration of the chemical, physical, biological, or radiological integrity of water in quantities or at levels which are or may be potentially harmful or injurious to human health or welfare, animal or plant life, or property or which unreasonably interfere with the enjoyment of life or property, including outdoor recreation unless authorized by applicable law.

Post Construction Stormwater Management: Permanent storm water management for a site that controls storm water runoff for a set duration after a storm. The management of storm water includes the use of STFs that meet minimum site performance standards in accordance with the city's MS4 permit. STFs are intended to provide storm water treatment during this time period and are considered functional after vegetation has been established.

Post Construction Stormwater Management Plan: Documentation supporting analysis, design, maintenance and inspection of STFs installed on a site in order to meet minimum site performance standards in accordance with the city's MS4 permit.

Receiving Water: Any water of the State of Nebraska, including any and all surface waters that are

24-4-4 Site Performance Standards

Permanent BMP or STFs design, installation, implementation, and maintenance must consider infiltration, evapotranspiration, harvesting, and/or using storm water discharges to provide water quality measures to runoff. Discharge standards must consider site discharge volume, rate, duration and frequency to protect and maintain pre-development hydrology to the maximum extent practicable.

The most recent versions of the following design guides and manuals are approved for general use in the design of STFs:

- City of Omaha, "Omaha Regional Storm water Design Manual Chapter 8: Stormwater Best Management Practices"
- City of Lincoln, "Drainage Criteria Manual Chapter 8: Stormwater Best Management Practices"
- NDOR, "Drainage and Erosion Control Manual Chapter 3: Stormwater Treatment within MS4 Communities"
- Urban Drainage and Flood Control District (UDFCD), "Urban Storm Drainage Criteria Manual, Volume 3: Best Management Practices"

The designer is encouraged to adopt one design guide/manual for use on a project to the extent practicable.

24-4-5 Post-Construction Site Plan Review

Land development that meets the land disturbance criteria in this Article must address stormwater runoff quality and quantity in the drainage plan for any subdivision plat, annexation plat, development agreement, subdivision agreement or other local development plan.

24-4-5.1 Procedures for approval

A.) *Platting:* For major subdivision applications drainage and post construction shall be discussed at the pre-application conference. This would be followed by an initial review of the general design at the preliminary platting stage and detailed design carrying over into final design review.

The plat applicant shall identify in the drainage report:

Opportunity Zone Proposal

Proposal Submitted by: The City of Scottsbluff

Census Tracts Proposed: 953500, 953600 and 953700

The decision making process to include the above census tracts was made by the Economic Development Director, City Manager and Mayor. All three of the census tracts are areas the city has already been working on to either develop or revitalize.

First priority would be Census Tract 953700.

Current Land Use varies from M-1 Light Manufacturing & Industrial along the Highway 26 corridor into the City of Scottsbluff to R-5 Mobil Home Park and C-3 Heavy Commercial turning off onto the East Overland corridor.

Proposed Land Use will not change.

Description of public and private activities previously undertaken to encourage private investment- The city recently sold land along the Highway 26 corridor to private developers with the anticipation of the attraction of light manufacturing companies to this area. The city has committed \$700,000.00 in LB840 funds for the development of a new, state of the art veterinary clinic project with a total project cost of \$2,500,000.00. A trucking company is also locating in the area and \$200,000.00 in LB840 funds are being invested in the \$400,000.00 project.

The city applied for and received a CDBG Planning Grant for the East Overland Corridor in the amount of \$30,000.00 and the city match of \$12,888.00. A

steering committee was formed of business owners and residents in the area and they prioritized projects for the area. The priorities of the local steering committee did not match up with the "eligible activities" under the grant guidelines, therefore, the city did not pursue funds for implementation. The city did, however, utilize a portion of the funds made available through the sale of land along Highway 26 in the amount of \$153,500.00 for a grant program for businesses and residents along the East Overland Corridor. The dollar for dollar grant match was made available on October and applications far exceeded the amount available in less than one month.

Public Investment (approximate): \$1,096,388.00
Private Investment (approximate): \$2,266,000.00

Second priority would be Census Tract 953600.

Current Land Use is R-1A Single Family Medium Density, C-2 Neighborhood Commercial and C-3 Heavy Industrial.

Proposed Land Use will not change.

There are 21 platted lots available for workforce housing development in this census tract. There is needed infrastructure to the lots including the street and water/wastewater line extensions. The City of Scottsbluff has committed up to \$1,000,000.00 to be used as match for the Rural Workforce Housing Initiative and is participating in a regional application through the Panhandle Area Development District along with other member communities and regional banks. PADD is also applying for a \$250,000 grant through the Nebraska Investment Finance Authority (NIFA) to be used for matching funds. If the grant application is successful, there are several homes in this census tract that would qualify for the purchase/rehabilitation or purchase/rehabilitation/resale portion of the grant funding. Private funds from local contractors and developers to build new homes and rehabilitate older homes are anticipated to be in the millions of dollars.

Public Investment (proposed, approximate): \$1,000,000.00

Private Investment (proposed, approximate): \$3,000,000.00-\$4,000,000.00

Third priority would be Census Tract 953500.

Current Land Use is C-1 Central Business District, R-1A Single Family Medium Density and R-4 Heavy Density Multiple Family.

Proposed Land Use will not change.

The majority of this census tract includes the downtown area. The City of Scottsbluff received a Downtown Revitalization Grant through the Nebraska Department of Economic Development in the amount of \$30,000.00 for planning and \$350,000.00 for implementation. The city's match was \$7,500.00 and \$960,000.00 respectively. Several empty buildings were purchased and renovated during the downtown revitalization process and 2nd story apartments were created in many of the buildings. A Façade Improvement Program which included a dollar for dollar match was created through the grant to leverage \$265,000.00 in private development and beautification of the downtown buildings. The gathering place in the downtown area known as the 18th Street Plaza is in need of additional work done in order to make it fully functional and appealing as a destination for various festivals and events throughout the year. There is also the opportunity for upstairs apartments in some of the downtown and surrounding buildings as well as purchase/rehabilitation of single and multifamily housing.

Public Investment - \$1,347.500.00

Private Investment (approximate): \$3,500,000.00

Respectfully Submitted,

Randy Meininger, Mayor City of Scottsbluff
