

## **Copier/Microfilm Use**

The Library is not in the copying business nor does it seek to compete with local businesses that provide copying services. The Library provides a self-service public copier for customer use. Copyright Law only protects libraries from liability for unsupervised copying (i.e. copies made on coin-operated, user-controlled machines). A staff member who makes copies for the public is in violation of copyright law.

The self-service copier is for public use and is strictly a self-service machine. This machine can make normal letter sized (8 ½” x 11”) copies as well as legal sized (8 ½” x 14”) copies. Library staff can provide suggested solutions, but the customer must be the person who presses the start button to make the copy. Copies are \$.15 per copy.

The Library does provide one microfilm reader/printer for customer use and review of the Star Herald microfilm. The charge for printing from the microfilm reader is also \$.15 per copy.

The library does not allow library customers to bring their own paper in for copying or printing purposes due to risk of damage to the equipment.
