There will be free blood pressure screening available that morning also. The February luncheon was cancelled due to inclement weather. The Computer workshop was well attended and very successful. The next workshop is scheduled for next Thursday. This also brings Elementary students and Seniors together. fY 2016-17 Budget Proposal Submittal

The 2016-17 Budget request was submitted, but kicked back. The numbers were inaccurate. Changes this coming year include 3.8 additional hours to the transportation line to allow a monthly trip to the Library. Discussion followed regarding the possibility of adding a request for $600.00 Activities line which would allow for a broader selection of activities offered to the Seniors. New Fairfield has a $30,000.00 Activities Budget. There was discussion regarding moving a line out of Public Works’ budget which is for the Maintenance of the Senior Transportation vehicles. This is not an additional line it is just being removed from the Public Works Department and added to the Senior Center. The Commission discussed the future needs for the coming year.
