SHERMAN INLAND WETLANDS & WATERCOURSES COMMISSION
SPECIAL MEETING
DECEMBER 1, 2018

PRESENT: Frank Galasso, Chairman, Robert Putnam, Mike Humphreys, Henry Cooperman, Lorinda Pallisco, Enforcement Officer Ron Cooper.

ABSENT: David Schneider, Ernie Dech.

Chairman Frank Galasso called the meeting to order at 11:04 a.m.

I. SITE WALKS – 12-1-18

1. Lauretta Bruno – 2 Lake Shore Woods Road – Application # 41-18
   (Replace existing septic system with access road to septic area all within the established review area).

2. John Hayes – 17 Pepper Pond Road – Application # 40-18
   (Replace existing septic system all within the established review area).

II. OLD BUSINESS:

1. Lauretta Bruno – 2 Lake Shore Woods Road – Application # 41-18
   (Replace existing septic system with access road to septic area all within the established review area).
   No one attended the meeting representing Ms. Bruno. Commissioners reviewed and discussed the site walk conducted earlier in the morning. After a brief discussion, Commissioner Cooperman made a motion to approve this application with the following conditions: (1) permit on site for the duration of the project – (2) contact Enforcement Officer Cooper before starting work – (3) all erosion controls to be in place, including erosion control mats to be secured over the steeper portions of the new septic fill – (4) riprap is to be placed as an erosion control measure at the outfall of the curtain drain pipe – (5) Temporary hay bales are to be used across the steep temporary access road to prevent excessive erosion during storms – (6) Discharge from the rain gutter drain pipe that currently discharges just uphill from the proposed new leach field is to be addressed. (7) the septic system is to be 100% compliant. Commissioner Pallisco seconded the motion. Motion passed unanimously. Granted.

2. John Hayes – 17 Pepper Pond Road – Application # 40-18
   (Replace existing septic system all within the established review area).
   No one attended the meeting representing Mr. Hayes. Commissioners reviewed and discussed the site walk conducted earlier in the morning. After a brief discussion, Commissioner Cooperman made a motion to approve this application with the following conditions: (1) permit on site for the duration of the project – (2) contact Enforcement Officer Cooper before starting work – (3) all erosion controls to be in place, including silt fence around entire disturbed area, including stock pile area. Commissioner Pallisco seconded the motion. Motion passed unanimously. Granted.

Chairman Galasso, with no objections, adjourn the meeting at 11:19 a.m.

Respectfully submitted,
Mike Humphreys
Secretary
