Old Business:

Continuation of deliberation of request for an extension of Approval for Farview Farms Sub-division

Chair J. Burrano reopened deliberations to consider the property owner's request to extend the expiration date set to expire October 24, 2017 for an additional five years. There are eighteen lots in this sub-division of varying size as well as a considerable amount of open space. The ZEO provided a map that explained the lots, and percentage of open space and non-disturbance areas relative to the sub-division, discussion followed. The Commission agreed that it is apparent that much thought went into the configuration of the lots and protection of open space and buffers.

Commissioner J. Finch Moved to Approve the applicant's request to extend the expiration date set to expire October 24, 2017 for five years for Farview Farms Sub-division, the new expiration date will be October 24, 2022.

Public Comment:

M. Lord- asked what the small silver boxes were that were mounted on some of the road signs. The ZEO explained that they were traffic counters. The Town has applied for State funding to improve the roads along Wakeman Road and Taber Road and the roads have to serve a certain threshold of traffic to qualify.

Committee Reports:

There were no reports.

Chairman Report:

Chair Burrano reported there is an upcoming Land Use Seminar put on by the Connecticut Bar Association at Wesleyan University for Saturday March 25, 2017 beginning at 8:30 am to 4:30 pm. She encourages everyone attend if their schedules allow, it is very beneficial for new and long term Commissioners. Carpooling will be set up as the date gets closer.

Approval of the 2017-18 Proposed FY Budget:

The Commission reviewed the proposed FY 2017-18 Budget Request. It has been pointed out by the BoS that the Legal Warnings line has already gone over considerably. The Clerk compiled a report to accompany the Budget to speak to the request of an increase. The size of each publication varies depending if it is a proposed Regulation change or Public Hearing. The average cost of a Legal Warning publication is between $150.00 ($50.00 each time published) and $300.00 ($100.00 each time published) which needs to published twice before the meeting and once following a decision. Typically we try to use the local newspaper (Town Tribune), however there are State Statutes that must be followed and from time to time it becomes necessary to use the Spectrum or Danbury News Times which increase the publication cost tremendously.

Commissioner J. Finch Moved to Accept the proposed FY 2017-18 as Amended. Seconded by: P. Voorhees Vote: For: Unanimous

Regulation Review:

Discussion and possible action regarding amendments to the Sherman Zoning Regulations:

1. ADD: Section 610- Definition of "Transient"

2. AMEND: Modification to item "c" from Section 324.3A Septic Systems for Accessory Buildings:
   
   c. Special permits for such use shall be granted under the procedure set forth in Section 340. The premises involved may be inspected by the Commission throughout the life of the special permit. The Commission may require the applicant to post a bond with the First Selectman of the Town of Sherman sufficient to ensure removal or disconnection of the system if it is determined by the Commission that the requirements of this section have been violated.
