28 Wanzer Hill Road – A 6’ high stockade fence and hot tub was installed without the required permits. In violation of Section 410 “Zoning Permits” of the Town of Sherman’s Zoning Regulations – Zone B. The contractor and home owner have both been contacted and a Notice of Violation will be sent. A Notice of Violation was sent on August 22, 2018. An application has been received and will be denied. After discussing the setbacks the owner decided to remove the fence and move the hot tub to a conforming location. The
violation has not been corrected yet. A letter was sent on February 28, 2019 as a reminder that violations still exist on the property and the application that they submitted cannot be processed without the application fee. We determined that the fees had been paid and a second check she provided was returned. She stated she would call to set up a meeting to review what needs to be done to resolve the outstanding issues. The ZEO had a meeting with the property owners the week of 6/3/19 on the property and requested the as-built survey. A copy of the survey has been received. The survey shows the proposed location of the hot tub and the actual location of the installed 6’ high fence. The owner plans on applying for a variance to allow a 6’ high fence in front of the 50’ front set back line. As of January 1, 2020 ZBA has not received an application. A letter will be sent. She will call them and asked me to do the same to get things moving. I called the surveyor as the property owner requested. The surveyor will be on his desk and will address it in the coming weeks. He hopes to apply for the variance on behalf of the owner. An application has been received by the Zoning Board of Appeals. The case will be heard at the March 2, 2021 meeting.
