

**CITY OF SOUTH BURLINGTON
OFFICIAL COMMITTEE MEETING(S) WARNING
April 3, 2020**

Notice: For the time being, City Meetings are being held remotely. Presenters and members of the public are invited to participate remotely either by interactive online meeting or by telephone. You will have the opportunity both to listen AND speak, as in a regular meeting. We ask for your patience as we make adjustments to this protocol. This will be a fully electronic meeting, consistent with recently passed legislation. There will be no physical site at which to attend the meetings.

To assist anyone new to this technology, or who would like a refresher, we are hosting two *practice* meetings on Monday, April 6th. Staff will open the meeting session, describe how the technology works and how it will be used in meetings, and invite technical questions.

The City is presently using GoToMeeting as our service. Members of the public are welcome to call in by telephone, join by interactive internet service (with video conferencing and screen sharing capability), or both.
