

CITY OF SULLIVAN, ILLINOIS

ORDINANCE NO. 16-9

**ORDINANCE AMENDING CHAPER 11 OF THE REVISED CODE OF ORDINANCES
OF THE CITY OF SULLIVAN, ILLINOIS; ELECTRIC DEPARTMENT;
BY ADDING THERETO ARTICLE VI – INTERCONNECTION POLICY**

**ADOPTED BY THE CITY COUNCIL
OF THE
CITY OF SULLIVAN, ILLINOIS**

THIS 27TH DAY OF JUNE 2016

Published in pamphlet form by authority of the City Council
of the City of Sullivan, Moultrie County, Illinois, this 28th day of
June 2016.

ORDINANCE NO. 16-9
ORDINANCE AMENDING CHAPTER 11 OF THE REVISED CODE OF ORDINANCES
OF THE CITY OF SULLIVAN, ILLINOIS; ELECTRIC DEPARTMENT,
BY ADDING THERETO ARTICLE VI – INTERCONNECTION POLICY

BE IT ORDAINED by the Mayor and City Council of the City of Sullivan, Moultrie County, Illinois, that:

SECTION 1: CHAPTER 11 – ELECTRIC DEPARTMENT is hereby amended by adding thereto ARTICLE VI – INTERCONNECTION, and shall read as follows:

ARTICLE VI – INTERCONNECTION

11-6-1 The City of Sullivan shall make available, upon request, interconnection services to any customer that meets the required guidelines. Interconnection services in this ordinance refers to on-site generating facilities connected to the City of Sullivan's electric distribution system in a manner that will allow excess electricity generated by the eligible on-site generating facility to be safely delivered onto the City of Sullivan's electric distribution system.

11-6-2 Guidelines for interconnecting to the utility system are as follows:

- (A) Only generating facilities that have been approved by the Electric Department of the City shall be interconnected with the City of Sullivan's electric distribution system.
- (B) Interconnection Services shall only be available to premises with aggregated total generation at a single customer site of less than 1 MW.
- (C) All interconnections shall comply with IEEE Standard 1547 for Interconnecting Distributed Resources with Electric Power Systems (IEEE 1547) as they may be amended from time to time.
- (D) All auxiliary generation interconnections shall have a time delay set for no less than two (2) minutes.
- (E) The City of Sullivan is under no obligation to purchase energy supplied to the utility under this standard. This does not preclude the customer meeting applicable standards that would allow the customer to supply power onto the utility's system and receive credit for such energy under the utility's Net Metering Ordinance.
- (F) If the customer qualifies under the Interconnection standard but does not qualify under the Net Metering Ordinance then any energy delivered to the utility system shall be surrendered to

the utility with no value. The City of Sullivan will install a meter that will not provide any credit for energy delivered to the utility system and the customer will pay for any costs associated with the meter change.

- (G) Customers will comply with all other applicable utility standards for interconnection.
- (H) Capacity of 10 kW or less and interconnected to the utility system shall comply with IEEE 1547 Section 5.5, Periodic Interconnection Test. All interconnection related protective functions and associated batteries shall be periodically tested at intervals specified by the manufacturer system integrator, or the authority that has jurisdiction over the Distributed Resources interconnection, or all tests shall be performed at a minimum of every three (3) years. Periodic test reports shall be maintained and submitted to the City of Sullivan's Electric Department.
- (I) Systems of greater than 10 kW or less than 1MW and interconnected to the utility system shall comply with IEEE 1547, Section 5.5, Periodic Inspection Test. All test reports shall be submitted to the City of Sullivan's Engineering Department after completion of the yearly testing.
- (J) Reports required under 11-6-2, Paragraphs (G) and (H) must be submitted with 30 days of the anniversary date of the energizing of the interconnect generating. If the required reports are not received within the period, the generation must be disconnected until the reports are submitted.
- (K) The customer shall carry a liability insurance policy issued by a licensed insurance carrier with an A.M. Best rating of B+ or better that provides protection against claims for damages resulting from (i) bodily injury, including wrongful death; and (ii) property damage arising out of the customer's ownership and/or operation of the distributed generating facility under this policy. The limits of such policy shall be at least \$1,000,000 per occurrence for those customers with small generating facilities. The customer shall provide a certificate of insurance containing a minimum 30 day notice of cancellation to the City prior to connection of the customer's facility to the electric system. The customer shall provide proof of insurance once per year to the City.

SECTION 2: All previous ordinances in conflict with this ordinance are repealed to the extent of such conflict.

SECTION 3: This ordinance shall be in full force and effect from and after its passage, approval, and publication as required by law.

SECTION 4: This ordinance shall be known as Ordinance No. 16-9.

PASSED by the Mayor and City Council of the City of Sullivan, County of Moultrie and State of Illinois on the 27th day of June 2016.

CERTIFICATE

I, Monte Johnson, certify that I am the duly appointed and acting City Clerk of the City of Sullivan, Moultrie County, Illinois. I further certify that on June 27, 2016, the Corporate Authorities of this municipality passed and approved Ordinance No. 16-9, entitled ORDINANCE AMENDING CHAPER 11 OF THE REVISED CODE OF ORDINANCES OF THE CITY OF SULLIVAN, ILLINOIS; ELECTRIC DEPARTMENT, BY ADDING THERETO ARTICLE VI – INTERCONNECTION POLICY, which provided by its terms that it should be published in pamphlet form.

The pamphlet form of Ordinance No. 16-9, including the Ordinance and a cover sheet thereof, was prepared, and a copy of such Ordinance was posted in the City Building, commencing on June 28, 2016, and continuing for at least ten days thereafter. Copies of such Ordinance were also available for public inspection upon request in the office of the City Clerk.

DATED at Sullivan, Moultrie County, Illinois, this 28th day of June 2016

Monte A. Johnson
City Clerk
