The City of Taneytown Launches New Citizen Notifications Mobile App

The City of Taneytown is excited to launch *Taneytown Connect*, a push notification mobile application. This application puts the power of city hall in the palm of your hand.

The app is a great source of information for city news, events, service interruptions and updates, and important links to the city website. City staff can streamline important community communications and information to citizens in more efficient ways.

To download the free app, go to the Apple App Store or Google Play Store and search "*Taneytown Connect*" to find the app.
