Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to approve the minutes of the Public Safety Committee Meeting held on January 3, 2017. Vote by voice call. Chairman Grady declared the motion carried.

Item #3 –DISCUSS FIRE DEPARTMENT INFORMATIONAL FAIR – Deputy Fire Chief, Steve Klotz made a presentation requesting hosting an informational Fire Department Fair. He noted this would allow the Fire Department to showcase all the services provided to the residents and would be geared towards the adult audience.

The breakdown of the topics that would be addressed is as follows:

- Fleet/Buildings
- Operations
- Training
- Personnel
- Fire Prevention
- Fire Department Association

This fair would allow residents to come into the station, pose any questions and then be directed to the appropriate booth where an Assistant Chief will address their question or concern. The Engine Company, Truck Company, Command SUV, Rescue Boat and Brush Truck will also be displayed.

Item #4- RECEIVE COMMENTS FROM THE PUBLIC – None

Trustee Vandenberg asked Police Chief Neubauer what a “Lift Assist Call” was. Police Chief noted it is a request for assistance in helping a resident up after a fall or accident. Trustee Vandenberg noted there are many times 6 requests per day and that the police should not be pulled off the street to do this type of call. EMS Director Carr was asked to investigate this further and see if there would be another way of handling these calls so the police would not be off the street.

Motion was made by Trustee Vandenberg, seconded by Trustee Younker, to adjourn the Public Safety Committee meeting held on January 17, 2017. Vote by voice call. Chairman Grady declared the motion carried and adjourned at 7:08 p.m.
