Trustee Brennan wished everyone a Happy Thanksgiving.

Village President Glotz stated at the beginning of the COVID-19 pandemic, the Governor issued executive orders authorizing municipalities to conduct meetings remotely. These measures were necessary to ensure that the Village was able to operate transparently and efficiently while keeping everyone safe.

However, with the progress the State has made since the beginning of the pandemic, the Governor's executive orders have rescinded that emergency authority. The legislature did pass Public Act 101-0640, which modified the Open Meetings Act to permit remote attendance at meetings during disaster proclamations, where meeting in person is not prudent or practical, and certain requirements are met.

The Village has not had an elected official attend remotely since December 1, 2020. In addition, the Clerk's office has not had a request from the public for remote participation since December 1, 2020. Considering the significant effort staff expends to make remote participation available, and the lack of any use of that option for almost a year, the Village should return to the standard method of conducting meetings in person, starting on December 7, 2021. In the event the need arises to return to remote participation in meetings, the Village can utilize the procedure outlined in Public Act 101-0640.

President Glotz asked if there were any comments from members of the public. There were none.

Motion was made by Trustee Mueller, seconded by Trustee Brady to adjourn the Village Board meeting at 7:45 p.m. Vote on roll call. Ayes: Brady, Brennan, Galante, Mahoney, Mueller, Sullivan. Nays: None. Absent: None. President Glotz declared the motion carried.

(D) Nothing in this section shall prohibit a church or church affiliated school from locating within 100 feet of a property for which there is a pre-existing license to sell alcoholic liquor at retail. In these instances, the Plan Commission may, by ordinance adopted simultaneously with the granting of an initial special use zoning permit for the church or church affiliated school, provide that the 100-foot restriction in this section shall not apply to that church or church affiliated school and future retail liquor licenses.

## Interoffice Memo

**Date:** November 16, 2021

**To:** Village Board of Trustees

**From:** Hannah Lipman, Assistant Village Manager

**Subject:** Video Gaming Request (Class UV-2) – Lenny’s Gas N Wash (7451 183<sup>rd</sup> St)

**Background:**

Lennys Gas N Wash has approached the Mayor’s Office seeking 24/7 gaming at their 183<sup>rd</sup> St. location. While the State of Illinois permits truck stops to operate video gaming 24/7, Tinley Park’s current local ordinances do not. However, in the ongoing liquor code updates, an additional license class (UV-2) was created which would permit video gaming 24/7 to any establishment awarded said license should the Board wish to consider this request.

Of all of their operating locations, Lenny’s is permitted to operate video gaming 24/7 except for Tinley Park. They have had practically no issues, and in fact feel that it is safer for employees and customers to have people around at all hours of the day.

**Request:** Award a Class UV-2 Video Gaming license to Lenny’s Gas N Wash 97451 183<sup>rd</sup> St)

**From:** Jason Zorena, CCEO

**Subject:** 7231 171<sup>st</sup> Street-First Merchants Bank – ATM Sign in Parkway

**Discussion:** This case (CE-2021-11-00657) was generated due to the new 7-Eleven building being constructed. It was found that as they were completing the sidewalks, the above property had an ATM sign in the parkway, preventing 7-Eleven from connecting the sidewalk to the current curb cut to the West. The sign was constructed in the Cook County R.O.W. without a permit and the Village does not record of a sign permit in our files. A notice was issued to First Merchants Bank to a mailing address in Indiana to have them remove the sign. Upon re-inspection, it was found the sign had not been removed. According to the Tinley Park Zoning Ordinance, the Village Board may declare the sign a nuisance and order it to be removed.

### **Section 9-C.7 (Tinley Park Zoning Ordinance) Removal of Signs**

*The Village reserves the right to require removal of signs, at the owner's expense, in the following circumstances:*

*d. When any sign is deemed unsafe, insecure, or a danger to the public, or has been constructed, erected, or maintained in violation of the provisions of this Section, the Zoning Administrator or their designee shall give written notice to the permittee thereof. If the permittee fails to remove or alter the structure so as to comply with the standards herein set forth within ten (10) days after such notice, then the President and Board of Trustees, on the recommendation of the Zoning Administrator or their designee, may declare such sign to be a public nuisance and direct the removal of such sign as required by law.*

**Recommendation:** Direct staff to send notice ordering the removal of the sign.

FIRST MERCHANTS BANK 200 E JACKSON ST MUNCIE IN 47305

Complaint: Zoning, Signs

Location: 7231 171ST ST, TINLEY PARK IL 60477

Date of Occurrence: 11/4/2021

Abate Violation By: **11/18/2021**

To whom it may concern:

The Village of Tinley Park has received a complaint in reference to the ATM sign that was installed in a public right-of-way. The complaint was investigated and found it to be valid in violation of the following codes or ordinances:

**Zoning Ordinance Sections 1 - 10**

**D. 2. Freestanding Signs:** c. Location: Freestanding signs shall be only constructed within the premises of the development that the sign identifies and shall not be constructed in the public right-of-way. Additionally, freestanding signs shall not be located within easements. Freestanding signs must be set back a minimum of ten feet (10') from all property lines. Freestanding signs shall not obstruct clear sight triangles near intersections.

**Zoning Ordinance Sections 1 - 10**

**C. GENERAL PROVISIONS 7. Removal of Signs:** The Village reserves the right to require removal of signs, at the owner's expense, in the following circumstances:

**Zoning Ordinance Sections 1 - 10**

**C. GENERAL PROVISIONS d.** When any sign is deemed unsafe, insecure, or a danger to the public, or has been constructed, erected, or maintained in violation of the provisions of this Section, the Zoning Administrator or their designee shall give written notice to the permittee thereof. If the permittee fails to remove or alter the structure so as to comply with the standards herein set forth within ten (10) days after such notice, then the President and Board of Trustees, on the recommendation of the Zoning Administrator or their designee, may declare such sign to be a public nuisance and direct the removal of such sign as required by law."

Therefore, abate all and any violations by the designated date. The ATM sign must be removed. A sidewalk needs to be installed in the right-of-way and this can not occur until you remove the sign. Signs are not allowed to be installed in a public right-of-way. All work is to be completed in a workmanlike manner. Permits may be required. Please contact the Building Department at (708) 444-5100 to confirm.

Disregarding any section of this notice can result in a citation being issued with a fine of **\$750.00** for each violation that continues after notice has been served, and each day shall be deemed a separate offense. Failure to pay any fine, or reimburse the Village for any action taken, shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate.

If you have any questions please contact Code Compliance Officer at **708 444-5100**. Sincerely,

## Finance Department Memorandum

---

**To:** Village Board  
**From:** Hannah Lipman Interim Treasurer/Finance Director and  
Brad Bettenhausen, Financial & Administrative Consultant

**Date:** 23 November 2021

**Re:** 2021 Tax Levy

The Village's Fiscal Policies Manual memorialized the Village's policy relative to the determination of the amount of the annual property tax levy. The established formula is as follows:

Current year levy = Prior year extended levy + increase in levy for inflation + increase in levy for new property growth. The basis for the prior year extended levy has historically and consistently been the "Total Levy" as reflected on the final Cook County Agency Rate Reports for the applicable prior tax levy year for better than half a century.

Following the requirements of the Truth in Taxation Act (TITA), at the Committee of the Whole meeting held on October 19, 2021, the Board met to make the required "determination of the levy" in compliance with the TITA. Treasurer/Finance Director Brown had proposed an increase of between 3.7% and 4.6%. While I do not believe the proposed levy recommendation was unreasonable or unjustifiable, the Village Board provided direction to limit the increase to 1%. The Library Board met on October 27, 2021 to make its levy determination, and directed to limit their increase to one-half of one percent (0.5%).

Normally, the levy ordinance and related tax abatements are handled at the December Board meetings. The draft levy Ordinance 2021-O-080 that was prematurely pushed forward for first reading at the November 2, 2021 Board meeting reflected an incorrect total levy amount. The levy amount had been calculated from the prior year's Village and Library levy requests instead of the respective Extended Levy amounts, and did not correctly reflect the Library's levy guidance using the lower percentage increase. The difference in calculations from the established formula methodology was nearly \$870,000 lower in total than intended, and this amount would be lost not only in the current year, but every tax year thereafter.

Ordinance 2021-O-080 has been corrected to properly calculate the amounts of the respective Village and Library levy requests following the Village's established formula as documented in the Fiscal Policy Manual. The related abatement ordinances have also been reviewed, and revised as necessary to correct "scrivener errors."

I am also attaching updated comparison of the differences between Cook and Will County tax processes, and an overview of 2020 tax year. Should you have any questions, please do not hesitate to contact.
