Subject: Re: Plan Commission Meeting September 6, 2018 - 7:00

Barbara and Kimberly,

I will be in attendance for the plan Commission Meeting this Thursday.

But I will recuse myself from voting on anything. My company SEECO did soil borings for that development and years back and I do not want any conflict of interest.

I recently saw the emails with questions but again--I feel I must recuse myself from this.

Please reach out to the Village Attorney for a statement I am prepared to read at the meeting and I will do so.

Thank you for your understanding,

Garrett Gray
