EMPLOYEE COMPENSATION

In August 2011 Public Act 97-0609 became law. This Act amended the Illinois Open Meetings Act and the Illinois Pension Code and requires additional disclosures to be provided by Illinois public bodies.

The Act provides that any Illinois Municipal Retirement Fund (IMRF) employer that approves an IMRF eligible employee's total compensation package equal to or in excess of \$150,000 per year must post the total compensation package at least 6 days before the approval of said compensation package or a budget. The Act requires that all IMRF employers must post information for each IMRF eligible employee having a total compensation package that exceeds \$75,000 per year within 6 days of approval of a budget.

For purposes of the Act, "Total Compensation Package" means payments by the employer to the employee for salary, health insurance, a housing allowance, a vehicle allowance, a clothing allowance, bonuses, loans, vacation days granted, and sick days granted. This definition of "Total Compensation Package" under the Act includes only items that are paid directly to the employee, and not expenses incurred by the employer for the benefit of the employee. Accordingly, expenses such as health insurance premiums, and retirement system contributions (which would also include the employer share of contributions for Social Security and Medicare) paid by the Village to companies or individuals other than the employees would not be included in the computation of the Total Compensation Package. An employee's vacation time is provided in accordance with Section 6.6 of the Village of Tinley Park Personnel Manual and is included within the salary for the position and is not an additional compensation benefit. The Village does not provide employees sick days.

As noted earlier, under the provisions of the Act, the Village is only required to provide disclosure for employees participating in the IMRF pension system with Total Compensation greater than \$75,000. The Village is providing the attached list of employee positions with the estimated Total Compensation Package **inclusive of such other costs incurred and paid by the Village that benefit the employee which exceeds the disclosure requirements of the Act. We have also attempted to include all employee positions, including those covered by other pension or retirement systems other than IMRF, again exceeding the disclosure requirements of the Act.** The report also includes part-time positions where the expected paid hours can reasonably be estimated or projected. For part-time positions where the hours cannot be projected, a schedule of the Total Compensation Package on an hourly wage basis is provided. The reporting of these part-time positions also exceeds the Act disclosure requirements. The information within this report is on a projected basis for the fiscal year beginning May 1, 2020 and ending April 30, 2021 based on information currently available.
