

## **CRC offering student scholarships**

Issued: Feb. 22, 2019

The Village's Community Resources Commission will award five high school graduates living in Tinley Park with \$1,000 scholarships to the school or university of their choice, including vocational or technical schools such as trade, technology and beauty.

A significant emphasis of the scholarship will be the student's service to the community. Other factors such as academic achievement will also be considered.

Applications are due March 31 and are available during normal business hours in the Clerk's Office at Tinley Park Village Hall, 16250 S. Oak Park Ave. Good luck to all who apply!
