

Vehicle stickers on sale April 1

Issued: March 29, 2019

The 2019-20 Village of Tinley Park vehicle sticker goes on sale April 1 and features the new Tinley Park logo and tagline. Residents have until June 30 to buy and display the stickers on their windshields.

Stickers must be displayed on any motor vehicle operated by a Tinley Park resident on a public street or highway within the Village. Stickers also must be displayed on any motor vehicle that is not in use, but which is kept or stored within the Village. Leased and company-owned vehicles also are included.

Residents age 65 or older are eligible for the senior citizens fee upon presentation of a current driver's license. The Village will accept only one discount per driver's license or state identification.

The new logo celebrates Tinley Park's music brand and features the new Village colors of violet and brass, as well as a guitar neck in place of the "L" in Tinley and the new tagline, "Life Amplified."
