

Repairs under way at 80th Avenue station

Issued: March 13, 2002

The Tinley Park Public Works Department is repairing stone coping at the 80th Avenue Metra train station. Cachey Construction will be making repairs from 8:30 a.m. to 3:30 p.m. daily from March 13 to 27.

Various areas will be blocked off for safety reasons. Detour routes are posted in the area, and there are ample ways to enter and exit the train station.

For more information, please call Public Works at (708) 444-5500 or email tppw@tinleypark.org.
