

Metra lot repair to start Oct. 4

Posted: Sept. 28, 2021

The Village has contracted with McGill Construction to repair the eastern half of the Oak Park Avenue Metra train station parking lot beginning Monday, Oct. 4.

Work is slated to be completed by Friday, Oct. 15 and will include curb and gutter removal and replacement, hot mix asphalt (HMA) removal and replacement, parkway restoration and pavement restriping.

While the east half of the lot will be closed during repairs, commuters will still be able to park in the western half of the parking lot.
