

2021 Halloween trick-or-treat hours

Posted: Oct. 7, 2021

Halloween trick-or-treating hours in Tinley Park will be from 2 to 6 p.m. Sunday, Oct. 31, 2021. The Tinley Park Police Department would like everyone to keep the following in mind this Halloween:

- Please be respectful of your neighbors and adhere to the trick-or-treating hours, which allow ample time for trick-or-treating while also ensuring that everyone can get home around sunset before visibility becomes a concern.
- Please make sure that all children travel in groups and never alone.
- Only trick-or-treat in well-lit areas that are familiar.
- Don't eat any treats until after you've returned home.
- Please refrain from using any electronic devices while trick-or-treating so you can remain aware of your surroundings.
- Keep your heads up and walk, don't run, across the street.
- Remember to check the [Illinois State Police Sex Offender Registry](#) before you hit the streets so you know which homes to avoid.

Also remember to check out the [Halloween House Decorating Contest map](#) while you're out to see some of the spookiest homes in Tinley Park!
