With great pay and flexible hours, the Village's Emergency Management Agency gives its members invaluable, hands-on experience in the field that's hard to find elsewhere. Learn some of the skills you'll need to succeed in a career in law enforcement, or simply gather the tools and knowledge needed to tackle any number of emergency and nonemergency situations with confidence.

Want to learn more? Come to the Tinley Park Emergency Management Agency Open House from 11 a.m. to 1 p.m. Saturday, March 12 at the EMA Garage, located at 7780 W. 183rd Street. There you can meet with EMA professionals, view emergency vehicles, see the mobile weather station, take part in skills demonstrations and much more!

When the community needs them, the members of the Tinley Park Emergency Management Agency step up to heed the call. Will you join them? Apply now at [TinleyPark.org/HR](https://TinleyPark.org/HR).
