

New yard waste cart rentals available

Posted: March 18, 2022

Homewood Disposal Service is offering new 95-gallon, wheeled yard waste cart rentals for \$3 per month for residents who want to replace their old carts, many of which are nearly 30 years old.

Yard waste carts provide an easy way to get heavy yard waste to the curb and eliminate the need to fill cumbersome kraft paper bags. These new rental carts come with a free warranty which allows for free repair (like broken wheels and lids) or a full cart replacement if necessary. Yard waste carts can also be used as a secondary household garbage container from December to March.

For more information or to order a cart, call (708) 798-1004 or visit www.MyDisposal.com/TinleyCart.
