

## Village earns new CRS rating

Posted: March 18, 2022

At its most recent meeting, the Tinley Park Village Board presented a plaque to staff (pictured below) for their work in improving the Village's CRS rating from a Class 7 to a Class 6.

The Community Rating System program is a voluntary incentive program that recognizes and encourages community floodplain management activities. Thanks to the improved rating, residents who purchase flood insurance for structures located in the Village's designated floodplain areas are now eligible to receive a 20% (improved from 15%) discount on their flood insurance premiums.

Structures located outside of the floodplain receive a 10% discount on premiums.
