

## Watering restrictions in effect May 15

Posted: May 13, 2022

In an effort to help prevent water shortages and to ensure there is a safe and plentiful supply of water for health, fire protection and environmental purposes, the Village will again follow crucial water conservation measures beginning Sunday, May 15.

From May 15 to Sept. 15, lawn sprinkling and outdoor water usage is only permitted from 7 to 11 a.m. and 7 to 11 p.m. on odd or even dates of the month depending on the last digit of the address for homes and businesses.

Please call the Tinley Park Public Works Department at (708) 444-5500 if you don't know what days you're allowed to water.
