CERTIFICATE

I, KRISTIN A. THIRION, Village Clerk of the Village of Tinley Park, Counties of Cook and Will and State of Illinois, DO HEREBY CERTIFY that the foregoing is a true and correct copy of Resolution No. 2020-R-102, “**A RESOLUTION APPROVING A CONTRACT EXTENSION FOR SNOW AND ICE REMOVAL AT MUNICIPAL PARKING LOTS IN THE VILLAGE OF TINLEY PARK – BEVERLY SNOW & ICE, INC.,**” which was adopted by the President and Board of Trustees of the Village of Tinley Park on August 20, 2020.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the corporate seal of the Village of Tinley Park this 20th day of October, 2020.

KRISTIN A. THIRION, VILLAGE CLERK

VILLAGE OF TINLEY PARK

SERVICE CONTRACT

This contract is by and between the **Village of Tinley Park**, an Illinois home-rule municipal corporation (the "Village"), and **Beverly Snow & Ice Inc.** (the "Contractor"), for the project or work described in Exhibit A, attached hereto and made a part hereof.

1. In consideration of the compensation stated in paragraph 2, the Contractor shall provide all the services described in the Scope of Services attached hereto as Exhibit "A" and incorporated herein by reference. The express terms of this Contract shall take precedence and control over any term or provision of the Scope of Services (Exhibit A) that in any way conflicts with, differs from, or attempts to alter the terms of this Contract.
2. Except in the event of a duly authorized change order approved by the Village as provided in this Contract, and in consideration of the Contractor's final completion of all work in conformity with this Contract, the Village shall pay the Contractor an amount not to exceed **three hundred forty two thousand seven hundred twenty and 00/100 Dollars (342,720.00)**. Within thirty (30) calendar days of completion of the work, the Contractor shall submit his application for payment to the Village, and the Village shall pay Contractor for the work performed no later than **thirty (30)** calendar days from the date of the Village's receipt and the Village's approval of the work and the application for payment. No payment shall be made by the Village until the Contractor has submitted to the Village (i) a Contractor's Affidavit listing all subcontractors and material suppliers utilized on the project and (ii) final waivers of lien from the Contractor, all subcontractors and all material suppliers.
3. No changes shall be made, nor will invoices for changes, alterations, modifications, deviations, or extra work or services be recognized or paid except upon the prior written order from authorized personnel of the Village. The Contractor shall not execute change orders on behalf of the Village or otherwise alter the financial scope of the Project.
4. Written change orders may be approved by the Village Manager or his designee provided that the change order does not increase the amount set forth in paragraph 2 of this Contract to more than \$10,000.00. Changes in excess of this amount must be approved by the Village Board prior to commencement of the services or work. **If a requested change causes an increase or decrease in the cost of or time required for the performance of the contract, Contractor will agree to an equitable adjustment in the contract price or performance schedule, or both. Neither party is obligated to comply with requested changes unless and until both parties execute a written change order.**
5. **Time is of the essence on this Contract.** The Contractor shall complete all work under this Contract by the dates set forth below:
6. No "Notice to Proceed" may be given nor any work commenced until this Contract is fully executed and all exhibits and other attachments are completely filled out and attached hereto.
7. It is understood and agreed by the parties that the Contractor is an independent contractor retained for the above-mentioned purpose. The Village shall not control the manner nor the means of the Contractor's performance, but shall be entitled to a work product as described herein. The term "subcontractor" shall mean and include only those hired by and having a direct contract with Contractor for performance of work on the Project. The

Village shall have no responsibility to any subcontractor employed by a Contractor for performance of work on the Project, and all subcontractors and material suppliers shall look exclusively to the Contractor for any payments due. The Village will **not** be responsible for reporting or paying employment taxes or other similar levies that may be required by the United States Internal Revenue Service or other State or Federal agencies. Every subcontractor shall be bound by the terms and provisions of this Contract as far as applicable to their work. The Contractor shall be fully responsible to the Village for the acts and omissions of its subcontractors, and shall ensure that any subcontractors perform in accordance with the requirements of this Contract. Nothing contained herein shall create any contractual or employment relations between any subcontractor and the Village. The Contractor is solely responsible for the safety procedures, programs and methods of its employees and agents and shall hold the Village harmless for any and all damages resulting from violations thereof. The Contractor shall comply with all applicable federal, State and local safety laws and regulations.

8. **It is further agreed that the Contractor shall indemnify, hold harmless, and defend the Village, its officers, agents, and employees from and against any and all claims, losses, damages, causes of action, suits, and liability of every kind, including all expenses of litigation, court costs, and attorneys' fees, for injury to or death of any person or for damage to any property arising out of or in connection with the Contractor's negligence under this Contract.**
9. **The Contractor assumes full responsibility for the work to be performed hereunder and hereby releases, relinquishes, and discharges the Village, its officers, agents, and employees from all claims, demands, and causes of action of every kind and character, including the cost of defense thereof, for any injury to or death of any person and any loss of or damage to any property that is caused by, alleged to be caused by, arising out of, or in connection with the Contractor's negligence in its work to be performed hereunder. The Contractor shall maintain insurance coverage in an amount and from a carrier suitable to the Village, and the Village shall be named as an additional insured where required. Certificates of Insurance are attached hereto as Exhibit B.**
10. The Village is exempt from payment of state and local sales and use of taxes on labor and materials incorporated into the project. If necessary, it is the Contractor's responsibility to obtain a sales tax permit, resale certificate, and exemption certificate that shall enable the Contractor to buy any materials to be incorporated into the project and then resale the aforementioned materials to the Village without paying the tax on the materials at the time of purchase. In no event will the Village be liable for or pay any sales or use taxes incurred by the Contractor in performing the services under this contract.
11. The Contractor shall comply with all applicable federal, state, and local statutes, regulations, ordinances, and other laws, including but not limited to the Immigration Reform and Control Act (IRCA). The Contractor may not knowingly obtain the labor or services of an unauthorized alien. The Contractor, not the Village, must verify eligibility for employment as required by IRCA.
12. At any time, the Village may terminate this Contract for convenience, upon written notice to the Contractor. The Contractor shall cease work immediately upon receipt of such notice. The Contractor shall be compensated for services performed and accepted by the Village up to the date of termination.

13. No waiver or deferral by either party of any term or condition of this Contract shall be deemed or construed to be a waiver or deferral of any other term or condition or subsequent waiver or deferral of the same term or condition.
14. This Contract may only be amended by written instrument approved and executed by the parties.
15. This Contract and the rights and obligations contained herein may not be assigned by the Contractor without the prior written approval of Village.
16. The parties hereby state that they have read and understand the terms of this Contract and hereby agree to the conditions contained herein.
17. This Contract has been made under and shall be governed by the laws of the State of Illinois. The parties agree that performance and all matters related thereto shall be in Cook County, Illinois.
18. Contractor, its employees, associates or subcontractors shall perform all the work hereunder. Contractor agrees that all of its associates, employees, or subcontractors who work on this Project shall be fully qualified and competent to do the work described hereunder. Contractor shall undertake the work and complete it in a timely manner.
19. If any provision of this Contract shall be held to be invalid or unenforceable for any reason, the remaining provisions shall continue to be valid and enforceable. If a court of competent jurisdiction finds that any provision of this Contract is invalid or unenforceable, but that by limiting such provision it may become valid and enforceable, then such provision shall be deemed to be written, construed, and enforced as so limited.
20. This Contract represents the entire and integrated agreement between the Village and Contractor and supersedes all prior negotiations, representations, or agreements, either written or oral.
21. This Contract will be effective when signed by the last party whose signing makes the Contract fully executed.
22. The Contractor agrees to comply with the Illinois Prevailing Wage Act, if the work to be performed under this Contract is covered by said Act.
23. The Contractor agrees to comply with the Illinois Substance Abuse Prevention on Public Works Projects Act.

SCOPE OF SERVICES

Attached Scope of work for **Snow Removal-Parking Lots** as detailed in:

- Proposal Title **Snow Removal Parking Lots** dated October, 2020

III. Project Scope

The Village of Tinley Park is requesting bids from contractors who will provide, at a minimum, snow plowing and removal operations in Village owned parking lots. This includes applying a pre-approved anti-icing agent after plowing and after freezing conditions.

Locations

A map showing the locations of the various lots is included with these specifications.

Specifications and Prosecution of Work

No work shall be performed unless a callout is issued to the contractor by the Village.

Plowing Operation

It is the Village's intent to have the listed parking lots plowed whenever there is a snowfall that is measurable. For accumulations less than one inch or icy conditions, the use of salt or equivalent de-icing agent will be acceptable.

Snow Removal Operations

Included in the scope of work for this contract is the removal of accumulated snow stock-piles from designated locations. The intent of this is to prevent line of sight issues as well as prevent ponding/icy conditions when it thaws. General guidelines for each lot's snow removal criteria will be discussed during the initial meeting.

All snow removed and hauled under this contract shall be transported and deposited at the City's snow dump site.

Contract Term

It is the intent of the Village to retain a contractor on-call from November 1, 2018 through April 30, 2019 with two-one year extension options. The contractor will provide 24-hour service including Saturdays, Sundays and holidays. The contractor will provide all labor and equipment to maintain traffic flow in all designated areas at all times.

Proposal Requirements

The contractor's proposal shall include, as a minimum, the following information:

Qualification of the contractor: Under the terms of this proposal, all contractors, in evidence of their experience and past performance, must submit a list of previous snow removal experience of similar magnitude, which will be used to verify ability and level of service. All determinations as to contractor qualifications shall be made by the Village and shall be final.

Equipment: It is critical to have good communication during snow removal operations. The contractor will be required to be able to have immediate communication with all employees working for the village at any given time. Cell phone would be the preferred method. In addition, the supervisor's shall be equipped with a cell phone and that number will be given to the Village at the time of the pre-con meeting. The contractor will provide a list of equipment, including year make and model, size plow or bucket and type of radios available for snow removal operations on this proposal. The following equipment is required as a minimum:

1. Twelve (12) all-wheel-drive pickup trucks, radio equipped, or **equivalent**.
2. Four (4) rubber tired end loader or skid-steer-type loader.
3. Cellular telephone for supervisor's/ foreman.

A list additional available equipment such as end loaders (including bucket capacity), dump trucks, etc. that may be employed in the event of a heavy snow fall.

The Proposal: The proposal form must be completed and enclosed. Failure to use the proposal sheet, or failure to completely fill out this form, shall be grounds for rejecting the proposal.

EXAMINATION OF PLANS, SPECIFICATION, SPECIAL PROVISIONS, AND SITE OF WORK:

The prospective bidder shall, before submitting a bid, carefully examine the provisions of the contract (see attachment). The bidder shall inspect in detail the site of the proposed work, investigate and become familiar with all the local conditions affecting the contract.

Scope of the Project

The work to be done under this proposal includes the furnishing of all supervision, labor, material, tools, equipment and incidentals of every kind and description necessary for completion, in accordance with the specifications included herein.

No vehicles of any kind shall be placed, parked or operated upon or over any sod areas.

The contractor shall consult with the street superintendent or authorized representative concerning the details and scheduling of the work contemplated herein, and shall be governed by the decisions of said Street Superintendent or authorized representative.

The contractor shall at all times have a competent person in charge of his work crew at the job site to which the Village representative may issue directives. Such person shall be authorized to accept and act upon such directives.

The right is reserved to reject any or all proposals or to waive any formality irregularity in any proposal and to accept any considered proposal advantageous to the Village of Tinley Park.

The contractor shall pay all federal, state and local taxes as may be applicable on all materials, labor and services furnished by contractor under the proposal, and the amounts of such taxes shall be included in the unit price bid.

Accident Prevention

The contractor shall exercise every precaution at all times for the protection of persons and properties. The safety provisions of all applicable laws and ordinances shall be strictly observed. The contractor, upon his receipt of instructions from the street superintendent or authorized representative to discontinue such practice, shall immediately discontinue any practice obviously hazardous, in the opinion of the street Superintendent or authorized representative.

Final Inspection

The Village shall make final inspection of all work included in the proposal, as soon as practicable after notification by the contractor that the work is completed and ready for acceptance. If the

work is not acceptable to the Village at the time of such inspection, the Village shall inform the contractor as to the particular defects to be remedied before final acceptance can be made.

Authority

All work shall be done under the supervision of the Street Superintendent, or designated representative. They will answer all questions, which arise as to the quality and acceptability of materials, furnished, work performed, manner of performance, rate of progress of the work, interpretation of the Plans and Specifications, acceptable fulfillment of the proposal, compensation and disputes, and mutual rights between contractors/subcontractors under the Specifications.

In case of failure on the part of the contractor to execute the work ordered by the this contract, the Street Superintendent may, at the expiration of a period of forty-eight (48) hours after giving notice in writing to the contractor, proceed to execute such work as may be deemed necessary, and the cost thereof shall be deducted from compensation due, or which may become due to the contractor under the proposal.

Guarantee of Workmanship

The Contractor agrees that the Village will withhold 10% of the contract amount from each payment to the Contractor to be used for claims of damage to property. Any costs incurred by the Village to repair or replace property damaged by the contractor or its agents or employees will be paid for from this withheld amount. Amounts in excess of the withheld amount will be paid by the Contractor. The Village will release the remaining balance from the withheld amount, if any, by August 1.

Special Provisions

Specifications and Prosecution of Work

The proper timing and use of equipment is essential to maintain the continuous, expeditious, and safe snow removal operations in the parking lots. Consequently, it is imperative that all equipment be in good operating condition at all times so as to secure maximum working efficiency and prevent unnecessary failure. TIME IS OF THE ESSENCE in arriving at the scene to commence snow removal efforts. To insure uninterrupted traffic flow in the parking lots, CALLS-OUTS SHALL BE ANSWERED PROMPTLY and EXTRAORDINARY EFFORT SHALL BE EXERTED BY THE CONTRACTOR TO RENDER THIS SERVICE. THIS PROPOSAL MUST TAKE PRIORITY OVER ALL OTHER WORK.

The contractor shall prosecute the in the following manner:

- A. The contractor shall, at all times, maintain a force of qualified personnel sufficient to perform the work required and described herein. The force of qualified employees shall be sufficient to respond to emergency calls, which may be received at any time.
- B. The contractor shall submit, in writing the name and 24 hours contact phone number of the person in the organization to whom instruction shall be given at the initial meeting/contract signing. One designated supervisor in the contractor's organization shall be available on the job site at times during snowplow operations.
- C. The removal is accomplished by plowing snow to the edge of the curb in curbed areas or onto the shoulder in areas without curbs. Care shall be taken so that parked cars are not

plowed in and snow is not pushed into the street. Care shall be taken so that no residential driveway will be blocked, either partially or wholly, by plowed snow. Each driveway, however, may receive a nominal amount of snow resulting from the normal spill off of a single pass in front of each home. All efforts possible will be made so not to stockpile snow in front of mailboxes, fire hydrants or on sidewalks.

- D. For a snowfall in **six inches (6") or less**, the contractor shall provide sufficient equipment and personnel to remove all snow from designated areas whenever called upon to do so. Sufficient equipment and personnel shall be provided to complete the entire designated parking lots and sidewalk section in a **maximum of eight (8) hours from time of call-out**.
- E. If snow accumulates in **excess of six (6") inches but less than ten (10") inches** additional equipment and personnel may be requirement to plow snow. The contractor shall provide this additional service and equipment within the same time constraints as described in the section above once the snow has stopped.
- F. If snow accumulates in **excess of ten (10") inches but less than eighteen (18") inches** of snowfall additional equipment and personnel may be required to plow the snow. This additional service and equipment shall be shall be provided by the contractor within a maximum of sixteen (16) hours from time of call-out.
- G. If the charge for this extra service is different from the charge for work described in paragraph "C", the contractor shall indicate so on the proposal form provided. Plowing operations described in paragraph "D", "E" and "F" shall be paid for on a lump sum basis each time a complete clearing operation is made. Supervision shall be required and payment therefore is included in the lump sum price.
- H. Depth of snow accumulation is measured at the time each plowing operation commences. The Village shall determine the depth of snow for purposes of this agreement and its determination shall be final.
- I. If stored snow within the parking lot reaches an undesirable level, the contractor may be required to move the snow to another location. This additional service shall be paid for on an hourly basis for labor and equipment required. The contractor shall submit an hourly cost for each piece of equipment provided on his equipment list (including the cost of the operator) in the space provided on the Proposal Sheet. The proposed hourly rate for equipment only shall be noted in the appropriate space on the form.
- J. Village staff will be clearing the streets adjacent to the parking lots at the same time that the contractor is plowing the parking lots. The contractor will be responsible for the entire length and width of each parking lot assigned, including the entrances and exits.
- K. The Snow Supervisor will contact the contractor when the contractor must mobilize for snow removal. The contractor shall respond by mobilizing all equipment at a prearranged time or within a maximum of one hour after being notified.
- L. After finishing one complete pass through all of the parking lots, the contractor may be told to start a second complete pass immediately and continue plowing depending upon weather conditions. The contractor shall be prepared to continue plowing again whenever snow accumulates.

Duration of Proposal

This proposal shall be in full force **November 15, 2018 through April 30th 2019** with the option for the Village to add **2 additional 1 year extensions**. The decision to add additional years will be at the sole discretion of the Village. It will be based solely on the contractors' performance, timeliness and customer service skills. The Village has the right of the Village to cancel and

terminate the same at any time by giving the proposal a seven (7) day written notice. In the event of such cancellation, the contractor shall be entitled to receive payment for services and work performed and equipment furnished under the terms of the proposal prior to the effective date of such cancellation. The contractor shall not be entitled to receive any damages on account of such cancellation or any further payment whatsoever.

Payment

All charges for snow removal will be billed per event. No separate charge for transportation of equipment to or from the site will be allowed.

It will be the responsibility of the contractor to notify the Public Works Department Snow Command when equipment has begun the operation and when the operation is complete.

No charge for inoperable equipment due to mechanical failure will be allowed.

INVOICING

Invoices must be received no later than 2 weeks after the snow event. Every invoice must note the Villages snow event number, snow event date, start time, which Village employee was contacted, shift number with times, and the amount of snow fall. The invoice must have number of employees, hours and equipment used noted. If different shifts are used, the invoice must note it.

Property Damage

The contractor will assume responsibility for all damage to property (including curbs, parkways and mailboxes) caused by equipment used for snow removal. All damage will be the responsibility of the contractor to repair.

Exceptions

Any exceptions to the specifications should be noted on the proposal and included at the time the proposal is submitted.

CONTRACT SIGNING MEETING:

Upon execution of the contract with the successful bidder, the Village will schedule a meeting with the Contractor. In attendance shall be the Contractor's representative on the job; i.e., Superintendent or Foreman. On, or before this meeting, the Contractor and Village Street Foreman shall inspect the work site to determine the existing conditions.

1. Purpose - To discuss and resolve any problems regarding the work prior to the starting work.
2. Attendance – Street Superintendent, Street Foremen, and Contractor are required. Also, any other persons as may be deemed necessary.
3. Specification information regarding source of materials, what, if any, work will be sublet, responsibility for maintaining traffic or detours, and any other problems relating to the work are to be discussed.

4. A roster will be prepared which will list the names, addresses and telephone numbers of all parties concerned. Twenty-four (24) hour a day and emergency contact persons and phone numbers shall be listed.

QUANTITY CHANGES:

The Village of Tinley Park reserves the right to add or delete areas to be maintained at the unit prices bid.

VILLAGE NOTIFICATION:

Notice shall be given to the Village of Tinley Park, prior to starting work, or restarting work after some absence of work for any reason.

The Village must be notified by the next business day if there have been any employee assignment changes to the crew assigned to the Village.

Notification may be done by email, phone call or in person.

 708-444-5527 Steve Grossi
 708-444-5500 Village Hall

During the winter season, a Village of Tinley Park snow supervisor is assigned. This position is switched every 2 weeks. A schedule will be given at the contract signing meeting.

PROTECTION AND SAFETY OF PEDESTRIANS:

Work zone safety shall be practiced and maintained at all times until the snow and ice control is completely finished. Snow and ice control is situated in areas traveled by pedestrians. The snow/ice control in this contract will be encountered by motorist, pedestrians and bicyclists throughout the winter season, for this reason the contractor must anticipate this and accommodate them. Any potential hazards to the general public due to materials, equipment, obstructions, tripping hazards or any hazardous aspects of the work must be remedied or properly protected and barricaded. Snow may not be blown, shoveled, or stored into streets.

CLEAN-UP:

The Contractor shall be responsible for thoroughly cleaning up any and all areas affected by his work. All litter from meals or packaging from material used for snow and ice control must be removed before the contractor leaves the sight. If the area has not been cleaned properly, public works will remove the litter manually or use a mechanical street sweeper or any other equipment we deem necessary to clean the area. All clean-up related work shall be incidental in cost to the contract work.

PARKWAY TREE:

The Contractor shall inspect each work site in advance and arrange to execute the work in a manner which will not cause injury to trees. Any tree limbs that might be damaged by equipment operations should be protected by the contractor. Any tree limbs that are broken by snow removal equipment

shall be reported to the Village. The Village will neatly prune the damaged limb at the Contractor's expense.

DAMAGES:

Any work performed to repair damages caused by the contractor shall include providing all the materials, labor and equipment necessary to remove and replace it so that the area is restored to original state. The Village will not provide a dumpsite for this material.

The contractor shall be responsible for replacing/repairing property they damage. A list must be supply to the Village with the damage immediately following every snow event. The contractor will be responsible for inspecting property prior to the season and report anything in poor condition. The repairs must be completed within 30 days of when it was damaged. The Village will supply temporary mailboxes for the contractor to deliver within 12 hours of the incident if they damage one. If the contractor does not meet these stipulations the Village will deliver temporary mailboxes and do the repairs at the contractor's expense.

Ruts caused by equipment or vehicles must be restored to its original state prior to June 15th. Dirt and seed is acceptable for areas smaller than 9”.

Contractor's Responsibilities

In providing the services under this Contract, the Contractor shall:

- A. Exercise safe, sanitary and sound-business practices with the skill, care and diligence normally shown by professional contractors.
- B. Require all employees to wear suitable uniforms during the time they are on Village property.
- C. Supply an adequate number of trained and fully insured personnel to perform all work.
- D. Require one employee on a crew to understand all verbal and written instructions in English issued by the Street Superintendent or representative.
- E. Remove all rubbish, debris and wastes from the location(s), resulting from the work performed, in an orderly and safe manner and legally dispose of same.
- F. Provide evidence of all licenses and permits that may be required for all activities performed on Village properties.
- G. Require all personnel to report any hazardous or out of the ordinary conditions that may affect the operation and/or safety on Village properties, to the Street Superintendent, or representative. Any item in need of repair or replacement shall be reported on the same day it is observed.

Meetings

It is anticipated that there will be required meetings between V.O.T.P. and the Contractor. These meetings may include representatives of other Village Departments and/or other Contractors or Snow Removal Parking Lots 2018

consultants, at the Street Superintendents' discretion. It is initially anticipated that there will be a monthly meeting, November through April, to discuss snow and ice control issues. If necessary, additional Quality Assurance (QA) meetings will be scheduled by the Street Superintendent to review Village of Tinley Parks' standards as well as the overall quality of the Services. **An initial QA meeting to discuss start-up issues and requirements shall be scheduled upon Contract award.**

Attendance by the Contractor at all scheduled meetings shall be mandatory. The Contractor shall have a sufficient number of management level personnel (e.g., owner, superintendent, foremen) with decision-making authority available to attend meetings when scheduled. In any year of the Contract, if the Contractor fails to attend meetings, V.O.T.P. may seek corrective measures that could include delays in the processing of Contractor's invoice.

Staffing Plan

The Contractor shall be responsible for employing and assigning a staff of competent personnel who are fully licensed, insured and qualified to perform the snow and ice control as required by this contract. At the onset of the Contract, the Contractor shall provide staffing schedules for the Street Superintendents' review and approval. Staffing issues shall be reviewed at monthly meetings as required. Bidder shall describe anticipated maximum and minimum crew sizes with its bid. Bidder shall also provide a list and description of any work to be performed by subcontractors with its bid.

Supply and Equipment Requirements

As described under "Contractor's Responsibilities," the Contractor shall supply all consumable supplies. Any costs for supplies shall be included as part of the bid price. Bidder shall submit a list of proposed supplies indicating a description and the brand name of each. Additionally, Bidder must provide a completed Manufacturer's Standard Material Safety Data Sheet (OSHA Form #20) for all snow and ice control chemicals that may be used for this contract.

Any equipment or supplies of improper type or design, or inappropriate for the intended use, shall be replaced with satisfactory equipment or supplies at the Contractor's expense. Also, the Contractor shall submit where it will warehouse and how it will transport the equipment to and from the site.

New Work

This will include any new snow removal within the Village of Tinley Park that has been requested by the Street Superintendent or representative.
