Calling Business Sponsors

Downtown Tinley's Music in the Plaza concert series attracts an estimated 4,000-5,000 people per night. The concerts are free to attend, family friendly, and highly popular. Businesses have an opportunity to become Series Sponsors and have a business booth on the night of their choice.

There is a limit of two business booths per concert and no two similar businesses will be allowed on the same night. No selling will be permitted at the sponsor booth, but promotional handouts, free raffles, or other free entertainment are encouraged (face painting, balloon twister, etc.).

The Village of Tinley Park is pleased to announce the
