ARTICLE 1: To elect a Moderator to preside at said election.

ARTICLE 2: To elect all necessary Town Officials by secret ballot as follows:

Selectmen (Elect 2)	3 year term
RSU #57 Board of Directors (Elect 1)	3 year term
RSU#57 Board of Directors (Elect 1)	1 year term
Waterboro Water District (Elect 1)	3 year term

ARTICLE 3: To see if the Town will vote to authorize the issuance of up to \$215,000 in general obligation bonds or notes of the Town to finance costs of the Transfer Station container hauling truck and a ¾ ton Crew Cab 4x4 for the Central Station, with the details of such bonding (including provisions that the bonds may be prepaid or subject to call for redemption with or without premium) and the dates, maturities, denominations, and interest rates(s)) to be determined by the Board of Selectmen?

(Total estimated debt service of \$1,256,965 of which principal is \$1,125,387 and estimated interest at rates ranging from 2.4% to 2.96% depending on the year of maturity, over 10 years is \$131,578).

Financial Statement: The issuance of bonds by the Town of Waterboro is one of the ways in which the Town borrows money for certain purposes. The following is a summary of the bonded indebtedness of the Town of Waterboro as of the date of this election.

Bonds Now Outstanding and Unpaid	\$ 910,387
Interest to be Repaid on Outstanding Bonds	\$ 115,752
Total to be Repaid on Bonds Outstanding	<u>\$1,026,139</u>

Additional Principal Amount of Bonds Authorized But Not Yet Issued	\$ 0
--	------

Total Additional Bonds To Be Issued If Approved By Voters	\$ 215,000
Estimate of Potential New Interest on Such Additional Bonds	\$ 15,826
Total Additional Bonds To Be Issued and Estimated Interest	<u>\$ 230,826</u>
If Approved By Voters	

Explanatory Note:

(Total estimated debt service is \$1,256,965 of which \$1,125,387 is estimated principal, and estimated interest at a rate of 2.4% to 2.96% over 10 years is \$131,578. The Board of Selectmen and Budget

Committee both recommend a “yes” vote as they both approved the two truck purchases in concept for the FY 19/20 Budget.

- A. Recent bid prices to haul our trash and recycling nearly doubled in cost. (from the current \$77,000/year to \$150,000/yr.) Selectmen and Budget Committee both recommend we buy our own truck to transport our trash and recycling to ecomaine and other vendors. We will have to staff and maintain the truck, but we will not have to pay \$150,000 annually to a trucking company. In addition, our own haul truck gives us full control over our need to change containers during busy weekend hours. This will all but eliminate mounds of trash piles outside our full compactor, because we will not have to wait for a contractor to swap to an empty container.
- B. The second truck to be purchased will be for the Fire Department. This truck will be a ¾ ton 4x4 with a crew cab. This will replace the current 2007 service truck (standard cab), allowing the transport of addition firemen and equipment to a call.

When money is borrowed by issuing bonds, the Town must repay not only the principal amount of the bonds but also interest on the bonds. The amount of interest to be paid will vary depending upon the rate of interest and the years to maturity at the time of issue. The validity of the bonds and of the voters' ratification of the bonds may not be affected by any errors in the estimates made of the costs involved, including varying interest rates, the estimated cost of interest on the bond amount to be issued and the total cost of principal and interest to be paid at maturity.
