**This narrative is intended for the applicant to help explain in detail the work order or scope of project being applied for under the International Residential & Commercial National Electric Code. All NEC or IRC (electrical) under 480V or 400Amps shall provide a narrative. CEA Electrical Plans Examiner may request a submittal of specs or designed engineered plans if necessary, as additional information to this narrative. Electrical Applications will not be reviewed without a narrative or stamped engineered design drawings.
