REPORT ON COMMUNITY DAY INCOME AND EXPENSES BY THE PARK BOARD

The Park Board President, Jeff Barkley, would like to provide council with a report that shows the financial situation for the Community Day event, the current circumstances of the event and also field questions that council may have. This is part of the Park Boards effort to keep the borough council well informed.

The Zelienople Park Board, its employees and many volunteers, have planned, funded and staffed the July 4th Community Day activities at the Zelienople Community Park for many years. The Borough has provided monetary support for Fireworks and in kind services consistently for many years as well. The amount that the borough provides specifically for fireworks has been $ 2,000 for at least the last 11 years. In kind services are difficult to place a dollar number on but we do as much as we can to make sure the event is successful.
He provided a 4 year analysis spreadsheet of the revenue and expenses for this event.

No particular request was made so a motion was not in order. But he did request that the Borough consider an increased contribution to the Park Board for this event especially regarding the Fireworks display costs.
