

With the publication of **Addison: The Vision Continues**, the history of Addison has now been, for the first time ever, chronicled from its founding through 2019.

The reprint edition of **Addison: Village of Friendship** has been updated from the original with an epilogue chapter detailing Village Centennial events held in 1984.

The new volume, **Addison: The Vision Continues**, provides an illustrated historical narrative of Addison's critical growth and development from 1985-2019 under the stewardship of three unique local leaders: Anthony Russotto, Lorenz Hartwig and Richard Veenstra.

**Both volumes are limited, high-quality editions complete with comprehensive indexes.**
