Residential Curbside Recycling and Waste Services (east of I-17)

Republic Services® appreciates the opportunity to service your community.

As an Anthem resident, you will receive residential curbside services for recycling and waste one time each per week. Your scheduled service day is determined by your service area. Please see the 2023 area map for your curbside recycling and waste service schedule to determine your scheduled day. **Please place carts on the street the night prior to your collection day or by 6 a.m. on your assigned collection day.** For safe and efficient service, please place the carts in the street with the wheels touching the curb. The carts should not be placed on the sidewalk and you should allow 4 feet between your recycling and waste carts. You will start seeing our new Republic Services branded blue carts in your neighborhoods for all new deliveries or exchanges. We will continue our services on the previous colors: green for recycling and tan for waste.

Light blue lid = recycling
Dark blue lid = waste

Quarterly rates for once-weekly recycling and waste pickup

Bulk Waste Guidelines

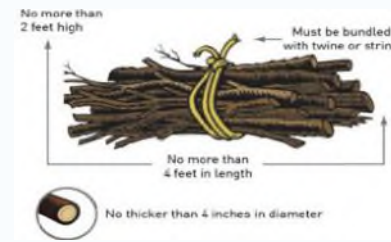

Bulk waste is material that cannot be placed in the waste cart like furniture, some appliances and large amounts of vegetation.

- Not to exceed 6 cubic yards (4'h x 6'w x 6'd)
- Be neatly stacked, bagged, boxed and/or tied

Acceptable Bulk Waste Items

- Furniture
- Items too large to fit in the waste cart
- Some appliances (Freon® must be removed)
- Vegetation/branches per below guidelines:

Unacceptable Bulk Waste Items

- Household hazardous waste (paint, chemicals, oil)
- Loose grass, leaves, weeds, twigs and hedge clippings that are not bagged or tied
- Bricks, concrete, dirt and rocks, tile, asphalt, roofing or similar materials
- Construction material in excess of 25 pounds generated by a resident and longer than 4 feet in length; any construction materials generated by a contractor
- Metal, rebar and fence posts
- Tires, rims or automobile parts
- Glass such as windows, shower doors, patio doors, mirrors, etc.

**Glass can be accepted as long as it is taped to ensure it doesn't break. This becomes a safety concern for the Anthem community and the Republic Services employees.*

- Appliances containing refrigerants cannot be taken

Recycling Cart Collection Guidelines

DO

- **Rinse** plastic containers, steel and tin cans to remove liquid and food, then dry; this will help avoid attracting flies and other pests.
- **Leave** lids on if they are made of recyclable materials.
- **Break** down or cut up large cardboard boxes before placing in container. This prevents material from wedging inside the container, restricting contents from being disposed.
- **Place** junk mail or loose papers in brown paper bags. This prevents spills.
- **Ensure** recyclables are **empty, clean and dry.**
- **Ensure** lid of container is closed before placing out for collection.
- **Ensure** that the recycling container lid opens toward the collection vehicle.
- **Deliver** large pieces of cardboard that do not fit into your recycling container to your nearest drop off recycling bin.

DON'T

- **Place** your recycling container near parked cars, light poles, mailboxes or other obstacles that could hinder collection.
- **Leave** your recycling container at the curb after 6 p.m. if it has been serviced.
- **Stack** items on or near containers.
- **Leave** inserts in chipboard boxes.
- **Use** your recycling container for garbage.
- **Swap** containers with your neighbor.
- **Place** yard clippings and other green organic material in your recycling cart.

Acceptable

Newspapers, magazines, phone books and all other inserts
