**“SK8 AND RIDE” ANTHEM ALL WHEEL PARK GRAND OPENING ON MARCH 12**

**Anthem, Ariz.** – Join us for the highly anticipated grand opening of the “Sk8 and Ride” All Wheels Park on Saturday, March 12, from 12-6 p.m., at the Anthem Community Park.

This almost 40,000 square foot park will be the largest in Arizona! The day will be full of activities including a live DJ, BMX stunt team, competitions, food trucks, giveaways and more! We encourage families to bring their skateboards, bikes, scooters, roller skates, etc. to try out the park for themselves. Just nothing motorized. There will be a celebratory fireworks show at 6:45 p.m.

“Attendees will get a cool opportunity to see the Superhero Stunt Team perform on our new skate park. This bicycle thrill trick show is a must-see for our families,” said ACC Special Events Manager Debbie Pulido.

This skate park expansion project was approved during the Facilities Master Plan process in May 2017 and construction began in October 2021. The new design done by MayDall Construction and Pillar Design Studios incorporates various skill level areas for an all-wheel complex (skateboards, scooters, bikes, in-line skates, etc.) This was done to accommodate the growing volume of riders in recent years.

The event will be held at Anthem Community Park, 41703 N Gavilan Peak Pkwy, Anthem, AZ 85086. For more updated information, visit [OnlineAtAnthem.com](http://OnlineAtAnthem.com).
