ACC Joins Community in Support of Victims of Recent Robbery

July 14, 2022, Anthem, AZ – Anthem Community Council extends thoughts and well-wishes to the victims and their families after the atrocious robbery that occurred this week.

Anthem Community Council (ACC) condemns any type of criminal activity in our community. We are disgusted and shocked by the level of harm on innocent people and the damage done to the business.

Like Anthem residents, we are proud of our community. We look out for each other, take care of each other, and strive to make this the best family-friendly neighborhood.

ACC praises the Maricopa County Sheriff's Office (MCSO) and Daisy Mountain Fire & Medical for their swift response to this incident. We have full confidence in MCSO and other law enforcement agencies to find and apprehend the people responsible for this act of violence. We will assist law enforcement as much as possible to bring justice to the victims and serenity back to the Anthem Community.
