Candidate Name:                     Marcus E Emerson                    

**SCHEDULE A-1  
IN-KIND CONTRIBUTIONS**

In-kind contributions are goods and services (including use of facilities) that you received at no cost or at a cost less than the fair market value. They include all goods and services purchased for the campaign by the candidate or supporters if the campaign does not expect to reimburse the candidate or supporter. These contributions may come from the candidate, candidate's family, supporters, PACs, party committees, or other entities. Goods that you have retained from an earlier election such as signs are not in-kind contributions to your current campaign.

- Itemize all in-kind contributions from contributors who have given you contributions totaling more than \$50 in this report period. Both cash and in-kind contributions count toward the \$50 threshold.
- Report the occupation and employer for individual contributors who contributed more than \$50 in this report period. If you requested employment information but did not receive it, write "information requested."
- In-kind contributions of \$50 or less may be aggregated and reported as a lump sum. Use "Contributors giving \$50 or less" as the contributor type.
- If you received goods or services for less than the usual and customary charge, report the amount of the discount as an in-kind contribution.
- A description of the goods or services received is required.
- Duplicate as needed.

**Total contributions (cash and in-kind) from the same source (except candidate and candidate's spouse/domestic partner) may NOT exceed \$575 in any election for municipal office.**
