

Community Conversations about COVID

Join the Kennebec Valley Chamber of Commerce, community leaders, and the public to discuss timely topics related to the COVID-19 pandemic. The interactive and informative webinars are a chance for businesses and the public to collaborate, listen and inspire new ideas.

The goal of each conversation is to support our community during the COVID-19 pandemic. The 45-minute webinar will include three segments, opening comments from industry leaders in the Kennebec Valley, discussion led by a panel of guests and a question and answer session with the public. The webinars are free and open to all Maine residents and business owners. The four webinars will be held on Wednesdays from 10:00 a.m. to 11:00 a.m.
