- “

If at any time the Government opts to exercise its constitutional right to collect Franchise Fees, Grantee’s first Franchise Fee payable under this chapter shall be paid to the Government sixty (60) days after the Government gives notice to Grantee that the Government has opted to exercise its constitutional right to collect Franchise Fees.
 - (b) The Telecommunications Excise Tax distribution from the state is not a payment in lieu of any tax, fee or other assessment except as specifically provided in this Ordinance, or as required by applicable law. Thereafter, Grantee shall pay each Minimum Annual Franchise Fee on or before April 15, and Grantee's Minimum Annual Franchise Fee payment will apply to the current calendar year (January 1 through December 31). Any Minimum Annual Franchise Fee paid to the Government will be credited towards Grantee's Franchise Fee for that calendar year. In order to avoid penalization, the Government will notify the Grantee in writing at such time as it believes that it is allowed to assess franchise fees due to

a change in the law. If the Government fails to notify the Grantee, the Grantee shall be relieved of its obligation to any applicable penalty but shall still be obligated to pay any outstanding franchise fees.

- (e) Gross Revenue based Franchise fee payments to the Government shall be computed based on Grantee's Gross Revenues from each calendar year quarter period (January 1 through March 31, April 1 through June 30, July 1 through September 30, and October. 1 through December 31) and paid on or before the forty-fifth (45th) day following each calendar quarter period during the term of a franchise created under this Ordinance.

Such reports shall be in form satisfactory to the Government.
- (i) If any Franchise Fee is owed to the Government, upon reasonable notice, the Government shall have the right to inspect the Grantee's income records, the right to audit and to re-compute any amounts determined to be payable under this agreement; provided, however, that such audit shall take place within twelve (12) months following the close of each of the Grantee's fiscal years. If, as a result of such audit or review, the Government determines that Grantee has underpaid its fees to the Government in any twelve (12) month period by ten percent (10%) or more, then, in addition to making full payment of the relevant obligation, Grantee shall reimburse the Government for all expenses incurred as a result of an audit or review and such payments shall be paid within the thirty (30) days following written notice to the Grantee by the Government, which notice shall include a copy of the audit report and copies of all invoices for which the Government seeks reimbursement.

attorney's fees that the Government may incur relating to the franchising process, including but not limited to any attorneys' fees incurred relating granting of the franchise and any transfer, renewal or modification of the franchise. "
