Tap fees listed are for 5/8"x3/4" meter. Tap fees refer to costs and charges associated with connecting to Bardstown's water and sewer system and initiating service. The System Development Charges (SDC) per 1,000 gallons are \$100 for Water and \$150 for Sewer and a single-family unit is presumed to use 4,000 gallons per month, a multi-family 2,000 gallons per month. *Condominiums and multi-plex buildings and/or townhomes with each unit on its own lot/property are considered single family dwellings for this fee schedule.
