Plan Your Trip to Jackson County, Iowa

Sabula, Iowa

Our Story

Our Welcome Center was designed to look like a one room schoolhouse... once a common sight in Jackson County. Many of our furnishings are authentic and have been donated by area folks...we even have a school bell in the belfry. Stop in to find information on Jackson County area events, restaurants, historic sites, parks, camping, places to spend the night and more!

Bellevue State Park

At Bellevue State Park, three trails provide a variety of hiking experiences. Each offers a glimpse of something different; scenic views of the Mississippi, strolls through a restored prairie and butterfly garden, and a former limestone quarry with a primitive limestone kiln in view just beyond the park boundary.

Maquoketa Caves

Maquoketa Caves State Park is one of the more unique destinations in Iowa, with the most caves of any park in the state. In addition to exploring the caves, visitors will find more than six miles of hiking trails that can be a bit challenging, given the ups-and-downs of the glacier-carved terrain.

Bellevue Golf Club opened in 1976. It has earned a reputation as a fun, yet challenging, par 36, nine hole course. The course overlooks the Mississippi River and is set on scenic, hilly terrain just 4 miles north of Bellevue. It offers incredible views of the Big Bend area of the Mississippi River and Chestnut Mountain Ski Resort.

Truth.

That's our mission. And we promise to uphold it.

City of Bellevue

City Services

The City of Bellevue is the first in Iowa to construct and operate a fiber-to-the-home (FTTH) network. The network redefines your home entertainment and your business. Streaming HD video and music is now at your fingertips. Downloading and uploading large files – no problem. There are NO DATA CAPS on your service! Download as much as you want, it's included in your price. And all your wireless devices, including your TV, will connect wirelessly. We offer the fastest high-speed internet in Bellevue! That means faster internet for improved streaming!

Fiber cable is delivered through Bellevue's fiber broadband network for top picture quality and reliability. With all HD channels where available, the City of Bellevue is bringing you the best in cable television.

Bundle the City's internet and cable and save \$5 every month!

A City of Bellevue technician will install your services at no cost, and we back it with local support during business hours and help desk support for after-hours calls. Internet and cable rates are located on the City's website, or stop in to City Hall and grab a flyer!

To start your internet and cable service, call 563-872-4456.

City Utilities

When you live in Bellevue, Bellevue is your utility. The Electricity, Water, Sewer and Refuse are owned by the community. That means our only focus is providing dependable service at the best possible value to Bellevue homes and businesses. The only service the city does not provide is natural gas.

Here is a quick reference and telephone guide for hookups.

Bellevue Parks

Cole Park

Cole Park is located at the corner of Park and Sixth Street. The park hosts the City's public swimming pool, two basketball courts, a tennis court, baseball and softball fields, and soccer fields. In the summer of 2018, brand new playground equipment was installed after a year of fundraising. The new equipment is ADA compliant and has two separate areas, one geared toward younger children ages 2-5 and another area geared towards children ages 5-12. There are also two sets of swings and a ten-spin geared for all ages. A pavilion is available to rent for \$25.00/day for family gatherings, reunions, birthday parties, etc. Public restrooms are located near the baseball and softball fields on the north end of the park.

Felderman Park

Felderman Park sits at the end of South Eighth Street along the City's southern border. The park hosts a walking trail that runs parallel to Mill Creek, a disc golf course, soccer fields and a pavilion. A key component linking Felderman park and Bellevue State Park, is the pedestrian bridge that was completed in 2017 as a part of Iowa's Grant Wood Loop Parks to People program. Felderman Park's walking trail not only connects municipal and state recreation sites and completes about 10 miles of pedestrian/bike trails around Bellevue, but it also connects Bellevue's parks and trail system to Dubuque's Mines of Spain State Recreation Area, 22 miles to the north.

Bellevue Parks

David Ensign Memorial Park

Recently revamped in 2017, David Ensign Memorial Park is located on Ensign Street and at the end of Washington Street. This park is home to baseball and softball fields where the Bellevue Ball Association hosts their seasonal games and tournaments. The fields hosted the 2017 Babe Ruth 10U Midwest Plains Regional Tournament and 2016 10U and 12U State Tournaments!

Disc Golf Course

Located in Felderman Park, this 9-hole disc golf course can be used by the entire family for free. (The Bellevue Public Library rents out the frisbee discs free of charge). Like traditional golf, the player starts at a tee and throws a disc or frisbee toward a basket. Unlike traditional golf, no tee time is needed – Go and play whenever you want! The course circles around Felderman Park, taking golfers right along Mill Creek.

Riverview Park

Located along the Mississippi River, Riverview Park is part of the trail system that connects Bellevue's parks to Dubuque's Mines of Spain State Recreation Area. The park offers picturesque views of the Mississippi to the north and south of Lock and Dam 12. If you are riding or walking the trail in the park, you will see multiple memorial benches and picnic tables along with a memorial water fountain, gazebo, and pavilion. There are also memorials dedicated to firefighters and veterans, including the Freedom Rock. The walking trail gives you access to the City's municipal parking lot that has a public boat ramp to launch your boat and to view Lock and Dam 12's sea wall, where you can spend the day fishing.

Sarge O'Neil Park

Locally referred to as Piggy Park, Sarge O'Neil Park is located at the corner of Rose and Third Street. This small park hosts playground equipment and swings, geared towards children ages 2-5. It is a short, two block walk from the Riverview walking and bike trail located in Riverview Park.

It's your future. Let's protect it.™
 Together we'll create a plan to protect what matters most to you.
