

At-Your-Door Service

Safely dispose of unwanted potentially hazardous household items.

How it works

- Call 800-449-7587 or visit www.wmatyourdoor.com to schedule a home collection.
- Receive a kit in the mail. The kit contains instructions on how to package the items for collection.
- On the scheduled pick up date, place materials outside the front door or garage area before 7 a.m. DO NOT place materials at the curb.

Commonly collected material

- Paint and Paint Products
- Automotive Products
- Consumer Electronics
- Batteries
- Garden Chemicals
- Household Cleaning Products
- Fluorescent Light Bulbs
- Flammable Items
- Syringes and Lancets
- Swimming Pool Chemicals
