\*Schedule may vary depending on type of plat submitted, (amending plat) or if detailed construction plans are needed. Please consult with city staff to determine appropriate schedule for your project.

\*\*Submittals determined to be administratively complete will proceed to the next P&ZC meeting.

\*\*\*Council holds one meeting in December, thus December submittals will be decided upon in January.

\*\*\*\*Holidays may effect schedule dates

**Note: Staff review time is generally 10 working days for 1st submittal and 5 working days for resubmittals.**
