RE: Fire Safety Registration

Dear Business Owner,

The Township of Berkeley has adopted an amendment to the NJ Uniform Fire Safety Code that requires each business occupancy be registered, assessed a fee and inspected for fire safety on an annual basis. These annual fire inspections are conducted to minimize risk by insuring those structures and businesses continue to be used for the purpose for which they were designed and fire and life safety features are properly maintained.

Please keep in mind we are registering the business and not the building.

In accordance with the NJ Uniform Fire Safety Act, you must complete, sign and return the attached Application within fifteen (15) days. Be sure to retain a copy of your application for your records.

After you receive your application, please fill out and **email or mail back to Berkeley Twp. Fire Prevention** and we will register you.

If you have any questions regarding this form, please call this office, 732-244-7400, extension-1236.

Thank you for your cooperation.

Brian Kubiel
Fire Official
