BOARD MEETING TIME AND DATES
Township Board of Adjustment on the 2nd Wednesday of each month with Special Meetings on 4th Wednesday. The hour for Regular Meetings will be 6:30 PM (6:00 PM for Executive Caucus, if required).
AGENDA

Bogdan, Kenneth & Mary  \hspace{1cm} BOA #14-5621

Application: Replace a Storm Affected Single-Family Dwelling with a New Single Family Dwelling with Setback and Lot Coverage Variances.

Block: 1553  
Lot: 19  
Location: 240 Evergreen Drive  
Zone: R-64

Denial Reads: “Applicant proposes to replace a Storm Sandy affected SFD that will leave a front setback of 19.5 feet (25’ required), a rear yard setback of 12.66 feet (20’ required), a side setback of 5.10 feet (7’ required), a combined side setback of 15.75 feet (18’ required), and lot coverage of 35.2% (30% max. allowed)”.  

Attorney: Michael Paxton

Michael Paxton explained that the plan was revised per the previous review letters. Berkeley Township tax map entered in the record as exhibit A-1; plot plan entered as exhibit A-2. Mr. Paxton discussed the review letters prepared by the Professionals. Exhibit A-3 architectural plans.

Mr. Bogdan explained home was destroyed by Sandy and requesting variances to rebuild new home. The footprint is almost identical to the original structure. Mr. Bogdan preferred gravel but would do paving if required by the Board. The lower level would not be enclosed. The structure would be in conformance with the existing neighborhood.

Mr. Mallon stated house was moved back to conform, not enclosing lower lever, and revised to show a 4 foot deck.

Ms. Adamson questioned the architectural plans; the chain link fence is either encroaching on neighbor’s property or the fence could belong to Mr. Bogdan; recommended that the fence encroachment should be corrected unless the fence is Mr. Bogdan’s.

The Board members questioned how the setbacks are measured to the bulkhead; made recommendation that the house be reduced in size; recommended that the deck be eliminated if the house would not be reduced; felt that paved driveway was a good idea; discussed an entrance underneath; could a dormer be added to increase square footage; the headroom for the vehicles; roof drains to be piped into the lagoon and requested that decorative rain barrels be used.

Chairman Elliott opened to public.

Larry Miloscia – Mr. Miloscia welcomes the applicant’s plan for the new residence and felt the new construction was a distinct improvement to the neighborhood.

Ed Pragler owns property to the west. He had the problem with the setback to bulkhead and felt the front setback should be moved forward. The location of the proposed air conditioner unit is not in a good area and concerned about the view being obstructed by the proposed dwelling.

James Lagrosa 252 Pine – Mr. Lagrosa wanted to thank the board for what they have done for the residents of the Town.

Motion to close to the public by Mr. Gudaitis; seconded by Mr. Macmoyle. Motion carried.

Motion to approve the application with stipulations by Mr. Borio; seconded by Mr. Reuter. Motion carried with Chairman Elliott abstaining.

Jerman, Jeffrey  \hspace{1cm} BOA #14-5593

Application: Construct a Single-Family Dwelling on an Undersized Lot with Setback and Lot Coverage Variances.

Block: 383  
Lot: 1  
Location: Western Boulevard at Veterans Boulevard  
Zone: CR

Denial Reads: “Applicant proposes to construct a SFD on an undersized corner lot – 7,769 sf lot (130,680 sf required), 59.36’ frontage (200’ required), 138’ lot depth (200’ required), 18% lot coverage (10% max. allowed), 12’ & 65’ front setbacks (75’ required), 25’ rear yard setback (50’ required) and a 14’ side setback (25’ required).”

This matter was carried to February 11, 2015 Zoning Board meeting.
Application: Replace a Storm Affected Single-Family Dwelling with a New Single Family Dwelling with Setback Variances.
Block: 1542 Lot: 3
Location: 202 Maple Drive
Zone: R-64

Denial Reads: “Applicant proposes to replace a storm affected SFD with a rear deck that will leave a 13’ rear yard setback (20’ required) and a 5’ side yard setback (7’ required) and a combined side setback of 12’ (18’ required)”.

Attorney: Fred Wiedeke
Engineer: John Kornick, PE

Mr. Wiedeke questioned Mr. Kornick.

Mr. Kornick discussed the properties located in the neighborhood. Exhibits were entered into the record as follows: Exhibit A-1 Variance Plan/Plot Plan dated 8/27/2014; Exhibit A-2 Map of Survey dated June 22; Exhibit A-3 Architectural Plans prepared by Dario Architecture/Design dated October 16, 2014; Exhibit A-4 Site Photographs taken by K2 Consulting Engineers, Inc. Mr. Kornick explained the variances that were requested. Waivers for curbs and sidewalks were requested. The shed has been removed. The home will be enclosed except under the deck. There did not appear to be any drainage issues.

Mr. Mallon questioned a discrepancy between the plot plan and the architectural plan.

Mr. Wiedeke verified that the plot plan was correct and the architectural plan would be modified.

Mr. Mallon questioned the grading plan.

Ms. Adamson questioned the rear yard setback; requested revised architectural plans and they should be signed and sealed.

The Board questioned the platform for the air conditioning unit; decorative rain barrels where requested; concerned about the right of way line along the property line as shown on the survey as well as the plot plan; recommended that the deck be reduced.

Chairman Elliott opened the meeting to the Public.

Motion to close to public by Mr. Gudaitis; seconded by Mr. Reuter. Motion carried.

Motion to approve application with stipulations by Mr. Gudaitis; seconded by Mr. Reuter. Motion carried.

Year End Report – 2014 Zoning Board Cases

Motion to approve by Mr. Reuter; seconded by Mr. Gudaitis. Motion carried.
