Tong also stated that at this and future Committee meetings Museum service sign-up and determination of the next Committee meeting date will be incorporated into the Curator’s Report portion of the meeting. The Museum shift sign-up calendar was passed around. Tuesday, February 8th was reported as the Committee’s next meeting date. Also noted was the recent discovery among the Museum’s stored holdings a cache of historical slides that S. Baker intends to scan for the Museum’s usage. Donations to the Museum were reported: a collection of approximately 90 ‘Golden Books’ from Edie Watson and a variety of items regarding Berkley history from the widower of Carol Ring including cassette recordings of interviews with Berkley citizens, Berkeley Days and Vinsetta Garage memorabilia and microfilm rolls with unknown contents. J. Tong made a motion to accept these donations to the Museum. D. Carlson seconded the motion. The motion passed unanimously without discussion. J. Tong encouraged Committee
members to spend time, when volunteering at the Museum, cataloging and storing in boxes disorganized items in the upstairs storage area. He also suggested that the Chamber of Commerce is where the Committee should focus its efforts to find outside financing for the publication of our monthly newsletter, “The Museum Corner”.

7. D. Callihan reported no returned calls regarding his inquiries into the Angell School historical marker project further suggesting that no author for the historical marker has yet been selected. S. Baker stated his intention to inquire with Berkley School’s Superintendent Scott Francis at the following day’s Downtown Development Authority meeting. such a move with the City’s Community Engagement Officer Torri Mathes and share his findings at the next meeting.

12. R. Patterson made a motion to adjourn the meeting at approximately 8:22 pm. K. Scharra-Eraqi seconded the motion. The motion passed unanimously without discussion.
