RE: Packet for April 21, 2020 Steering Committee

We hope this memo finds you and your family healthy, happy, and safe in these interesting times. Professional planners are already thinking differently due to the COVID-19 virus. Previous epidemics have led to changes in planning. The cholera outbreaks of the 1830s led to better municipal sanitation and the tuberculosis epidemic in New York in the early 20th century paved the way for improved public transit systems and housing regulations. While it's still too early to tell the lasting impact of the COVID-19 virus from a planning perspective, CWA is constantly reading and researching how it may impact our future lives in Southeast Michigan. We'll be sure to keep these changes in mind as part of the Master Plan.

Action to Date

Since the last time we met, we have done a series of both in-person and online engagement activities.

Pop Up Exercise

CWA in cooperation with the City held a series of pop up exercises asking four questions: 1). What do you like?; 2). What needs improvement?; 3). What needs change?; and 4) What is missing?

The pop up exercises were held at a Parks and Recreation Board meeting, a Planning Commission meeting, DDA Roundtable, Chamber Chat, Angell Elementary PTA, and via written comments on a board at the Library. In total, 277 comments were received. We have attached a spreadsheet with the results. The most common answers are in the table below:

Pop up Exercises Most Common Answers			
Like	Safe Schools Family Oriented/Family Feel Walkable	Change	Varied responses
Improvement	Sidewalks Downtown (miscellaneous) Entertainment Options	Missing	Gathering Space / Parks Events / Activities Teen Center / Things for Teens

Facebook Master Plan Group

The City created a [Facebook Group for the Master Plan](#) and is using that venue to ask the four questions from the pop-up exercise. Each question has been or will be followed up by a poll. This exercise is scheduled to end on Monday, April 20th. There was some rich discussion but also personal attacks. We feel the discussion has been worthwhile and we have built an audience with whom we can share other opportunities to participate in the Master Plan process. We invite you to read all the comments and bring your analysis to our meeting on Tuesday.

Zoom Interviews

CWA held three (3) group Zoom interviews with stakeholders on April 15th. We will compile the notes with previous interviews and have a report for you next month.

Shifting Community Engagement during Shutdown

Due to the Governor's shut down, we have readjusted our strategy with regards to community engagement. Our initial scope included two multiple day workshops. The first one was to be held in late spring. The workshops have been put on hold for now. We will reassess, in consultation with the Steering Committee, the future status of the workshops.

To maintain momentum and use the shutdown as an opportunity for input, we have shifted our short-term strategy to use online tools for engagement, including the Facebook group and the Zoom interviews. For at least the next few weeks, we are proposing the following on-line engagement activities:

- Berkeley by the Numbers (see attached description)
- On-line survey (see attached updated survey with your suggested edits). Please note that not all the edits sent to Erin were made and we will discuss them at our meeting.

We would like your input on both exercises including suggested changes and methods to invite participation.

We also would appreciate any suggestions for other ways we can keep momentum and interest going.

Role of the Steering Committee for On-line Engagement:

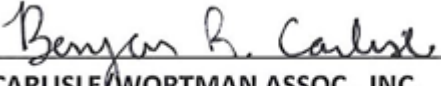

In this new mode of engagement, we need your help to invite people to engage and maintain a safe space for people to share. We ask you to use the classic quote, attributed to many sources, ""Is it true; is it kind, or is it necessary?" as a guideline:

- "Is it true?" We recognize that people will share incorrect information or what their perception of the situation. If you can share a correction with a verifiable source, please do. Also, you can always ask one of us, Erin, or Torri to address the situation.

- “Is it kind?” How you phrase things really matters. Look at whatever you have typed and ask how your most sensitive friend or family member would respond. Also, we bring our relationships into the equation, especially on-line. If you know that a response would be better taken if it came from the City or Carlisle Wortman, let us know your concern and we can respond accordingly.
- “Is it necessary?” We are having these conversations in order to find the three “whats” and that involves surfacing and hopefully creating agreement on actions. Will your response help that happen? As a steering committee member, your participation influences what people share and their perception of the process. Also, feel free to share your response personally with us, instead of on-line publicly. We will keep a log of that input, aggregate and share in the same way we will the interviews.

Thank you for serving on the Berkley Master Plan Steering Committee! We look forward to meeting with you next Tuesday evening!

Yours Truly,

BERKLEY MASTER PLAN 2020

Berkley By the Numbers!!!

Draft date: April 16, 2020

Description

Due to the Executive Orders issued by the Governor of Michigan in order to lessen the impact of the COVID-19 epidemic, the in-person community engagement events and interactions planned for the Master Plan are no longer possible. The purpose of the exercise is for participants to know the context of the City as we make decisions about the master plan or the "What is..." This text is the basis for an on-line or paper quiz that individuals or households can complete and submit. Those with the closest scores will win prizes – such as a donation from a local business or a \$100 gift card to a local business. All population numbers will be taken from SEMCOG data for Berkley.

Berkley By the Numbers!!!

How well do you know Berkley? We want to know! The answers to the following questions describe the "What is..." of Berkley today, or our starting point as we plan for the future. Whoever comes the closest, get a prize with some consolation gifts for runner-ups!

1. How many people lived in Berkley in 2000?
2. How many people live in Berkley now?
3. How many seniors, people age 65 or older, live in Berkley now?
4. How many seniors, people age 65 or older, do think will live in Berkley in 2040?
5. How many kids, 18 years old or younger, live in Berkley now?
6. How many kids, 18 years old or younger, do you think will live in Berkley in 2040?
7. What percentage of residences are single-family houses in Berkley?
8. What percentage of residences in Berkley are rentals?

9. How many miles of roads are in Berkley?
10. How many municipal parking spaces are in Berkley?
11. How many on-street parking spaces are on Twelve Mile and Coolidge?
12. How many parks are in Berkley?
13. How many acres of parks are in Berkley?
14. How many bus stops are there in Berkley?
15. How many miles of bike lanes are there in Berkley?
16. How many acres is the cemetery?
17. How many acres is vacant land in Berkley?
18. How many municipalities send students to Berkley Schools? Name them (bonus point for each correct answer):
19. How many Berkley students ride the bus to school?
20. When was Berkley founded?
21. How many different programs did Parks and Recreation offer in 2019?
22. How many miles of sidewalks are there in Berkley?
23. How many trees did Berkley Department of Public Works plant in 2019?
24. How many people checked out a book from Berkley Public Library in 2019?
25. Bonus Question (10 extra points): How was Berkley named?

This is a test survey. Please print to make edits or for your use as a Steering Committee member.

Berkley Master Plan 2020 Survey - Test Version for Steering Committee, updated April 16, 2020

We want to hear from you! We invite you to share your input as the City of Berkley develops a new Master Plan, a road map to guide Berkley from a known present to an unknown future. Your responses will help inform how the City plans for land use, development, reinvestment, transportation, and housing in Berkley. To learn more about the Master Plan, go to http://www.berkleymich.org/departments/building_planning/masterplan.php.

Your vision and your opinions matter! Please take the time to complete the following 32 question, 15 minute survey. The survey is available online and can be accessed from the City's website. Although your individual responses are confidential, please feel free to skip any question you prefer not to answer.

Thank you in advance for completing the survey!
