

Inventory Draft Wrap Up – Outstanding Needs

3.20.23

All Chapters

- How do we want to include survey results? We could add relevant questions to each chapter, or include the full summary as a separate attachment.
- Determine best way to present maps, separate section or appended to each chapter?

Chapter 3 – Housing

- Add Multi-unit structures data (received assessing data, but not building permits)

Chapter 4 – Local Economy

- Denise comments and additions – other data sources? Adding future plans?

Chapter 5 – Downtown

- Add future plans that are in the works? Downtown master plan?
- Review overall organization of chapter

Chapter 6 – Public Facilities

- Need to follow up with Public Works Staff for current information
- Need to confirm best information about town facilities 1) town hall 2) town garage 3) transfer station
- Need to follow up with Water District for a map of the service area
- Need to follow up with Sewer District for
 - o Map of service area
 - o Information on climate study

Chapter 7 – Arts and Recreation

- Follow up with SoboArts for general additions, as well as thoughts on any current challenges and needs
- Confirm there are not private recreation opportunities to add

Chapter 8 – Natural Resources

- Phosphorus allocations from Maine DEP

Chapter 10 – Fiscal Analysis

- Add summaries of TIF Districts and projected revenues over time
