RESOLUTION

Whereas, South Berwick's roads are overcrowded, and a major resort facility in York County would intensify the town's traffic problem.

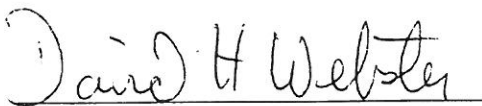

Whereas, an increase in crime and added pressures on schools and other local government services would result from the location of this facility in our region.

Whereas, a significant majority of South Berwick voters in last year's non-binding referendum voted against locating a casino in Maine.

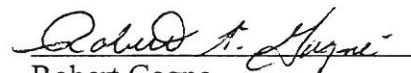

NOW, THEREFORE, BE IT RESOLVED THAT,

we the members of the South Berwick Town Council, wish to be on record expressing our concern about the upcoming Referendum Question number 3, and the impact a facility of this magnitude will have on South Berwick and surrounding communities.
