## **COUNCIL PORTFOLIOS**

#### Council Member Daede

The air compressor at the water plant is in need of repair. The current compressor is bigger than is needed now. To fix the current compressor would be \$5,000 to \$6,000 or the purchase of a smaller compressor installed would be \$9,000. Daede moved to replace the air compressor with a new one smaller in size. Timmer seconded. Roll call vote found Hoffer, Daede, Timmer, Schulz, Czywczynski and Ripplinger in favor.

#### Council Member Schulz

Schulz moved to accept the municipal court report as presented. Czywczynski seconded. Roll call vote found Hoffer, Daede, Timmer, Schulz, Czywczynski and Ripplinger in favor. The Beulah bus for West River Transit should be arriving in September.

# **Council Member Timmer**

The Assessment Board has met twice and they have the boundaries figured out with the parcels involved for the two assessment districts. The board is just waiting for an estimate. The Library's Summer Reading program has been going very well. Jessie Mann, Library Director, has done an awesome job. In June and July there were over 1,700 people involved in different programs in the library.

## **Council Member Hoffer**

A new Public Works building location is being looked into. An Equipment meeting was held to discuss budget items. At this time, a police car is available and the purchase of it would allow for a backup in case one of the other vehicles went down. It would also be a pool car for police training. The Ford Fusion is available for \$21,000. Currently, the oldest police vehicle had a new motor put into it and they were hoping to push that a little further. With this purchase, if something catastrophic were to happen to one of the vehicles, the city would not be required to fix it. The police department would have enough vehicles. A radio, computer and top would be needed for this car. Hoffer moved to purchase the police vehicle as discussed. Schulz seconded. Roll call vote found Hoffer, Daede, Timmer, Schulz, Czywczynski and Ripplinger in favor.

# Mayor Frey

There was a meeting today with Dougherty regarding the bonding for the special assessment districts. Hoffer moved to move forward with the bond issue with Dougherty. Timmer seconded. Roll call vote found Hoffer, Daede, Timmer, Schulz, Czywczynski and Ripplinger in favor.
