Pledge of Allegiance

Kelsch made a motion seconded by Miller to dispense with the reading of the minutes of the last regular meeting on December 17 and approve as furnished to the Council by email. Roll call vote found Ripplinger, Czywczynski, Timmer, Daede, Kelsch, Hoffer and Miller in favor.

Brady Torgerson requested the Black Sands Golf Course budgeted allocation of \$12,000. Hoffer made a motion seconded by Timmer to approve the request for \$12,000 to the Black Sands Golf Course. Roll call vote found Ripplinger, Czywczynski, Timmer, Daede, Kelsch, Hoffer and Miller in favor.

Frey relinquished the chair to Timmer as the Council Vice President. Timmer appointed Travis Frey to the Beulah JDA Board. Kelsch made a motion seconded by Ripplinger to approve the appointment of Travis Frey to the JDA Board. Roll call vote found Ripplinger, Czywczynski, Daede, Kelsch, Hoffer and Miller in favor.

Frey stated JDA elected its officers for this year and Nathan Richter will remain the chairperson. The Pool Board will meet Wednesday. Hoffer made a motion seconded by Kelsch to accept the municipal court report. Roll call vote found Ripplinger, Czywczynski, Timmer, Daede, Kelsch, Hoffer and Miller in favor. Frey stated he is still looking at a change in the size of the Council and establishing a full home rule charter. The full charter would allow the city to create more funds. The partial home rule charter was to allow the city to collect sales tax. The NDLC March Madness Conference will be at the end of March.

Hoffer commented the garbage truck is still in Bismarck and should be back this week. The dump truck is back, but the starter will need to be repaired.

Kelsch stated the Civic Center is being painted. Dakota Sound was there to start with installation of the sound system. She presented a proposal for the bathrooms from Western Steel if it's decided to move forward. The bathrooms would fit in the DOT space. She stated the DOT is willing to move their location. The bathroom estimate is approximately \$130,000. There were anticipated funds from the Restaurant and Lodging tax, but those funds have been decreased, changing the amount needed. We would need to decide where \$80,000 would come from. An option would be to use \$40,000 from the Public Building fund and \$40,000 from the Sales Tax fund. Ripplinger questioned if there is any income from the DOT using that spot. Kelsch stated the DOT does not pay rent. Hoffer questioned if there are funds available in the Sales Tax fund. Kelsch stated yes. Ripplinger questioned if the bathrooms need to be done to get more people there. Kelsch stated no, but it is time that we take care of a city property. If there was a big event it would be more attractive for a large amount of people. Duppong stated the bathrooms currently are not in compliance. Czywczynski questioned if this estimate includes all of the outside work too. Kelsch stated it does and the sewer line is right outside the wall of the building in that area. Having the bathrooms in this location allows us to have the least amount of water and sewer work. Czywczynski questioned if more room would be added to the kitchen where the current bathrooms are. Kelsch stated the potential is there in the future. Miller questioned if it was bid. Kelsch stated no because it was less than \$150,000 and it is difficult to get contractors to bid on projects.

Czywczynski commented on the 12th Street Drainage Project. A meeting took place to discuss where the funds could come from. The next step would be for Interstate Engineering to move forward. He stated the current estimate for the project is \$315,000 to \$330,000. Czywczynski made a motion seconded by Miller to authorize Interstate Engineering to proceed with final design plans and specs. Roll call vote found Ripplinger, Czywczynski, Timmer, Daede, Kelsch, Hoffer and Miller in favor. Czywczynski commented Gloria Olheiser has stepped down from the Lodging Tax Advisory Board.

Miller stated P&Z will meet on January 17.

Timmer commented the Library Board will meet Wednesday.

Ferebee presented a Special Event Permit for Bronson's Marketplace & Liquor at the Beulah Civic Center for the Red, White & Wellness event on February 2, 2019. Kelsch made a motion seconded by Hoffer to approve the special event permit as presented. Roll call vote found Ripplinger, Czywczynski, Timmer, Daede, Kelsch, Hoffer and Miller in favor.

Ferebee presented two local permits for the Beulah Lions Club for a 50/50 raffle and a Chinese auction raffle at the Beulah Civic Center on March 2, 2019. Hoffer made a motion seconded by Miller to approve the local permits for raffles as presented. Roll call vote found Ripplinger, Czywczynski, Timmer, Daede, Kelsch, Hoffer and Miller in favor.

Ferebee stated the City's annual audit will be the week of April 8.

Duppong commented the two new pumps for Lift Station 3 will be installed tomorrow. He stated he did an inspection at the Maupin property and there is roughly a 25% improvement. He requested they attend a Council meeting to ask for an extension. Duppong stated he is working on the grant for the RV Park storm shelter.

Gooss presented Resolution 2019-01 for the replat of a portion of the Moens 3rd Addition. Miller made a motion seconded by Daede to approve the resolution as presented. Roll call vote found Ripplinger, Czywczynski, Timmer, Daede, Kelsch, Hoffer and Miller in favor.

Duppong stated the clinic will have inspections the week of January 14.

Kelsch made a motion seconded by Daede to approve payment of the bills as presented. Roll call vote found Ripplinger, Czywczynski, Timmer, Daede, Kelsch, Hoffer and Miller in favor.

Meeting adjourned at 7:36 pm.
